This is a serious forum for cb related issues though it does get
polluted from time to time by noodniks who spam their 'revolutionary'
pieces of equipment or the amateurs who get off on blasting another
mentally deranged amateur. Stick around as there are quite a few good
posters here. Just ignore any posts by Landshark :p
Hey Vinnie a local eh?

|A better, and cheaper, plan would be to understand the government
|works for us, not the other way around, and demand the public airspace
|be alloted by public, not commercial, interest.
|-------------------

One issue of expanding the CB band above the current channel 40 is
that the spectrum from 27.5MHz to 28.00 Mhz is allocated to the DOD.
It is now relagated to MARS operation. Generally speaking the Defense
Dept. does not give up frequency spectrum even if they do not use it.

The spectrum below channel 1 is more likely a potential for expansion.
It is not used as much for it's intended use years ago. It would be
easier to reclassify those frequencies.

A s the original poster stated the expansion came about due to the
ever incerasing popularity in the early to mid 70's. The FCC realized
that the then 23 channels were insufficient for the level of licenses
being issued. I doubt that sales are that high to warrant another
expansion even if the freebanders operated within the current 40
channels. Still if the right political pressure were to be placed,an
expansion could be possible.

By shouting back at these loons, are we really harming
them or helping them to destroy our group. Some Hammies
can only be here to create noise, how huch will it hurt
them if we amplify that noise?

I have noticed that since certain trolls disappeared their
places have been taken by other trolls, who are even less
entertaining.

> Good job, Shark.

I just question whether we would all be better giving
the trolls just one "eat sh1t and die" message and then
killfiling them.
One quick slap before dropping them in the bottomless
pit that is a killfile.

Peter.

I am not so sure whether, by replying to his spam, you are actually doing him harm.

Screaming, whining and yelling have helped to make a little known author of a worthless book into a best selling author. It has made brands of clothing very popular.

Have the responses made his posts usless, or simply made them even more visible? Does telling CBers that it's illegal really put them off. Will they listen to you, or the person telling them what they want to hear?

It remains to be seen but, with the only source of sales figures coming from someone who needs the public to believe in the product, we may never know for sure.

However, from a business point of view, can a person really survive on the profit from a single $60 product that is marketed to a small and shrinking target customer?

Peter.

Laugh all you like, but this guy has the brass balls
needed to be a politician.

I posted the written teachings of several well
qualified and respected engineers, lecturers and
heads of educational departments.
With nothing more than pure bravado, James
says, "wrong".

This guy doesn't even attempt to show that he has the
qualifications to call such people "wrong", or even
to suggest that they are "partly correct". All he has
is his balls, big brass ones.

And, when I refuse to take his word over those of the
qualified experts, does he crumble and submit to the
accepted facts? Heck, no... he simply replies:
"you can believe what you wish".

I don't know about your political system but, over here,
we have ministers for just about everything. These guys
are shifted between departments, never appearing to
have qualifications in that field.
Yet, with nothing more than bravado, they can tell any
real experts and the whole of the public that they are
"wrong".
They can set up a Web site asking for public opinion,
then openly refuse to accept the millions of replies.

James is wasted here, he should be in politics.

Regards,
Peter.

If, after posting several references by well qualified
people, a person still says the earth is flat... then there
is nothing more that one can do for that person.

> You can believe what you wish.

As you are being kind enough to allow me to make my
own choice, I'll take the words of the experts with
qualifications, experience and the full trust of
educational establishments and the MoD.

Peter.

Quoted from the Telstar Web Site:

"Whether you're whispering or shouting, VoiceMax holds your
transceiver at 100% modulation allowing you to punch through heavy
channel traffic without sacrificing voice clarity."

So, it is for AM modulation systems. The previous poster was
right...it is CB equipment! Telstar says it is, so who's to argue
with that.

it seems the offender was contacted. he's been toning it down rather a lot

quiet). as for official notice: no.

This is RRAH... We build our own junk... You are spamming us with commercial announcements we don't care about and which do not meet the charter for this usenet group...
I personally don't care if your customers are CB, or broadcast radio, or whatever - but since all you are doing is trying to drum up a sale here, which is not what this group is for, why don't you move along to where your customers are... The chances that you will make even a single sale to a member of this usenet group are less than zero...

Are you in Australia? If so, plenty to choose from... you could get an old Philips FM 91 or 92 series, or Motorola Syntrx commercial rig programmed with CB freqs & repeater offsets for about $100, plus the benefit of 25-30W output. That's a cheap approach anyway... check eBay. Also common to buy something like an Icom 208H or one of the Alincos and enable general coverage TX - these perform well at 477MHz (UHF CB freqs). Grab either a mobile or base collinear antenna and yer in business.

If you're not in Oz... well, too bad!

Why are you showing the use of coax to connect the board ? That board has
NO RF filtering and it is NOT shielded in any way. I can imagine what will
happen when it is incorrectly installed in a radio or not shielded with a
filtered supply and filtered input.
It looks like a half finished design. The LED is of no use as that will be
inside the radio and only indicates what the level is at the board - not
what it is on the carrier from the radio. You will also need an
oscilloscope to set it up correctly. I would also be interested in you
telling me how you think the average home user can adjust FM deviation
correctly without the use of a test set!
I wouldn't bother buying one of those, most radios have a better circuit
built in anyway, so having two in series would be of very little use and
would distort the audio or cause extra power consumption in a handheld.
The product is of no use! It would have been good in the 80's before the
K40 and Protel mics were used on CBs. Current CBs and amateur equipment
would not tolerate that circuit as the impedances are completely wrong too.

You haven't researched and appear to have very little working AF/RF
knowledge.

Hi Jay

I ended up taking down the gizmotchy and putting up a three element flatside yagi. I passed on the quad mostly because of windload. I figured my ground plane is good enough for most vertical traffic anyway, reckon?

It's been hot and dry here too man. It won't be long before the locals will be complaining about how cold it is either. Some are never satisfied.

Steveo is correct. The gentleman's agreement is channels 36 through 40 are reserved for sideband. It has been that way since 40 channel CB's came out back in 1977. In the days of 23 channelCB radios channel 16 was reserved for sideband by gentleman's agreement, but channel 16 was pretty much abandoned by the sidebanders when the 40 channel radios came out. There is no official fcc law designating sideband or am.

One has to make a modification to the cb for this piece of kit to work.
Isn't that something that would render the radio non-type accepted?

And why are you using tin as a shield?

Just needing clarification so the multitudes will know what they're getting.

Partially yes it does answer my questions and thanks for that.

What about modifying the cb radio that your kit would be improving?
Would this not be adversely affecting the legality of the now modified
radio? Of course this question would be null and void if you were
designing your kit for amateur scenarios. So how does it fly with the FCC?

Good deal on the Horz Beam, some skip signals will work better on the vertical then fad a little and will be better on the Horz Beam and back and forth.

The credit belongs to the man who is actually in the arena, whose face

Subwoofer/Amp project...

(Playmaster 300W subwoofer amp)

While walking down the hall around lunch time I walked in on a discussion about surround sound home theater systems. After humbly admitting I watched movies through my two channel stereo I was prodded by my peers to get with the '90s, I started checking out the technology.

The following week I saw a used Carver surround sound processor for sale on the net. Perfect for upgrading my late 80's vintage two channel stereo. However, a suround sound system requires three front speakers (left, center, right), two rear (left and right), and a subwoofer. The five channels provide the spacial realism, while the subwoofer provides the physical realism... that is when Apollo 13 takes off one should be able to feel the vibrations in the chest, and when the horses cross the battle field in braveheart, it's the subwoofer that allows one to feel the horses through the vibrating floor.

While I had other equipment to get by on the five channels, I was short on a subwoofer, so I did some research. The short story is that I built my own powered subwoofer (actually 2) and learned alot in the process.

Here are the details...

Amplifier Construction

Some info on subwoofers...
Difference between a woofer and a subwoofer... subwoofers are usually only used to recreate a sub portion of what a woofer will. While a typical woofer may have a frequency response between 20Hz and 2k Hz, a subwoofer usually has a crossover that limits it's frequency response range from 20Hz to maybe 80-150Hz. Component wise (the cone/coil thing) woofers and subwoofers are the same. There are passive subwoofers and powered subwoofers. Passive subwoofers are powered by your stereo's amplifier. Powered subwoofers is the same as a passive subwoofer except it has it's own amplifier for driving the passive subwoofer. Your stereo needs to have a sub woofer out (line out) for a

powered subwoofer. Since most power produced by your stereo's amp is consumed by driving the low frequencies of your speakers, it's a big win to have a separate amplifier for driving the low end. This way mid range won't suffer from the power consumed by the low end.
There are several designs for a subwoofers. Some of the less exotic ones are are ported, sealed, and band pass enclosures. Sealed enclosure's advantage is that they can exist in a much smaller enclosure, however this is at the cost of efficiency and reduced low frequency performance. Ported enclosures are the most common. These have a tube called a port which serves several purposes. It's important that this port be tuned to the driver (woofer) and volume of the box or else the sound may result in unclear, muddy bass. The affect of a properly tuned port with the woofer is similar to blowing a wine jug like an instrument. A band pass enclsure looks like a box with a hole or slit. Bose subwoofers are band pass woofers. The idea is that only certain desired frequencies (bands) end up passing through the hole or slit while the others are absorbed internally.

There's a thing called a crossover to consider. A crossover is like a frequency filter except rather than filtering out frequencies, it redirects frequencies to other channels. A typical powered subwoofer will have a built in crossover that directs low end frequencies (usually < 80-150Hz) to your subwoofer while sending higher frequencies on to another channel (the rest of your speaker system). The high end frequencies rapidly diminish in the channel sent to the subwoofer and the low end frequencies rapidly dimish in the channel going to the higher frequency response speakers. So the tweeters get the high frequencies they are designed to produce and the woofer get the low frequencies they are designed to produce. Almost all multi speaker system will have some sort of crossover. separating frequencies between tweeter, midrange and woofer. In crossovers, there are both passive and active crossovers. Passive crossovers are typical in most speakers. Since they take their power from the incoming signal, they do have an impact on power/responsiveness. Active crossovers get there power externally. However we're starting to go beyond the scope of the subwoofers project.

The prices for powered subwoofer can get pretty expensive. I was looking at models between $200 and $1500. $1500 for a 12 or 15 inch woofer plus amplifier just seemed ridiculous considering the cost of parts to make them... So, I decided to look into making my own. The route I chose to take was not cost effective if time for learning, designing, and implementing is factored in. However what I've learned while doing this makes it all worth while.

Speaker Building Information Sources
I started with two books I picked up at Radio Shack called Speaker Building and Advanced Speaker building. Both are heavily oriented torwards building speakers with Radio Shack speaker components, and

can almost double as a Radio Shack speaker catalog. Lot's of shameless Radio Shack marketing through out. They have a nice intro into building speakers, with a lot of the theory left out. The first book contains graphs to crossreference parameters required to make a speaker so that one doesn't need to use a calculator. The advance speaker book throws in some formulas but is a little lacking in discussion on how the equations were derived. In case you don't know how to plug a formula into your calculator, no worries... the Advanced Radio Shack book will tell you which buttons to press.
Vance Dickason's "The Loudspeaker Design Cookbook" (ISBN 1-882580-10-9) was recommended by several sources. It reads like a collection of white papers on speaker building theory and is heavy on the technical side. Towards the end it contains several commercial advertisements for part sources. Good book.

There is quite a bit of wave theory, frequency dampening factors that needs to be taken in to consideration. Everything from cone tensile strength to acoustic frequency dampening of dacron fiber fluff or maybe beach sand, resonant frequency of particle board versus a harder wood, etc., etc. factor into the volume of the box and the optimal length of the port so that it resonates properly. So many factors, it takes some time to become comfortable with weeding out the meaningful parameters from those that are negligible in the quest for making the ultimate speaker. Box dimension I later learned really dosn't matter much for a subwoofer. The main concern in box dimension is standing waves where waves are cancelled out to the tune of +/- 5dB in the worst case. Sufficient dampening material inside to absorb standing waves can cancel this out. In the case of subwoofers, it's not an issue since the box dimensions are so much shorter than the wavelengths (20-100Hz).

Here are some information sights I've found on the web....

Subwoofer Project
Being a neophyte in the audiophile world, my first thought was to get the biggest driver I could find to produce the lows and push volumes of air that one could feel. I ran across some 18" woofers, however I liked the specs on some 15" woofers I later found better. After doing

the calculations I found that for my ported cabinet, I would need an enclosure that was 14 to 24 cubic feet! I decided that there is no way I would want to dedicate this much space in my living room to a box this big. These calculation were based off of an optimal volume formula I got out of the Radio Shack books. I later discovered that this optimal volume didn't agree with the manufacturer, several software design packages, and the loudspeaker cookbook.
An alternative was to go with a sealed enclosure, however this reduces the responsiveness and pushes the F3 upwards. End result is a subwoofer with a reduced ability to produce low end. Since it seems the whole point of having a subwoofer is to produce the low frequencies, a sealed enclosure which raises the low end didn't make much sense to me.

I opted for a 12" woofer with a 3 cubic foot enclosure. I decided to go with Ultimate's AU1290 "Attitude" woofers. They have a frequency response range of 18-1k Hz. They have a dual six ohm, 90oz magnet, 2" kapton coil capable of handling 500 watts sustained, 1000 watts max. Headroom is .44". SPL is 88.9dB, but I don't care about this since it'll be driven by it's own separate amp with it's own gain control.

Test Data from Factory:
SPL 88.9dB 1W/1m
Fs 23.5Hz
Vas 5.3
Qts .38

I decided to go with 3 cubic feet ported enclosure since that would give me the lowest frequency within factory recommendations.... With a 3 cubic foot enclosure, this driver has an F3 of about 26Hz (pretty good!). I decided to go with a 4" diameter port tube since that would give me the least amount of port noise. The port for this is about 14" long. I ended up picking up some PVC tube at the hardware store. This worked quite well.

Subwoofer Construction
I decided to make a prototype out of particle board since wide oak boards are expensive and I was afraid of ruining them, especially since I have very little wood working experience. Particle board cost about 1/8 the price.
Being new to wood working I only had a circular saw which I had learned through experience is not for precision wood working. I was able to pick a used craftsman table saw in perfect shape for about a third of the price of a new one. And this is what I built the prototype with. For the speaker and port hole I used a saber saw.

The prototype came out pretty good. Some things I learned from the prototype is that cross bracing is important so as to cut down on the side board vibrations. Also, all seams should have a good fit and must be well sealed. I used some silicone wood calk I picked up at the

hardware store. If the seams aren't sealed, the gaps tend to make a raspy whistling noise when the driver is pushing large volumes of air.

I picked up a used 60's vintage radial arm saw which I found for about 1/5 the price of an equivalent new one, however it needed some work. I spent a Saturday cleaning, oiling, calibrating, and building a new rip fence for it. I discoverd that a radial arm saw is really the way to go for precision cuts. Rather than moving a big block of heavy wood towards the blade, the heavy material stays in place while the blade runs along a track and makes a perfect precision cut. The end result is that the oak boards had a much smaller seam between the boards in the cabinet. I think this will help reduce board vibration as well as make it easier to seal.

I put about 2 pounds of a Dacron fiber called "Acousta-stuff". Supposedly it's better than Dacron fiber that one can get at a craft/ fabric shop because the fibers are triangular rather than round..... Don't know about that, but the Loud speaker cookbook had some test results that said it was better, so I paid $8 per pound for this fluff. Fiber glass is suppose to be better, but for other reasons I decided I didn't want to use that. Dampening material is important for the speaker so as reduce standing waves in the enclosure which can mess with sound to the tune of a variable +/- 5dB! I just stapled this to the side of the walls excluding top and near the port tube.

I picked up a gold plated 8 post screw/banana speaker terminal which is intended for a dual voice coil subwoofer with individual crossover for each channel for hook up to additional speakers. Currently I use the active crossover from the subwoofer out in the Carver surround sound processor, so I've delayed on the passive crossover for now.

I have some small Polk speakers (4b?) I'm using as the satelite front channel speakers now. They have a 6.25" woofer. I don't have any performance spcse on these speakers.... so I'm guestimating by looking at other 6.25" of comparable quality that they will begin their roll off around 100Hz. I'm considering putting together a 2nd order low pass filter at 100Hz for the subwoofer. I had underestimated the cost for a crossover for this subwoofer. Doing some rough calculations for this low 100Hz filter looks like I'll need a 12mH inductor coil and ~200uF capacitor. Because of the high power nature of this subwoofer, I'm looking at $15-$30 for the inductor, and ~$50 for the capacitor.... Since this is a dual coil driver, everything will be mulitplied by two.

Amplifier Construction
I needed a mono amplifier to drive this subwoofer. While a cheap and easy way to do this would be to buy a bridgeable automobile amp, I had been looking for an excuse to build my own amplifier. Acoustic Labs has designed several high end amplifiers. Their designs are then

marketed as "high end audio" project kits. Mark V Electronics, Inc. - Mark V Electronics, Inc. 8019 E. Slauson Ave. Montebello, CA 90640 Phone: 323-888-8988 http://www.markvelectronics.com/store E-mail: MARK5CO@aol.com http://www.markvelectronics.com -out of California markets. A mono amplifier(s) has a lot of uses in a component stereo system, especially in a 5.1 channel AC-3 or Dolby Pro Logic (THX) surround sound system that I can see using it for the forseeable future. As such, my thinking was... if I'm going to put all the time into making this, why not start with the best possible design. I decided on the AF-3 design which is a 300 Watt constant current MOSFET amp. MOSFET amps are known for having very similar characteristics to pentode vacume tubes without the drawbacks of being a vacume tube. The design has a built in speaker protection cicuit relay for protecting the speaker from power surge during power up. The design, PCB, mega heatsinks, and components that go on the PCB sell for $165. Not bad I thought... that is until I picked up everthing else I needed. The design calls for 4 filter 80-100 volt 10k uF capacitors which sell for about $25 each with mounting hardware. I picked up an 8 amp toroidal transformer (low hum, low EMF) for $66. Also I needed a cabinet of which I found a nice black anodized aluminum vented case with rack handles for $44. Other miscelaneous components such as an optional (quiet 23dB) fan, gold plated mega 4AWG capable speaker binding post, wire, rectifier bridge, fuse holder, switch, some extra capacitor and high wattage resistors, etc. brought the total price up to roughly $400 for this mono channel amp. Had I known this would be the price ahead of time, I probably wouldn't have done it. However, I now rationalize that I've learned alot making it and that I have the best mono amp for my forseeable future needs.
I built two amps (Mom wanted one). Each amp took approximatly 50 hours assembly time. The end result is a nice sounding extremely powerful amp. 300 watts for this subwoofer is more than adequate. I have the subwoofer line out on the surround sound processor turned down to about as low as it will go. The subwoofer itself will handle 350 watts sustained, 500 watts peak. Watching the movie "Braveheart" during some of the battle scenes tends to set the whole house vibrating. One can feel the horses running across the wooden floors in the house.

After a couple weeks, I noticed the first amp I built would run much hotter than the other. I opened up the amp and recalibrated. There are two potentiometers that need to be adjusted. One is adjusted by reading the current to the amplifier board, the other is adjusted by zeroing the ouput voltage to the speaker when no input signal is present. I had adjusted these after assembling the amplifiers. However after running the amps for a while, one of the two potentiometers needed recalibrating. Now they seem to run at a reasonable temperature with my typical use.

I had picked up a 120 volt cooling fan at Radio Shack for cooling the amp. At the time, I didn't know how loud 38dB was which is what the fan noise was rated at. After trying it out, I decided this was too loud for an audio amplifier application. I found a 23dB fan + fan

guard in a Jameco Electronics catalog. It's quiet enough, however, cutting the hole in the metal case has become a problem. I found a 3" circular saw, however this requires a drill press that one can set at 100rpm and can apply 150 lbs of pressure. I don't own a drill press, and haven't found one that can operate as slow as 100 rpms. I just finished a welding class, where in addition to stick welding, MIG and TIG, we learned to use a plasma cutter which is as easy as using an exacto knife. I think if a circular wood template was made ahead of time, the plasma cutter would be the easiest. I think the local welding shops rent a 110 volt plasma cutter for about $40. ...an expensive hole. I also needed to cut the case to install the oversized speaker binding posts. I used a coping saw for this. It was hard frustrating work and the results were not very nice. Fortunately, the cut is hidden by the speaker post mount, and so doesn't matter. A plasma cutter would have been great for this too.

Even though components in the amplifier would probably last longer running cooler, I've decided to wait on installing a fan until I have a better understanding of how hot it will run and can justify all the trouble of installing one. This also gives me more time to think up some way to wire up a thermostat controller.

S�bado, 04 de Agosto, a�o 2007 de Nuestro Salvador Jesucristo, Guayaquil, Ecuador - Iberoam�rica

(Este Libro fue Escrito por Iv�n Valarezo)

JUSTICIA y RECTITUD

Porque recta es la palabra de nuestro Padre Celestial, y en
�l no hay "injusticia" alguna para con ninguno de sus seres
creados del cielo y de la tierra; por ello, toda su obra ha
sido hecha "con verdad y con la rectitud infinita" de su gran
rey Mes�as, el Cristo, desde el comienzo de las cosas, para
la eternidad. Por lo tanto, nuestro Dios "ama" la justicia y
el derecho en el �ngel del cielo y as� tambi�n en cada
hombre, mujer, ni�o y ni�a de la humanidad entera; por esta
raz�n, de la misericordia infinita de nuestro Creador de
nuestras vidas eternas y de cada una de nuestras bendiciones
terrenales y celestiales "est� llena toda la tierra".

Y esta es la misericordia, llena de verdad, de rectitud de la
justicia celestial de su Hijo amado, el Se�or Jesucristo, que
ha descendido del cielo para "perdonar" tus pecados y
"salvar" tu alma eterna, en un momento de fe y de oraci�n en
su nombre sagrado e infinitamente sobrenatural, tambi�n, en
tu coraz�n eterno, mi estimado hermano. Por ello, grande es
nuestro Dios en cada uno de nosotros, desde la eternidad y
hasta la eternidad, si tan s�lo "le damos su lugar de gloria
infinita", el cual "le pertenece a �l", en lo profundo de
nuestros corazones, s�lo por medio de su Hijo amado, �el
Se�or Jesucristo!

Porque sin el Se�or Jesucristo entonces "no hay perd�n de
pecados", "no hay sanidad posible para nuestros cuerpos" de
nuestras enfermedades y males eternos "ni menos habr� jam�s
vida terrenal, ni vida celestial", para siempre. Es por esta
raz�n, que "estamos llamados" de parte de nuestro Dios y
Creador de nuestras vidas ha amarle a �l, s�lo cuando
verdaderamente "amamos 'al Se�or Jesucristo' y su gran obra
sobrenatural", clavado a los �rboles cruzados y sin vida de
Ad�n y Eva, sobre la cima de la roca eterna, en las afueras
de Jerusal�n, en Israel.

Porque la l�gica de nuestro Dios es de que si t� "no puedes
'amar' a su Hijo amado", a quien envi� a la tierra para tocar

tu vida y as&#65533; entonces le puedas conocer a &#65533;l, pues "jam&#65533;s t&#65533; podr&#65533;s 'amar' en la rectitud de tu coraz&#65533;n y en la justicia de Jesucristo" al Creador de tu alma eterna. Y &#65533;ste Dios es para ti, para la humanidad entera y para los &#65533;ngeles del cielo, desde la antig&#65533;edad y hasta la nueva eternidad venidera, &#65533;el Todopoderoso del cielo y de toda la tierra!

Entonces nuestro Dios es "digno" de toda gloria y honra de nuestros corazones; pues &#65533;l "anhela la 'bendici&#65533;n' de nuestros corazones" para su nombre santo, para que su coraz&#65533;n y su alma eterna se "gocen infinitamente", en el esp&#65533;ritu de la vida sagrada de su gran rey Mes&#65533;as, el Se&#65533;or Jesucristo del cielo y de toda la tierra, para siempre. Porque para nuestro Padre Celestial no hay mayor justicia de parte del hombre, de la mujer, del ni&#65533;o y de la ni&#65533;a de toda la tierra, de "s&#65533;lo amarle a &#65533;l", en el esp&#65533;ritu de la verdad y de la justicia infinita de su &#65533;rbol de vida eterna, &#65533;el &#65533;nico gran rey Mes&#65533;as posible para Israel y la humanidad entera!

Es por eso, que cada vez que el hombre "recibe en su coraz&#65533;n" su palabra, junto con el nombre sagrado del Se&#65533;or Jesucristo, entonces "muchas cosas buenas comienzan a tomar lugar" en su vida y en la de los suyos, tambi&#65533;n, en la tierra para gozarlas por siempre, en sus nuevas vidas consagradas por nuestro salvador, para la eternidad. Y todo esto le sucede al hombre de buena fe y de buena voluntad de toda la tierra, porque la palabra de nuestro Padre Celestial ha sido "recta" desde siempre en su alma, y "jam&#65533;s torcida" por los poderes de las tinieblas de Lucifer del m&#65533;s all&#65533;, ni menos en la tierra, de nuestros d&#65533;as y de siempre, por ejemplo.

En verdad, la palabra de nuestro Dios "est&#65533; viva" en su poder celestial y sobrenatural, por lo tanto, "jam&#65533;s podr&#65533; caerse al suelo" del mundo para ser eternamente y para siempre fiel, firme y recta en nosotros, con el fin de bendecirnos d&#65533;a y noche delante del SE&#65533;OR, para gloria y para honra infinita de su nombre santo. Porque cada palabra, cada letra, cada tilde y cada significado eterno de la palabra de nuestro Dios "busca d&#65533;a y noche" en cada uno de nosotros, como en todos los lugares del cielo con los &#65533;ngeles "mayores glorias de honra y de santidades infinitas", para el nombre sagrado de nuestro salvador celestial, &#65533;el Se&#65533;or Jesucristo!

Y es por eso, que la palabra viva y de gran poder de nuestro Dios "traspasa los cielos d&#65533;a a d&#65533;a" para tocar el coraz&#65533;n y la vida del hombre, de la mujer, del ni&#65533;o y de la ni&#65533;a de fe, de su nombre santo e infinitamente sagrado de su &#65533;rbol de vida, &#65533;el Se&#65533;or Jesucristo! Porque es necesario que su Hijo amado "sea honrado y exaltado" en el coraz&#65533;n del hombre y m&#65533;s no rechazado, como en el d&#65533;a que Ad&#65533;n y Eva lo rechazaron a

�l, delante de su presencia santa y de sus �ngeles santos, en el para�so, por ejemplo, para mal eterno de muchos de sus descendientes.

Porque, adem�s, toda obra de nuestro Padre Celestial ha de seguir siendo "hecha con la misma verdad y justicia infinita de siempre", de llevar a cada coraz�n y alma infinita del hombre, de la mujer, del ni�o y de la ni�a de la humanidad entera a los pies, de su �rbol de vida de su Hijo amado, �el Se�or Jesucristo! Y esto ha de seguir siendo as� con Dios y con todo hombre en la tierra, como en el para�so y as� tambi�n en la nueva vida venidera del nuevo reino de los cielos de �ngeles y de su humanidad inmortal, para darles de "comer" por siempre, del fruto de su justicia y rectitud infinita de su �rbol de vida.

Entonces es Dios quien le da de "comer de su Hijo amado" a todo hombre, mujer, ni�o y ni�a de la tierra, porque nuestro Dios "ama la verdad y el derecho" de cada uno de ellos, ya sea en el para�so o en la tierra o en el nuevo reino venidero de Dios y de su �rbol de vida eterna. Es por esta raz�n, que hoy m�s que nunca "la tierra est� 'llena' de su gloria y de su misericordia celestial", exclusivamente manifestada a la humanidad entera, desde la antig�edad y por siempre en la eternidad venidera, en la vida gloriosa y sumamente honrada de su Hijo amado, el Mes�as, la cual fue levantada al para�so, en el Tercer D�a.

Y desde ese d�a glorioso y sumamente sagrado para nuestro Padre Celestial y para sus huestes angelicales del cielo, entonces el hombre, la mujer, el ni�o y la ni�a de la humanidad entera "empez� en Dios" y en la vida inmortal del �rbol de la vida "su nueva vida", para jam�s volver a conocer el pecado, ni la muerte eterna. Para que entonces cada uno de sus seres muy amados por su coraz�n santo y por el coraz�n de su Jesucristo y por el coraz�n de su Esp�ritu Santo, entonces "viva infinitamente gozando" siempre de la justicia y de la rectitud sin igual de su �rbol de vida eterna, en el para�so y en La Nueva Jerusal�n Celestial del cielo.

LOS CIELOS HABLAN DE LA JUSTICIA DIVINA DEL MES�AS

Es por eso que, donde quiera que t� vayas en todos los lugares de la tierra, de una manera u otra, los cielos "anuncian" la justicia infinita de su Hijo amado, el gran rey Mes�as de todos los tiempos, y los pueblos "ven" su gloria "volver" una vez m�s a toda vida del hombre, en el mundo entero. Porque los cielos y la tierra "se unir�n" infinitamente para un nuevo reino inmortal, en el d�a que el Se�or Jesucristo finalmente "regrese y se quede" con el hombre, para vivir sus nuevas vidas infinitas, como debi� de

ser desde el principio de todas las cosas en el para�so, en el d�a de la creaci�n de la humanidad entera.

Pues desde los cielos "han venido" todas las cosas buenas de la vida del hombre sobre toda la tierra, y una de estas "es nuestro Se�or Jesucristo", por los poderes sobrenaturales del Esp�ritu Santo, por ejemplo, para alimentar al hombre infinitamente, en un momento de fe y de oraci�n, en su nombre sagrado, con la misma vida del reino celestial. Y s�lo de esta manera, entonces el hombre "pueda regresar" a vivir su vida normal del reino de Dios, por la cual Dios lo creo en sus manos santas, en el comienzo de todas las cosas, en el m�s all�.

Entonces nosotros "no somos" de la vida de la tierra "sino de la vida celestial" del reino de los cielos, como de la vida del para�so o como de la nueva vida imperecedera de La Nueva Jerusal�n Celestial e Infinita del cielo. Es por eso que, si los cielos "nos dejasen" de dar de sus muchas abundancias, como la misma vida de nuestro Padre Celestial, por medio de su Hijo amado, el �rbol de la vida, el Se�or Jesucristo, entonces "toda vida dejar�a de existir infinitamente", ya sea del hombre o de los dem�s animales de toda la tierra, tambi�n, por ejemplo.

De hecho, esto seria "muerte eterna" para todos, en todos los lugares de la tierra, sin duda alguna; lo que Lucifer siempre "busca" para todos los seres creados por Dios, desde el d�a de su rebeli�n, en contra de su �rbol de vida, el Mes�as, en el reino celestial, para que los �ngeles no coman de �l, para siempre. Pero nuestro Dios no permiti� jam�s que esto sea as�, para con el hombre, en el para�so ni en la tierra, y es por esta raz�n que d�a y noche la justicia de su �rbol de vida "no deja de descender", para entrar en el coraz�n y en la vida de la humanidad entera, no importando el mal del pecado.

En la medida en que, nuestro Dios "prometi�" que su palabra viva nos siguiera bendiciendo d�a y noche desde los cielos, y que el fruto de la tierra de los pueblos "no dejara jam�s de ser" para el hombre, sino que "seguir�a dando" de su alimento para el sustento de su vida y de toda vida de los animales, tambi�n. Porque a�n nuestro Dios hace que los animales ayuden al sustento de la humanidad entera, tambi�n, para que su cuerpo no muera de hambre; por eso, fue que el SE�OR le dijo a Ad�n, por ejemplo: "Mata y come de todos 'los animales' de la tierra".

Y desde que el hombre recibi� este mandamiento de Dios, como muchos otros, por ejemplo, de matar y comer de los animales que Dios le entrega para su alimento cotidiano, entonces el

hombre mata y se alimenta de ellos, para cumplir con la palabra del SE�OR, en su vida, y as� siga viviendo sus d�as contados en la tierra. Porque el hombre de la tierra "lo levanto Dios" con sus manos santas, pues a la tierra volver� su carne en su ultimo d�a, y su alma por fin regresara al para�so y a su �rbol de vida eterna, de donde salio para creer y conocer a su Dios infinitamente, en su coraz�n y en su alma viviente, tambi�n.

Es como el fruto que cae de su �rbol "al suelo", para luego regresar como nuevo fruto en la siguiente temporada de vida de su mismo �rbol del a�o en curso, por ejemplo. Pues as� es el hombre cuando muere, "su carne regresa" a la tierra para "luego florecer en el �rbol de la vida eterna", de donde Dios mismo lo levanto con sus manos santas de las profundidades de la tierra, para hacerlo "libre de las tinieblas" de Lucifer, y darle por siempre de la luz de su semejanza e imagen celestial.

Es m�s, y hasta a�n los animales "viven tambi�n" de las bendiciones que descienden del cielo, como de las que sabemos y de las que no (sabemos), para alimentarse y, al mismo tiempo, llenar la tierra seg�n sean sus g�neros, para el sustento y el bien de la humanidad entera. Entonces d�a a d�a, los pueblos ven la gloria de Dios venir a cada uno de nosotros, para "alimentarnos" de sus m�s ricas bendiciones celestiales, para edificarnos y, a la vez, "ayudarnos a crecer" siempre hacia �l, que est� en los cielos gozando: "gozando" en su coraz�n infinito que muy pronto nos tendr� para siempre, para su nuevo reino celestial.

Y �sta es una "fe", del coraz�n de nuestro Padre Celestial, la cual "se cumplir�" en la vida de cada uno de los hombres, mujeres, ni�os y ni�as de la humanidad "gracias a la obra perfecta" de su Hijo amado, con su Ley Santa en Israel, para fin del pecado y el comienzo de una vida nueva para el hombre. Y es por �sta gran obra sobrenatural y de mucho amor, por cierto, de nuestro Se�or Jesucristo "es que el hombre regresa al cielo"; y el hombre regresa al seno de su Dios y Creador de su vida, �el Todopoderoso de Israel y de la humanidad entera!, como "fruto perfecto de vida eterna", de su �rbol de vida, �el Mes�as! Y esto es volver a nacer no de la carne de nuestros primeros padres, sino del Esp�ritu de vida y de salud infinita del �rbol de la vida, �el Se�or Jesucristo!

Es por esta raz�n, que Dios mismo "lleva" a Ad�n delante de su �rbol de vida, y le dice: Come y bebe de �l, para que tengas justicia y rectitud sin igual en tu vida celestial delante de m� y de los �ngeles del para�so. En otras

palabras, lo que Dios le estaba diciendo a Ad&#65533;n "come del fruto de vida eterna", para que en tu d&#65533;a "regreses" siempre a tu &#65533;rbol de vida, "de donde saliste", en el d&#65533;a de tu formaci&#65533;n celestial e infinita, en el m&#65533;s all&#65533;. Porque del &#65533;rbol de vida, Dios mismo "te entrega su vida", pues a &#65533;l has de regresar asimismo como saliste de &#65533;l, en el d&#65533;a de tu creaci&#65533;n, "como su &#65533;nico fruto de vida eterna", para que entonces sigas viviendo "la felicidad" sin igual de la nueva vida eterna del nuevo reino de los cielos y de sus &#65533;ngeles gloriosos.

Entonces as&#65533; como el hombre "descendi&#65533;" del para&#65533;so, en el d&#65533;a que peca delante de Dios y de su &#65533;rbol de vida, el Mes&#65533;as, por no comer de &#65533;l, para que sea hecho, en un momento de gracia y de misericordia infinita en "su fruto de vida eterna", pues as&#65533; tambi&#65533;n "regresara" a su Creador, en ultimo su d&#65533;a. Es decir, que el hombre "regresara" al mismo lugar de sus primeros pasos "a trav&#65533;s del cielo", el cual vemos d&#65533;a y noche y "hasta que volvamos al 'seno' de nuestro Padre Celestial", en el esp&#65533;ritu de fe, del nombre sagrado de su Hijo amado, el Mes&#65533;as, viviendo en nuestros corazones y en nuestras almas infinitas, tambi&#65533;n.

Ya que, el mismo cielo "espera pacientemente" por el pronto retorno de nuestras almas infinitas a nuestro lugar de origen, a nuestros hogares celestiales del para&#65533;so, para por siempre estar con nuestro Padre Celestial y con su &#65533;rbol de vida eterna, nuestro &#65533;nico sustento de vida humana e espiritual, tambi&#65533;n, eternamente y para siempre. Porque la verdad es que el coraz&#65533;n y as&#65533; tambi&#65533;n el esp&#65533;ritu y el alma del hombre "no conocen 'ninguna' otra alimentaci&#65533;n espiritual" que no sea el fruto del &#65533;rbol de la vida de Dios, &#65533;el Se&#65533;or Jesucristo!, que est&#65533; en los cielos, en el epicentro del para&#65533;so.

Y es por esta raz&#65533;n, que los cielos "anuncian" sin cesar jam&#65533;s la justicia de nuestro Padre Celestial, y los pueblos ven la gloria de Dios "resplandecer" en la llega (y en el reencuentro final) de nuestro gran rey Mes&#65533;as con el hombre de la tierra, para jam&#65533;s volverse a separar, por culpa del pecado de nadie. Y as&#65533; entonces "vivir infinitamente" en la justicia y en la rectitud perfecta de los frutos del &#65533;rbol de la vida eterna, su Hijo amado, como "un fruto m&#65533;s de la nueva vida" de Dios, no s&#65533;lo en el para&#65533;so de la antig&#65533;edad, sino tambi&#65533;n en La Jerusal&#65533;n de Dios y de su gran rey Mes&#65533;as, &#65533;el Santo de Israel!

(Los siguientes libros te ayudaran a entender "la justicia y rectitud" de su Hijo amado en tu coraz&#65533;n y en toda tu alma viviente, tambi&#65533;n, para que seas hecho, en un momento de fe y

de oraci&#65533;n, como hoy en d&#65533;a, por ejemplo, en "un fruto de vida eterna" del &#65533;rbol Viviente de su nuevo reino celestial, &#65533;el Se&#65533;or Jesucristo!)

Libro 164

JUSTICIA:

"Es el derecho eterno" a lo que "le pertenece justamente" a una o varias personas. &#65533;ste derecho fundamental a que "la vida santa le pertenece a Ad&#65533;n" y a cada uno de sus descendientes, no se lo puede arrebatar nadie, ni ning&#65533;n poder del m&#65533;s all&#65533;. Es por esta raz&#65533;n, que "la motivaci&#65533;n que ha movido a Dios", a su Esp&#65533;ritu Santo y con posterioridad "ha restaurarle este derecho &#65533;nico y perpetuo al hombre "no ha cesado nunca, desde los primeros d&#65533;as de vida del hombre en el para&#65533;so y hasta nuestros d&#65533;as en toda la tierra, por ejemplo.

Porque el deseo constante de Dios, para con el hombre, "es de restituirle cada uno de sus derechos celestiales de vida eterna", no s&#65533;lo "en el para&#65533;so, en la tierra", sino tambi&#65533;n "en todos los lugares del reino de los cielos", para que "pueda vivir su vida normal" y m&#65533;s no muera jam&#65533;s. Porque la verdad es que el hombre "tiene derecho a caminar y acceso" a todos los lugares del reino de los cielos y hasta aun en los m&#65533;s rec&#65533;nditos del m&#65533;s all&#65533;, los cuales "s&#65533;lo le pertenecen al SE&#65533;OR", &#65533;nico Creador del cielo y de toda la tierra.

Es m&#65533;s, "ni aun los &#65533;ngeles" m&#65533;s santos del reino "tienen tanto derecho a vivir" en el cielo, y "ha ingresar a los lugares muy santos y muy preferidos" de nuestro Padre Celestial, como el hombre del para&#65533;so y de toda la tierra, tambi&#65533;n, por ejemplo, lo tienen infinitamente, por inicio propio. Y es por esta raz&#65533;n, mucho m&#65533;s que ninguna otra, que Lucifer y muchos de sus &#65533;ngeles rebeldes, por ejemplo, "nos envidian tanto" y aun hasta la muerte de cada uno de nosotros, en el para&#65533;so, en la tierra y en el m&#65533;s all&#65533;, tambi&#65533;n (y aunque t&#65533;, ni los tuyos, lo crea as&#65533;, es verdad, mi estimado hermano).

En realidad, esta es una de las verdades m&#65533;s guardadas del enemigo de nuestras almas eternas; "ciertamente Lucifer no desea" que t&#65533;, ni ninguno de los tuyos, "conozcas esta gran verdad" en tu coraz&#65533;n jam&#65533;s. Entonces el enemigo "hace todo lo posible para esconderla de ti", con mentiras para que as&#65533; no sientas deseo de conocer a Dios, ni a su Jesucristo, ni a su Esp&#65533;ritu, ni menos a ninguno de los lugares eternos del reino celestial, de los cuales "s&#65533;lo a ti te pertenece el derecho" de conocerlos y de caminar por ellos infinitamente.

Conocerlos y caminar por siempre por sus lugares para "disfrutar su grandeza y su profunda gloria celestial", en tu coraz&#65533;n y en toda tu alma eterna, mi estimado hermano y mi estimada hermana, de la misma manera como Dios y sus &#65533;ngeles "viven y disfrutan infinitamente" de cada una de ellas d&#65533;a a d&#65533;a y por siempre, por ejemplo. En verdad, el reino de los cielos "es tan vasto", que realmente "no tiene fronteras" con ning&#65533;n otro lugar en el m&#65533;s all&#65533;; "y todo te pertenece a ti por derecho propio", de acuerdo a la voluntad perfecta de nuestro Dios, desde el d&#65533;a que nos formo en sus manos sagradas, en la tierra santa del cielo.

Y, hoy en d&#65533;a, tu coraz&#65533;n, as&#65533; como tu alma y todo tu cuerpo, espiritualmente hablando, "clama por volver al cielo 'y regresar" a los lugares santos y sagrados" que, por inicio, "nos pertenecen" para vivirlos y gozarlos infinitamente, en nuestras vidas celestiales del para&#65533;so. Y "lo &#65533;nico que nos detiene" para regresar a nuestras casas del cielo, a nuestros hogares eternos del para&#65533;so, por ejemplo, es el mismo pecado original de Ad&#65533;n y Eva en nuestras sangres humanas.

Pero esto "no es ning&#65533;n problema alguno", en nuestras vidas, "si tan s&#65533;lo creemos" en nuestros corazones y "as&#65533; confesamos" con nuestros labios: la verdad y la justicia celestial de nuestro Padre Celestial y de su Esp&#65533;ritu Santo y &#65533;del Se&#65533;or Jesucristo! Es por esta raz&#65533;n, que nuestro Padre Celestial, desde mucho antes que separara las aguas de su firmamento y de la tierra, entonces "ya hab&#65533;a comisionado, apoderado" a su Esp&#65533;ritu Santo, para que "comience a descender" sobre la tierra seca, porque &#65533;l es la vida y la sangre del pacto eterno, entre Dios y el hombre de la humanidad entera.

Y luego de que nuestro Dios hab&#65533;a enviado al mundo "al esp&#65533;ritu de la sangre" y del &#65533;rbol de vida, para que "subyugue" a cada una de las profundas tinieblas del m&#65533;s all&#65533;, en todos los lugares de la tierra, entonces "crea al hombre" en su imagen y conforme a su semejanza celestial, para que viva "&#65533;nicamente su vida infinita". (De hecho, es aqu&#65533; cuando nuestro Padre Celestial te crea a ti, en sus manos sagradas, mi estimado hermano y mi estimada hermana, para que vivas, no la vida que vives, hoy en d&#65533;a, en la tierra, sino la del para&#65533;so, la de Cristo, su Hijo amado, &#65533;el Mes&#65533;as!)

Primero Dios crea a Ad&#65533;n en sus manos; y luego "Dios vio que no era bueno que &#65533;l est&#65533; s&#65533;lo", entonces lo duerme y de su quinta costilla "saco a la compa&#65533;era" de su vida, Eva; de igual forma, "ambos fueron creados en las manos de Dios", pues, as&#65533; tambi&#65533;n tu misma vida, mi estimado hermano y mi estimada hermana. Que Ad&#65533;n haya sido creado primero y luego

Eva, para que "posteriormente t&#65533; tambi&#65533;n 'salgas' de sus cuerpos", de sus carnes, de sus sangres, de sus almas y de sus esp&#65533;ritus humanos, no importa (o no es gran diferencia) a nuestro Dios, en el para&#65533;so, en toda la tierra o en el nuevo reino de los cielos, por ejemplo. Es decir, que "no importa quien naci&#65533; primero o &#65533;ltimo", en el cielo o en la tierra, lo que importa hoy en d&#65533;a y por siempre, "si has comido" del fruto de la vida eterna, del cuerpo y de la sangre del &#65533;rbol de vida.

Entonces lo que s&#65533; importa aqu&#65533; y en el cielo, delante de Dios y de su Jesucristo, "es que t&#65533; comas y bebas de su fruto de vida eterna, para que tengas vida en abundancia, en la tierra y luego en el para&#65533;so, para entrar en el nuevo reino de Dios y de sus huestes celestiales, en el m&#65533;s all&#65533;". Eso, "si es verdad y si es justicia" eterna, por tanto, si importa mucho en el coraz&#65533;n, en el pensar y en el deseo infinito de su Esp&#65533;ritu Santo y de su Hijo amado en tu vida y en la vida de cada uno de los tuyos, tambi&#65533;n, mi estimado hermano y mi estimada hermana.

Entonces en este d&#65533;a, muy crucial para tu vida, as&#65533; como lo fue para Ad&#65533;n y Eva, en el para&#65533;so, por ejemplo, "t&#65533; tienes que hacer una decisi&#65533;n muy en serio" en tu coraz&#65533;n, y esto es para vida eterna. Es decir, que "debes de creer en tu coraz&#65533;n", en "la verdad y en la justicia infinita: de Dios, de su Esp&#65533;ritu Santo y de su &#65533;rbol de la vida, en el para&#65533;so, en la tierra y as&#65533; tambi&#65533;n, "igual y eternamente", en la nueva gran ciudad celestial del Gran Rey Mes&#65533;as, La Nueva Jerusal&#65533;n Santa y Perfecta del cielo.

Porque "si no lo haces as&#65533;" en tu coraz&#65533;n, para bien eterno de tu alma viviente, mi estimado hermano y mi estimada hermana, entonces "permanecer&#65533;s infinitamente en la oscuridad de siempre", como en la oscuridad del fondo de la tierra, o la oscuridad del vientre de tu madre, por ejemplo, no para vivir, sino para morir infinitamente en tu pecado. Y nuestro "Dios no desea que sigas perdido" en tus profundas tinieblas del pasado o de la muerte eterna de tu coraz&#65533;n y de tu alma viviente, sino que "regreses a la luz" que, en su gran d&#65533;a: "te vio vivir, por vez primera", como "vio la vida de Ad&#65533;n" santa, perfecta, feliz y pura, por ejemplo, "en el para&#65533;so".

Y as&#65533; no vuelvas jam&#65533;s, ni ninguno de los tuyos, en sus millares, en todos los lugares de la tierra, "ha alejarte de tu Dios y de su gran verdad y justicia infinita", su Hijo amado, &#65533;el Se&#65533;or Jesucristo! Porque "el alejarse de Dios es alejarse del &#65533;rbol de la vida", o viceversa, "alejarse del &#65533;rbol de la vida es vivir ciego y lejos de la verdad y de la justicia infinita" de tu Dios y Creador de tu alma eterna, en

esta vida y en la venidera, tambi&#65533;n, eternamente y para siempre.

LA JUSTICIA ENGRANDECE EL CIELO Y AS&#65533; TAMBI&#65533;N LAS NACIONES

La justicia "engrandece a la naci&#65533;n" hasta lo sumo delante de Dios, pero "el pecado es afrenta" para los pueblos y "hasta la muerte m&#65533;s cruel posible", en la tierra y en el m&#65533;s all&#65533;, como el mismo fuego eterno del infierno y del lago de fuego, tambi&#65533;n, por ejemplo. Y esta justicia de Dios "no es una justicia cualquiera", sino la que s&#65533;lo puede provenir del cielo, como del mismo Se&#65533;or Jesucristo a tu coraz&#65533;n, a tu alma y a toda tu vida, de hoy en d&#65533;a y del futuro, por ejemplo.

Porque todo lo que somos, y hemos de ser infinitamente, "si permanecemos fieles a Dios" y a su nombre santo, en nuestros corazones y en nuestras vidas, es, ni m&#65533;s ni menos el mismo Se&#65533;or Jesucristo de siempre, en cada uno de nosotros, en el para&#65533;so, en la tierra y as&#65533; tambi&#65533;n en el nuevo reino celestial. Y somos de Jesucristo, porque "de &#65533;l hemos salido para vivir la vida" gloriosa y sumamente honrada de nuestro Padre Celestial, en el para&#65533;so primero y as&#65533; tambi&#65533;n en la tierra, para posteriormente "entrar por fin": a vivir su gloria y su paz infinita, en su nuevo reino celestial, como en La Nueva Jerusal&#65533;n Santa y Perfecta del cielo.

Y "esto es justicia para Dios" para con cada uno de nosotros, en nuestros millares, en todos los lugares de la tierra, de que "vivamos infinitamente en &#65533;l" y m&#65533;s "no muramos en Lucifer", jam&#65533;s. Y "si hemos de vivir", entonces "ha de ser por el mismo fruto de vida eterna", el cual nuestro Dios mismo (y no un &#65533;ngel del cielo) le lleva en su d&#65533;a, por el camino, de la verdad, de la vida y de la justicia eterna del para&#65533;so y de toda la tierra, tambi&#65533;n, su Hijo amado, &#65533;el Se&#65533;or Jesucristo!

Y nuestro Padre Celestial "le ofreci&#65533;" comer y beber de su &#65533;rbol de vida eterna a Ad&#65533;n y a cada uno de sus descendientes tambi&#65533;n, "porque era lo justo" en el para&#65533;so y as&#65533; tambi&#65533;n, hoy en d&#65533;a, en todos los lugares de la tierra, como en un momento como hoy mismo en tu vida, por ejemplo, mi estimado hermano. Y si nuestro Dios "te habla en su justicia" y, a la vez, "te ofrece comer" del fruto del &#65533;rbol de la vida, entonces "no se lo rechaces", jam&#65533;s, para que no peques como Ad&#65533;n y Eva, y causes m&#65533;s mal no s&#65533;lo a tu vida, sino a muchos, tambi&#65533;n. En realidad, este mal proceder de tu vida en contra de la voluntad perfecta de Dios para tu vida y su gran rey Mes&#65533;as, no seria jam&#65533;s verdad y justicia para tu vida, ni para la de nadie, jam&#65533;s.

Recuerda una vez m&#65533;s, "antes de volver a pecar" ante Dios y ante su &#65533;rbol de la vida eterna. No se lo rechaces como Ad&#65533;n y Eva lo hicieron en sus d&#65533;as, por error y por enga&#65533;o, por ejemplo, de la mentira mortal del enemigo eterno, Lucifer, sino haz todo lo contrario, para bien de tu alma y de tus nuevos d&#65533;as largos y eternos aun porvenir, en tu futuro celestial de la tierra y, por supuesto, del cielo. Es decir, que tienes que "aceptarla, consentirla, admitirla", en tu coraz&#65533;n y en tu vida, tambi&#65533;n, para que comience hacer todas esas obras sobrenaturales en tu alma viviente, con el fin de que sanes de tus males y as&#65533; puedas "comenzar a crecer": espiritualmente, corporalmente y psicol&#65533;gicamente, delante de Dios y de su Esp&#65533;ritu Santo, tambi&#65533;n, para una vida mejor.

Pues nuestro Dios nos ha creado "en su justicia divina" para darnos siempre de &#65533;l y m&#65533;s no de nadie m&#65533;s; y esto es, de realmente "darnos d&#65533;a y noche" de su coraz&#65533;n, de su esp&#65533;ritu, de su alma y de su misma vida santa e infinitamente gloriosa, llena por siempre de sus muchas y honrosas bendiciones, del cielo. Adem&#65533;s, es justicia y, a la vez, correcto de nuestro Dios de siempre "darnos de su Jesucristo" d&#65533;a y noche y por siempre en nuestras vidas en la tierra, y as&#65533; tambi&#65533;n en el m&#65533;s all&#65533;, en nuestras nuevas vidas celestiales del para&#65533;so y del nuevo reino venidero, para que "crezcamos" con el prop&#65533;sito de conocerle aun m&#65533;s que antes. Porque la comida y bebida de Dios te hace crecer infinitamente, espiritualmente hablando, para que conozcas por siempre su voluntad perfecta para con tu vida infinita, su justicia y su verdad inmortal, su Hijo amado, el gran rey Mes&#65533;as de todos los tiempos.

Por deducci&#65533;n, "la justicia de nuestro Dios" para con sus &#65533;ngeles del cielo y as&#65533; tambi&#65533;n para con cada hombre, mujer, ni&#65533;o y ni&#65533;a de toda la tierra, comenzando con Ad&#65533;n y Eva en el para&#65533;so, por ejemplo, "es para siempre", para la nueva eternidad venidera de la tierra y del m&#65533;s all&#65533;, tambi&#65533;n. Es decir, que la justicia del coraz&#65533;n de nuestro Dios "no tiene principio ni fin" tampoco en &#65533;l, ni en ninguno de sus seres creados, como &#65533;ngeles del cielo y as&#65533; tambi&#65533;n como cada ser viviente de la humanidad entera, comenzando con Ad&#65533;n primero, en el para&#65533;so, por supuesto, en sus primeros d&#65533;as de vida y de gloria celestial.

Y nuestro Dios comenz&#65533; "a manifestar de su justicia" primero con Ad&#65533;n, como en el d&#65533;a que le ofreci&#65533; comer del fruto del &#65533;rbol de la vida, porque &#65533;l fue "su primer obra" de sus manos santas en el para&#65533;so y, hoy en d&#65533;a, en toda la tierra, tambi&#65533;n, "s&#65533;lo por medio" de la fe, de su Hijo, &#65533;el Mes&#65533;as! Es por eso, que la justicia de nuestro Dios "ha esperado pacientemente" por cada uno de nosotros, desde mucho antes que fu&#65533;semos creados en las manos de Dios, para "llevar su imagen y vivir infinitamente" seg&#65533;n su semejanza celestial,

en el para&#65533;so, en la tierra y posteriormente en su nueva vida celestial del nuevo reino venidero, por ejemplo.

Por lo tanto, "es justo" para nuestro Dios que nosotros "tengamos" todo lo que necesitemos en nuestras vidas, por amor infinito y por justicia propia, porque nuestro Dios "no nos creo" en sus manos santas "para sufrir necesidades" de ninguna naturaleza, en el para&#65533;so, en la tierra, ni menos en el nuevo m&#65533;s all&#65533; venidero, sino todo lo contrario. Ciertamente, nuestro Dios "nos ha sacado" del fondo de la tierra y de sus profundas tinieblas con sus manos santas, "para que gocemos" de su vida infinita y de su felicidad eterna, la de su Hijo amado, &#65533;el &#65533;rbol de la vida y de salud eterna del cielo, de la tierra y del nuevo reino celestial!

Es por eso, que nuestro Dios "nos ha dado lo mejor de su vida personal" y as&#65533; tambi&#65533;n "lo mejor de la vida misma" sumamente honrada e infinitamente gloriosa de su &#65533;rbol de vida eterna, su Hijo amado, &#65533;el Se&#65533;or Jesucristo! Y esto es algo que Dios "jam&#65533;s ha hecho con ning&#65533;n &#65533;ngel del cielo", desde los d&#65533;as de la antig&#65533;edad y hasta nuestros d&#65533;as, por ejemplo, "salvo con el hombre" de toda la tierra, como hoy en d&#65533;a contigo, mi estimado hermano y mi estimada hermana. Y nuestro Dios obra as&#65533; contigo, por amor a su verdad y a su justicia infinita viviendo en tu coraz&#65533;n, el Se&#65533;or Jesucristo.

Y "como demostraci&#65533;n" de que nuestro Dios "nos ha dado" su vida santa y gloriosa de su coraz&#65533;n y del nuevo reino celestial, entonces el Se&#65533;or Jesucristo "no escatimo su propia vida", cuando caminaba diariamente por las calles de las ciudades de Israel, hablando del amor de Dios a los que ten&#65533;an sed, de justicia y de su verdad eterna. Ni menos "huyo del fuego ardiente", de los &#65533;rboles cruzados de Ad&#65533;n y Eva, sobre la cima de la roca eterna, en las afueras de Jerusal&#65533;n, sino que "enfrento" a la muerte del alma del hombre, "como un buen soldado" del reino de los cielos, para "alcanzar glorias y vida eterna", para la nueva vida de su nueva humanidad celestial.

"Matando", al mismo tiempo, "al &#65533;ngel de la muerte", y a cada una de sus huestes infernales del bajo mundo de los esp&#65533;ritus y almas perdidas, "con su propia vida santa" e infinitamente pura, "de acuerdo a la Ley" de Dios y de Mois&#65533;s, por ejemplo, "completamente satisfecha" y sumamente honrada, "en su coraz&#65533;n y en su sangre sobrenatural", tambi&#65533;n. Es decir, que "la Ley de Dios ha triunfado" gloriosamente "sobre el pecado, 'sus maldiciones' y su muerte eterna", en la tierra, en el infierno y en el lago de fuego, tambi&#65533;n, "para bien de Ad&#65533;n" y cada uno de sus descendientes, en todos los lugares de la tierra, desde la antig&#65533;edad y hasta nuestros d&#65533;as, por

ejemplo.

Y es precisamente "�sta justicia" del m�s all�, la cual "ninguno de nosotros pod�a alcanzar jam�s" en nuestros corazones, en nuestros esp�ritus, en nuestras almas y en nuestras vidas infinitas "hasta que el Se�or Jesucristo llega a Israel" y, a la vez, como hoy en d�a "a nuestras vidas, tambi�n", por el poder del Esp�ritu Santo y la palabra viva. Porque sin el Se�or Jesucristo "entonces Israel no pod�a tener justicia", ni menos ninguna naci�n de toda la tierra; es m�s, todos estaban "viviendo en las profundas tinieblas" de siempre "hasta 'la aparici�n del Se�or Jesucristo' y de su palabra viva", sobrenatural, todopoderosa y muy milagrosa, e infinitamente llena de vida y de salud eterna, para el alma del hombre.

Es por eso, que "s�lo el Se�or Jesucristo", delante de Dios y de su Esp�ritu Santo, "es la justicia salvadora del alma viviente" del hombre de toda la tierra, hoy en d�a y como siempre en la eternidad venidera, del nuevo reino de los cielos. Y "sin la justicia manifestada" a nuestras vidas de Dios y de su Hijo amado, el Se�or Jesucristo, entonces "el enemigo eterno" de nuestras vidas, "como Lucifer", por ejemplo, "pod�a" muy bien "continuar arrebat�ndonos" todas las cosas, de las cuales "legalmente nos pertenece" a nosotros, para "destruir nuestras vidas y nuestra fe", en Dios y en el Se�or Jesucristo.

Y "esto es muerte eterna", desde ahora para cualquier hombre, mujer, ni�o o ni�a de la humanidad entera; de hecho, "esto es un mal" terriblemente peligroso "no conocer al Se�or Jesucristo", para "la existencia de toda vida humana", en el para�so y en toda la tierra. Por lo tanto, "es justicia eterna", en contra de todos los males del enemigo, grandes y peque�os, cuantiosos o no, "para el coraz�n del hombre" delante de Dios y de su Esp�ritu Santo "invocar, 'conocer y profesar' el nombre sagrado del Se�or Jesucristo", para bendici�n, protecci�n, sanidad y sobre todas las cosas, "salvaci�n infinita".

Porque el Se�or Jesucristo "ha descendido del cielo" con "la justicia celestial de nuestro Padre Celestial" y de su vida sumamente santa y honrada del para�so; pero Lucifer "ha entrado al mundo", para "mentir, robar, matar y destruir" todo lo que es vida y de Dios en el coraz�n, en el alma y en la vida de la humanidad entera. Es por eso, que "sin el Se�or Jesucristo en nuestras vidas", entonces "Lucifer" y cada uno de sus seguidores fieles "tiene poder" (y la puerta bien abierta) "para seguir minti�ndonos, rob�ndonos, mat�ndonos y destruy�ndonos", hasta "que no quede nada de nada" de

nosotros en toda la tierra, como en el para�so, por ejemplo, con Ad�n y Eva.

BENDITOS POR DIOS SON LOS QUE TIENEN HAMBRE Y SED DEL �RBOL DE LA VIDA

Dichosos los que tienen "hambre y pasi�n por la justicia y la verdad salvadora de Dios", porque "ellos ser�n saciados por el SE�OR". Estos son de los que tienen "hambre y anhelo de vivir la vida" gloriosa y sumamente honrada de su Creador y de su �rbol de vida, el Se�or Jesucristo, libres de los males del pecado; es decir, que "ellos claman en sus esp�ritus", en sus corazones y en sus almas eternas, por "la llenura celestial del Mes�as" en sus vidas.

Esto "es justicia del coraz�n y del alma eterna" del hombre, "s�lo posible en la verdad y en la vida sagrada" de su �rbol de vida eterna, �el Se�or Jesucristo! De hecho, esto es el Esp�ritu de Dios "obrando en sus vidas", para que "comiencen a sentir" la bendici�n de Dios, la cual "los llena de la verdad, la vida y la santidad y de la felicidad celestial" de Dios y de su Hijo amado, �el Se�or Jesucristo!

Porque es el Esp�ritu de Dios "quien nos hace sentir 'el deseo' de justicia y de la verdad viviente" del coraz�n y del alma gloriosa, de nuestro Padre Celestial que est� en los cielos; pues de otra manera, "no somos felices jam�s", en el cielo, ni menos en la tierra, "sin el sentir del SE�OR" en nuestras vidas. Y cuando el Esp�ritu de Dios "comienza a obrar en nuestras vidas", en sus diferentes formas, como lo suele hacer, entonces "esto significa que Dios nos est� llamando", para que nos levantemos hacia �l y dejemos atr�s las tinieblas de siempre, las cuales "nos llevan d�a y noche hacia la destrucci�n eterna", del fuego del infierno, en el m�s all�.

En la medida en que, "cada tiniebla" del enemigo "es una distancia larga de recobrar", desde nuestros corazones y hacia nuestro �rbol de vida eterna, �el Se�or Jesucristo! Es por esta raz�n, que desde el comienzo de todas las cosas, en el reino de los cielos y en toda la tierra, tambi�n, nuestro Padre Celestial "envi� a su Esp�ritu Santo primero", para subyugar todas las profundas tinieblas del m�s all�, "sobre toda la faz de la tierra y hasta 'levantar al hombre' del subsuelo", con mucho poder celestial.

Entonces "s�lo el poder sobrenatural" del Esp�ritu Santo y as� tambi�n del Se�or Jesucristo "pod�an realmente levantar" al hombre del subsuelo de la tierra, "como en el d�a que el Esp�ritu de Dios tuvo" que entrar en el vientre virgen de la hija de David, para que a los nueve meses entonces "darnos

vida eterna", ¡el Mes¡as! Ya que, "s¡lo el Mes¡as es la vida eterna" del para¡so y de todo ser creado en toda la creaci¡n de Dios "incluyendo primordialmente al hombre", en toda la tierra, de nuestros d¡as y de siempre, en la nueva eternidad venidera.

Entonces "¡ste mismo Esp¡ritu Santo" de Dios posteriormente "tuvo que levantar al Se¡or Jesucristo" desde el centro de la tierra "como en el d¡a que levanto al hombre perdido" de las mismas tinieblas de la tierra, para que "las manos de Dios lo formase en su imagen y conforme a su semejanza celestial e infinita de su nueva vida eterna". Y nuestro Padre Celestial "hizo todas estas cosas" en el principio, y con su Esp¡ritu Santo, tambi¡n, "para no s¡lo levantar al hombre" de su condici¡n espiritual de perdici¡n eterna, del bajo mundo de los muertos, sino tambi¡n "para llenarlo de su verdad y de su justicia infinita" de su nueva vida venidera, para su nuevo reino celestial.

Porque nuestro Dios "busca un nuevo reino celestial" desde la antig¡edad, no en los ¡ngeles del cielo, sino "en la vida de cada hombre, mujer, ni¡o y ni¡a de la humanidad entera", de los cuales ¡l mismo los "ha formado en sus manos santas", para "este gran prop¡sito venidero" de su nueva vida celestial, sea entonces "una realidad infinita". Y nuestro Dios "los levanto del mismo polvo" de la muerte eterna, de las mismas profundas tinieblas del coraz¡n perdido de Lucifer, "no para que sean de sus enemigos", como Lucifer, por ejemplo, sino que sean "para su nueva vida infinita", la cual ha salido ya de su ¡rbol de vida para la eternidad, su Hijo amado, ¡el Se¡or Jesucristo! Entonces tanto el hombre y como Jesucristo fueron levantados por Dios y por su Esp¡ritu para la vida y de las mismas profundas tinieblas de siempre, la ¡nica diferencia de entre los dos, fue que Ad¡n peca y Jesucristo no; as¡ Dios comenz¡ su nueva vida infinita, en la resurrecci¡n no del pecador, sino del Mes¡as fiel, su Hijo amado.

Porque por "esta justicia infinita" de su Hijo, fue la raz¡n por la cual "Dios comenz¡ a amar al hombre en su coraz¡n", para "redimir su alma" del mal del enemigo en el m¡s all¡, en toda la tierra y para posteriormente "entregarle su nueva vida celestial", sin jam¡s escatimar nada de ella hacia su nueva vida celestial e infinita. Y ¡sta nueva vida celestial, "es la que jam¡s conocer¡ el pecado", ni ninguno de sus males en su "nuevo cuerpo glorificado", el cual recibir¡ del mismo ¡rbol Viviente, para poder entrar al cielo y vivir su vida angelical, por la cual Dios lo llamo en el comienzo de todas las cosas, por inicio, desde las tinieblas de la tierra.

Ni tampoco esta nueva vida celestial del hombre "ha de conocer jam&#65533;s el fin de sus d&#65533;as", en la tierra "ni menos en el nuevo reino de los cielos", como en La Nueva Jerusal&#65533;n Celestial e Infinita del cielo, por ejemplo, sino todo lo contrario. Esta vida del hombre "s&#65533;lo conocer&#65533; a su Dios y a su gran rey Mes&#65533;as", en "los poderes sobrenaturales de la vida misma gloriosa y sumamente honrada de su Esp&#65533;ritu Santo, para s&#65533;lo ser feliz y gozar la vida eterna, en su coraz&#65533;n y en su alma, por ejemplo, desde ya en la tierra para regresar luego al para&#65533;so pronto".

Fue por esta raz&#65533;n, que nuestro Dios "envi&#65533; primero a su Esp&#65533;ritu Santo", para que subyugue a cada una de las profundas tinieblas del m&#65533;s all&#65533;, "sobre toda la faz de la tierra", con el prop&#65533;sito de "redimir, al hombre y a la mujer de sus males eternos", s&#65533;lo posible "por su justicia sin igual e infinita", &#65533;el Se&#65533;or Jesucristo! Y nuestro Dios "fue infinitamente bueno" para con cada uno de nosotros, porque "aun estando muertos" entre las profundas tinieblas del m&#65533;s all&#65533; del coraz&#65533;n de la tierra, entonces "oy&#65533; nuestro clamor" personal: por la verdad y por la llenura de su esp&#65533;ritu de justicia eterna en nuestras vidas, para que "nos levantemos de nuestra muerte", y veamos la vida.

En otras palabras, "quien realmente despert&#65533;" este deseo "de ayudarnos y de levantarnos" con sus mismas manos santas, de nuestra condici&#65533;n espiritual de perdici&#65533;n eterna, de entre la profundidad de la tierra, "fuimos nosotros mismos", "al clamarle" a &#65533;l "por su verdad y por su justicia redentora" y todopoderosa tambi&#65533;n, s&#65533;lo posible en su &#65533;rbol de vida eterna, &#65533;su Jesucristo! Porque "esta era la &#65533;nica manera", por la cual nuestro Dios "nos pod&#65533;a redimir" de los males del m&#65533;s all&#65533;, para "posteriormente entrar a vivir con &#65533;l" y as&#65533; a gozar de los frutos de su &#65533;rbol de vida, su gran rey Mes&#65533;as, la nueva vida celestial e infinita del &#65533;ngel del cielo y as&#65533; tambi&#65533;n de la humanidad entera.

Es decir, tambi&#65533;n, "que &#65533;ramos nosotros mismos quienes clamaban" d&#65533;a y noche al cielo a trav&#65533;s de los siglos, para que nuestro Dios "nos rescatase" con su Esp&#65533;ritu Santo y con la vida misma de su Hijo amado, el Se&#65533;or Jesucristo, de los males de las profundas tinieblas de Lucifer en toda la tierra. Y entonces llego el d&#65533;a, cuando nuestro Dios le dijo a su Esp&#65533;ritu "descendamos a la tierra", para "formar al hombre en nuestra imagen y conforme a nuestra semejanza", en el &#65533;rbol de la vida eterna, para que el hombre "ya no conozca las tinieblas" del mal, sino "la luz de su nueva vida", por la cual clama a mi.

Y desde el d&#65533;a que nuestro Dios "nos libero de los males" del m&#65533;s all&#65533;, como de las profundas tinieblas del coraz&#65533;n de la

tierra y del coraz&#65533;n de Lucifer, "entonces nos olvidamos de todo" lo que Dios hab&#65533;a hecho por nosotros, en los poderes sobrenaturales de su Esp&#65533;ritu Santo y de su &#65533;rbol de la vida eterna del para&#65533;so. Y es aqu&#65533; "cuando Lucifer se aprovecha del descuido" de Ad&#65533;n y de Eva "para intentar enga&#65533;arlos" y as&#65533; "robarles sus vidas infinitas del para&#65533;so", con todos sus derechos de santidad y de justicia celestial de Dios y de su Esp&#65533;ritu Santo, "para que jam&#65533;s conozcan" a su salvador celestial, &#65533;el Se&#65533;or Jesucristo!

Pero aunque Lucifer "logro hacer de las suyas" en el para&#65533;so y as&#65533; tambi&#65533;n en la vida de muchos en todos los lugares de la tierra, "nuestro Dios tiene la victoria final" sobre &#65533;l y sobre cada una de sus maldades, "en los poderes sobrenaturales de su Hijo amado", &#65533;el Se&#65533;or Jesucristo! Por lo tanto, "benditos han de ser por siempre" por nuestro Padre Celestial, por su Esp&#65533;ritu Santo y por su Jesucristo, "para que con los que 'tienen hambre y sed de justicia' y de vida eterna", en la tierra y en el para&#65533;so, tambi&#65533;n, desde hoy mismo y para siempre en la eternidad venidera, del nuevo reino de los cielos.

EL REINO DE DIOS ES VERDAD, PAZ Y JUSTICIA INFINITA

Es por esta raz&#65533;n, que el reino de los cielos "no es comida ni bebida" para &#65533;ngeles del cielo, ni para la humanidad entera del para&#65533;so, ni de la tierra, tampoco "sino justicia, paz, gozo y felicidad infinita", &#65533;nicamente "en el Esp&#65533;ritu Santo de Dios y en el fruto de vida eterna" de su Hijo amado, &#65533;el Se&#65533;or Jesucristo! Por lo tanto, nosotros "estamos llamados", por nuestro Creador y Padre Celestial de nuestras almas infinita, "ha creer en la verdad y en la justicia celestial" de su Hijo amado "para entonces vivir la vida eterna", desde ahora mismo en todos los lugares de la tierra, mucho antes de regresar al para&#65533;so.

Ya que, todos los que deseen vivir en sus vidas celestiales del m&#65533;s all&#65533;, "entonces tienen que vivir en la verdad y en la justicia eterna" del &#65533;rbol de la vida, el Se&#65533;or Jesucristo; y si no "han de morir infinitamente" en sus pecados eternos, por los cuales "no hay salvaci&#65533;n alguna", &#65533;salvo en invocar y creer en el Mes&#65533;as! Porque todo pecado del hombre "es injusticia inmoral" y, es, a la vez, "eterna tambi&#65533;n", para mal de su alma, en esta vida y en el m&#65533;s all&#65533;, para siempre.

Fue por esta raz&#65533;n, de que Dios "llamo a Ad&#65533;n a comer y beber del fruto de la vida" y de todos los &#65533;rboles del para&#65533;so, pero "jam&#65533;s del &#65533;rbol de la ciencia" del bien y del mal "para que su coraz&#65533;n no sufra y su alma no muera nunca", en el para&#65533;so y en todo el reino celestial. Porque "s&#65533;lo en el fruto del &#65533;rbol de la vida hay verdad y hay justicia", para

todo ser creado del cielo y de toda la tierra, tambi�n, "y m�s no en el fruto del �rbol prohibido", prohibido tajantemente al hombre por Dios y por su justicia eterna, de la vida santa del para�so y del nuevo reino celestial, por ejemplo.

Es por eso, que "cuando Dios hablaba con Ad�n", entonces "Dios mismo se dio cuenta" de que en el coraz�n de Ad�n "faltaba el conocimiento de la verdad y de la justicia celestial de su Hijo amado", para seguir viviendo "y as� crecer espiritualmente hacia �l y hacia su nueva vida celestial", del nuevo reino venidero del cielo. Y "sin la verdad y la justicia del Se�or Jesucristo viviendo" en el coraz�n del hombre, entonces nuestro Dios "no puede tener ninguna comunicaci�n alguna", con �l ni con ninguno de los suyos, tampoco, eternamente para siempre.

Adem�s, "Dios decidi� llevar" a Ad�n, por "el camino de la verdad y de la justicia eterna de su Hijo amado" y de toda vida del reino de los cielos, para que "su coraz�n conociese a su Dios y Creador de su vida", al "tan s�lo comer y beber de su Hijo", desde aquel momento y para la eternidad. Y "esto fue algo que Ad�n ni Eva jam�s entendieron" en sus corazones y en sus esp�ritus humanos, y "s�lo hasta que fue demasiado tarde" para ellos y para sus descendientes, por ejemplo, en el para�so y en la tierra, tambi�n (como ha sucedido diariamente con mucha gente a trav�s de los tiempos y hasta nuestros d�as, por ejemplo).

En vista de que, la nueva vida del nuevo reino de los cielos, "s�lo se vive en la verdad y en la justicia sobrenatural de su Hijo amado", �el Se�or Jesucristo! Y "sin esta verdad y justicia celestial de Dios y del Se�or Jesucristo", entonces "no es posible la vida de ning�n �ngel del cielo", ni mucho menos "de ning�n hombre o mujer del para�so" o de la tierra, de nuestros d�as y de siempre, por ejemplo. En verdad, todo ser que deber�a estar vivo, entonces estar� muerto, porque el SE�OR no es parte de su vida (o no vive en su coraz�n), "para cumplir toda verdad y toda justicia celestial", salvadora e infinita para su alma viviente, en la tierra y en el para�so, tambi�n.

Por ello, hoy en d�a m�s que nunca "necesitas la verdad y la justicia salvadora" para tu alma infinita, mi estimado hermano y mi estimada hermana "para que te alejes de las profundas tinieblas", como de las que te han estado haciendo da�o en tu vida y as� puedas ver claramente, "en la luz de Cristo": tu �nica vida eterna. Y esta vida eterna "no la puedes perder jam�s", como Ad�n perdi� la suya, o como perder�s tu misma vida terrenal alg�n d�a no muy lejano, a

causa del pecado o de la muerte de Lucifer o del Ángel de la muerte, en el infierno, por ejemplo.

"No debes perder jamás" la vida del Señor Jesucristo (o Mesías) en ti, por ninguna mentira (religiosa o no) de Lucifer, ni por ninguna razón de los labios pecadores y pecadoras de toda la tierra, del ayer, de hoy y de siempre. Porque "esta vida eterna" de Dios y de su Espíritu Santo "ha sido creada para ti", "sólo por medio del fruto del árbol de la vida", su Hijo amado, el gran rey Mesías de todos los tiempos.

Además, esta vida nueva "es tan gloriosa y tan honrosa", la cual "no se puede comparar a nada por más glorioso que sea en todo su esplendor infinito del reino de los cielos", salvo a nuestro Dios mismo y a su Hijo amado, por ejemplo, en el poder sobrenatural de la santidad infinita de su Espíritu Santo. Por ende, "tú necesitas" de Dios y de su Jesucristo para seguir viviendo en la tierra y así también posteriormente en tu nueva vida del paraíso y del nuevo reino inmortal, como La Nueva Jerusalén Santa e Infinita del cielo, por ejemplo, en donde "sólo veras todo por la luz de Cristo", en todos los días de tu vida eterna. (Porque hoy en día, así como Adán y Eva, tú mismo y muchos "ven sus vidas por medio del espíritu de error" y de gran decepción y maldad infinita de Lucifer y de la serpiente antigua del Edén, por ejemplo; y nuestro Dios ha cambiado todo este mal terrible en tu vida, por amor a nuestro salvador Jesucristo.)

Por esta razón, nuestro Dios te llama desde siempre, desde los primeros pasos del hombre en el paraíso y por toda la tierra, también, a que veas tu vida sólo por medio de su fruto de vida eterna, su Hijo amado, ¡el Señor Jesucristo! De otra manera, "no podrás" realmente jamás "tener luz" en tu vida "para ver la vida eterna", por la cual Dios te creo en sus manos santas, en el comienzo de todas las cosas, en el más allá, sino que "seguirás viviendo en tus profundas tinieblas de siempre", de la perdición eterna del infierno y del lago de fuego, también.

Y "de sólo ver nuestro Dios" que "tú caminas hacia este terrible destino" de tu vida día y noche y sin parar, del cual "jamás podrás escapar", entonces "él sufre igual" como "su Hijo amado sufrió por ti" (cuando entregaba su sangre santa y toda su vida para redimirte de los males eternos de Lucifer y del más allá, también). Por lo tanto, nuestro Dios "no ha creado", en su verdad y en su justicia celestial, "el fuego eterno" del infierno o del lago de fuego, por ejemplo, "para el alma preciosa" del hombre "sino para Lucifer y para sus espíritus rebeldes" a él y a su fruto de vida eterna, su

Hijo amado, ¡el Se¡or Jesucristo!

Porque "tanto Lucifer", como cada uno de sus ¡ngeles ca¡dos, en los corazones de los pecadores y pecadoras del mundo eterno, desde la antig¡edad y hasta nuestros d¡as, "es infinitamente rebelde a Dios y a su fruto de vida eterna", ¡ el Se¡or Jesucristo! Es por eso, que nuestro Dios "te ha estado llamando" todos estos tiempos "por los poderes sobrenaturales de su Esp¡ritu de verdad y de su justicia eterna" de su ¡rbol de vida "para que conozcas su amor y sus muchas buenas promesas de vida y de bendiciones infinitas", para tu alma viviente, en esta vida y en la venidera, tambi¡n.

Entonces sin m¡s esperar "afi¡rrate a la verdad y justicia celestial" de tu Creador y de tu salvador eterno, su Hijo amado, "el gran rey Mes¡as de tu rectitud infinita", para que "vivas" y as¡ jam¡s tengas que morir en esta vida, ni en el m¡s all¡, tampoco, para siempre. Y s¡lo as¡ "t¡ mismo", mi estimado hermano y mi estimada hermana, "veras la vida eterna", en "la justicia, en la gloria, en la paz, en la verdad" de nuestro Dios y de su ¡rbol de vida infinita, en la tierra y as¡ tambi¡n en el nuevo reino celestial, como en La Nueva Jerusal¡n Santa e Infinita del cielo.

LOS ENTENDIDOS DE DIOS POR JESUCRISTO SON LUZ DEL NUEVO REINO

Por lo tanto, "los que aman a su Dios" por Jesucristo "entonces son los entendidos" que resplandecer¡n con el resplandor del firmamento en la luz de su Esp¡ritu, para gloria infinita del nombre de su Hijo, el ¡rbol de la vida; y los que "ense¡an justicia a sus pueblos", como las estrellas "brillaran en su rectitud celestial", para la eternidad.
Ellos son "la luz del nuevo cielo" de Dios y de sus huestes celestiales; pues, "han de vivir infinitamente 'una vida mucho m¡s gloriosa' y honrada" que la de los ¡ngeles del cielo, por ejemplo, porque ¡nicamente "el fruto de la vida eterna (y no ¡dolos) es parte de sus corazones" y de sus vidas, en la nueva eternidad celestial.

Entonces, "ellos son los escogidos de Dios", "para amar y servir su nombre santo" por los siglos de los siglos, no s¡lo en sus corazones, sino tambi¡n "con cada uno de sus hermanos y hermanas de toda la tierra", es decir, de los que han recibido al Se¡or Jesucristo como su ¡nico y suficiente salvador de sus vidas infinitas. Y "uno de estos", en sus millares, en la tierra y as¡ tambi¡n en el nuevo reino celestial, de los que brillaran infinitamente en la justicia y verdad de Dios, y aun mucho m¡s que los ¡ngeles del cielo, "eres t¡ mismo", hoy en d¡a, "para vivir y gozar la vida eterna", mi estimado hermano y mi estimada hermana.

Realmente, "esta vida infinita es", no la que conoces hoy, sino la del Fundador de tu vida, en la tierra y en el m&#65533;s all&#65533;, tambi&#65533;n, como en su nuevo reino celestial, "la que no tendr&#65533; fin", porque la justicia de la presencia de Dios "jam&#65533;s dejara de ser", en tu coraz&#65533;n y en tu alma viviente, tambi&#65533;n. Y "has de resplandecer en tu coraz&#65533;n" d&#65533;a y noche delante de Dios y de sus huestes celestiales en la tierra y en el para&#65533;so, igual, "porque el Se&#65533;or Jesucristo vive en tu coraz&#65533;n", desde el momento que "cre&#65533;ste e invocaste" su nombre sagrado "para que borres tus tinieblas" y jam&#65533;s dej&#65533; de ser en ti, eternamente y para siempre.

Y, hoy en d&#65533;a, aunque no lo creas as&#65533;, "desde el momento que aceptaste en tu coraz&#65533;n el nombre salvador de tu vida eterna", el Se&#65533;or Jesucristo, "entonces los &#65533;ngeles ya no ven tinieblas en tu alma", sino "s&#65533;lo la luz m&#65533;s resplandeciente que el sol", para gloria y para honra eterna de nuestro Dios que est&#65533; en los cielos. Y as&#65533; como Dios, los &#65533;ngeles tambi&#65533;n "ven tu luz celestial", porque "el nombre del Se&#65533;or Jesucristo te ha liberado" de todos los males del m&#65533;s all&#65533;, para que "ya no vivas y camines por la tierra, en las tinieblas" de la muerte eterna, sino "en la luz de su &#65533;rbol de vida" eterna, &#65533;el Se&#65533;or Jesucristo!

Es decir, tambi&#65533;n, de que "si vives y caminas en la luz del &#65533;rbol de la vida", por tu andar por la tierra, entonces "los ojos de Lucifer y de sus &#65533;ngeles rebeldes ya no te seguir&#65533;n", sino "s&#65533;lo los ojos de Dios", de su Esp&#65533;ritu, de su Jesucristo y de sus huestes celestiales, "para ayudarte y bendecir tu vida". Y "ellos han de ayudarte y han de santificar tu vida" d&#65533;a y noche y por los siglos de los siglos, en la nueva eternidad venidera de Dios y de su nueva humanidad infinita, "porque tu luz 'es igual' a la de ellos", brillante y gloriosa, ni m&#65533;s ni menos, eternamente y para siempre.

Por lo tanto, ellos mismos "te ayudaran y te santificaran", con oraciones y con los poderes sobrenaturales del Esp&#65533;ritu Santo que vive en sus corazones, para que "crezcas por siempre, y no te falte nada jam&#65533;s, en el servicio glorioso de Dios y de su nombre santo e infinitamente glorioso, en tu coraz&#65533;n y en toda tu nueva vida celestial". Y s&#65533;lo entonces "conocer&#65533;s y entender&#65533;s" por siempre, en tu coraz&#65533;n y en tu alma viviente, tambi&#65533;n, "porque fue que Dios mismo te saco" en el comienzo de todas las cosas, desde el fondo de la tierra "para formarte en sus manos", en su imagen y conforme a su semejanza celestial e infinita, del nuevo reino venidero del cielo.

En verdad, en aquellos d&#65533;as, "veras lo que jam&#65533;s tus ojos vieron ni paso por tu mente", tampoco; pues, "entender&#65533;s lo

que jam&#65533;s tu coraz&#65533;n, ni tu mente pudieron entender, ni menos conocer", por culpa de la ceguera espiritual de las tinieblas del pasado, de las cuales viven en ti, porque "naciste en pecado", "y Cristo no era tu salvador". Y todo esto "ser&#65533; una realidad infinita" en tu vida, por la cual "fuiste creado en el principio", para que "jam&#65533;s dejes de amar a tu Dios y Creador de tu alma eterna" en la nueva eternidad venidera, de la nueva vida celestial e infinitamente de Dios y de su &#65533;rbol de vida, del nuevo reino de los cielos.

Ciertamente, "has de caminar diariamente en los poderes sobrenaturales de la luz de Dios, para que maravillas, milagros y prodigios terrenales y celestiales se manifiesten en tu coraz&#65533;n", aunque no lo sientas as&#65533;, para que muchas de las bendiciones que no recibiste en tu vida, por culpa del mal de Lucifer, "entonces entren en tu vida, como nunca antes". Y "Dios ha de ayudarte para bendecir tu vida", con los poderes sobrenaturales de su Esp&#65533;ritu y de sus frutos de vida y de salud del &#65533;rbol Viviente del para&#65533;so, "porque para esto Dios te ha llamado de las tinieblas" de la tierra "y en las cuales vives", hoy en d&#65533;a, "por falta de conocimiento del nombre del Se&#65533;or Jesucristo".

Adem&#65533;s, "nuestro Dios jam&#65533;s podr&#65533; hacer nada por ti", ni por ninguno de los tuyos tampoco, "si no caminas en su verdad y en su justicia celestial" de su fruto de vida eterna, &#65533;el Se&#65533;or Jesucristo! Igualmente, "jam&#65533;s podr&#65533;s ver, ni menos entender", nada de nada en tu vida, "por la presencia de las muchas tinieblas del pecado", las cuales "te siguen" d&#65533;a y noche "cegando tu coraz&#65533;n y todo tu esp&#65533;ritu humano", por donde quieras que vayas en toda la tierra y hasta que "te entreguen a tu muerte eterna" del mismo infierno.

Pero "lo que debes de entender aqu&#65533;", mi estimado hermano y mi estimada hermana, "es que nuestro Dios 'no te ha creado para la muerte', ni para la destrucci&#65533;n" de tu alma entre las llamas del infierno o del lago de fuego, (la muerte final de todo pecador), "sino todo lo contrario" a todo este mal terrible del m&#65533;s all&#65533;. En realidad, "nuestro Dios te ha creado" y, a la vez, "te ha formado en sus manos santas", en su imagen y conforme a su semejanza celestial, "para que goces de su misma vida eterna", ni m&#65533;s ni menos, "s&#65533;lo en los poderes sobrenaturales de la verdad y de la justicia infinita" de su fruto de vida eterna.

Porque la vida de nuestro Padre Celestial "est&#65533; llena de la verdad y justicia celestial de su Hijo amado", &#65533;el Se&#65533;or Jesucristo! Y as&#65533; tambi&#65533;n "cada &#65533;ngel del cielo vive" su vida infinita, "en la misma vida gloriosa de su Creador": por lo tanto, t&#65533; tambi&#65533;n "tienes que ser lleno de la verdad y de su

justicia infinita" de su árbol de vida eterna, ¡el Señor Jesucristo! Y sólo entonces entenderás por fin toda verdad y toda justicia de Dios en tu corazón para bien de tu vida y de los demás, también, en donde sea que te encuentres viviendo en todos los lugares de la tierra, por ejemplo, de hoy en día y de siempre.

Porque "esto es verdad y justicia infinita", de las cuales "edifican, sanan y salvan infinitamente el alma viviente" de cada hombre, mujer, niño y niña de la humanidad entera "sin abandonar la vida de ningún pecador o pecadora de toda la tierra, hoy en día ni jamás, en toda la vida de la tierra, de nuestros días y de siempre. Y esto debe de ser así contigo, desde hoy mismo, "con tan sólo creer en tu corazón y así confesar con tus labios", de que el Señor Jesucristo "es su Hijo amado", para cumplir toda justicia y verdad eterna de nuestro Padre Celestial y Fundador Infinito de tu nueva vida celestial, en la tierra y en la eternidad venidera.

¡Que reine la verdad y la justicia del Señor Jesucristo en tu corazón, para gloria y alegría infinita de nuestro Dios y Creador de nuestras almas infinitas, en la tierra y en el cielo, eternamente y para siempre!

Libro 165

RECTITUD:

Nuestro Señor Jesucristo es "el maestro de la rectitud" no sólo de los ángeles del reino de los cielos, sino también de cada hombre, mujer, niño y niña del paraíso y de toda la tierra, también, de nuestros días, desde los días de la antigüedad y hasta por siempre en la nueva eternidad venidera. Porque en el reino de los cielos, el Señor Jesucristo ha de seguir siendo "el estandarte de rectitud", amor, verdad, justicia y santidad infinita en el corazón y en la vida de cada uno de sus siervos y siervas, del paraíso y de la humanidad entera, eternamente y para siempre.

Y es aquí, para donde nuestro Dios te "crea" y, a la vez, te "llama" también, para que estés con Él y así entonces veas tu misma vida eterna, por la cual te formo en sus manos santas, en el día de tu creación y de todas tus cosas, también, en el paraíso y en la tierra, por ejemplo. Es por esta razón, que nuestro Padre Celestial siempre "deseo", que así como los ángeles poderosos en santidad y rectitud infinita de sus corazones y de sus espíritus infinitos, sea también para con sus hijos e hijas del paraíso y de la tierra (incluyendo a ti, mi estimado hermano y mi estimada hermana, ya que eres obra de sus manos).

Para que entonces cada uno de ellos, comenzando con Ad�n y Eva, por ejemplo, "llegue" a verle y a conocerle, tal como siempre ha sido (y ha de ser) a trav�s de los siglos y hasta por siempre, en la nueva vida celestial e infinita del nuevo mundo venidero del m�s all�, por ejemplo, como La Jerusal�n Gloriosa del Mes�as. Porque sin la rectitud del Se�or Jesucristo, entonces ning�n �ngel, como Lucifer y sus �ngeles rebeldes podr�n "jam�s ver, conocer o sentir" en sus vidas a su Dios, ni a su Esp�ritu Santo, para siempre.

Y esto es, realmente, profundas "tinieblas" del m�s all�, como del bajo mundo, en donde moran los esp�ritus rebeles y las almas perdidas y sin Cristo en sus corazones, en el Abismo, reservados cada uno de ellos para el juicio final de Dios y de todas sus cosas, en el cielo, por ejemplo. Por otra parte, lo mismo ha sido verdad, desde siempre, para todo pecador y para toda pecadora de toda la tierra, desde la antig�edad y hasta nuestros tiempos, tambi�n.

Es por esta raz�n, que nuestro Padre Celestial "lleva antes que nada" a Ad�n al pie del �rbol de la vida, su Hijo amado, �el gran rey Mes�as!, para que "conozca" su verdadera comida y su verdadera bebida de su coraz�n y de su alma infinita, para vivir la vida eterna del para�so. Y as� hace, nuestro Padre Celestial d�a y noche con cada coraz�n y con cada alma del hombre, mujer, ni�o y ni�a, descendientes de Ad�n, en todas las naciones del mundo entero, para "ofrecerles" sobre sus mesas: el fruto de vida eterna (la salvaci�n perfecta de sus vidas infinitas) en la tierra y en el para�so, tambi�n, para siempre.

Porque la rectitud del Mes�as era de suma importancia para el crecimiento espiritual, intelectual y corporal, tambi�n, para Ad�n y para cada uno de sus descendientes, en sus millares, de todas las razas, pueblos, linajes, tribus y reinos eternos, en el cielo y en toda la tierra, tambi�n, eternamente y para siempre. Y sin la rectitud del Se�or Jesucristo, entonces Dios no desea (o no pod�a) tener "ninguna relaci�n verdadera" entre Ad�n y sus criaturas, ya sean �ngeles del reino u hombres del para�so y de la humanidad entera, en toda su creaci�n.

Y �sta "rectitud" del �rbol de la vida estaba, ni m�s ni menos, en su fruto de vida y de salud eterna, su �nico Hijo amado, el gran rey Mes�as de todas las edades, en el m�s all� y en toda la tierra, tambi�n, de nuestros d�as y de siempre, por ejemplo. Es por eso, que nuestro Padre Celestial se la "ofreci�" a Ad�n primero, para que coma y beba de �l, en aquel momento y en todos los d�as de su vida para la eternidad, para que sus pasos sean por siempre "santos, rectos", delante de su presencia sagrada y en todos los

tiempos del reino de los cielos, por igual.

Pero Ad�n no llega a "entender" esta gran verdad espiritual y justa en su coraz�n, para mal de su vida y la de sus reto�os, en sus millares, en todos los lugares de la creaci�n de Dios, comenzando en el cielo, en donde "el pecado primero toma vida", en los �ngeles y luego en el hombre, para mal de muchos. Y aunque Ad�n no comi� y bebi� de su �rbol de vida eterna en el para�so, para que sus pasos sean justos y rectos todos los d�as de su vida delante de su presencia, ya sea en el cielo o en la tierra, entonces Dios aun as� "espera de �l" que sea justo y recto de coraz�n, delante de �l.

Entonces esa es la "fe infinita", de nuestro Dios, desde siempre, de que as� ha de ser con cada pecador del mundo entero, para que posteriormente se "reconcilie" con su verdad y justicia infinita, y regrese a su vida normal del para�so para que sea perfecto y recto en santidad delante de su Ley y de su nueva vida eternal. Porque el hombre de toda la tierra, despu�s de haber llevado acabo y dicho todo que haya de vivir, hacer y decir en su vida, entonces tiene que tener un "encuentro personal" con su Dios y Fundador de su vida, por medio de su �rbol de vida eterna, �el Se�or Jesucristo!, para reencontrarse con la felicidad celestial de su coraz�n. (Encuentro personal con Dios significa tener una relaci�n recta con el Se�or Jesucristo, tu �nico fruto de vida eterna, en el para�so, en la tierra y as� tambi�n en el nuevo reino celestial de Dios y de sus huestes angelicales.)

Adem�s, para que esto se cumpla en la vida del hombre, entonces Dios "envi�" a su Hijo amado al mundo, para que s�lo de �l aprendan: verdad, amor, justicia y rectitud en todas las cosas de su vida, para gloria y para honra infinita de su nombre santo, en la tierra y as� tambi�n en el nuevo reino venidero. Y, hoy en d�a, m�s que nunca el hombre "necesita" infinitamente: del esp�ritu de amor, verdad, justicia y rectitud del Se�or Jesucristo, para escapar cada uno de sus pecados delante de Dios y as� entonces poder ver la vida eterna, desde ya en la tierra, para posteriormente, en el d�a del SE�OR, entrar nuevamente al reino de su felicidad celestial.

En la medida en que, el reino de los cielos, as� como la tierra de nuestros d�as y de siempre, "no fue creado" para los �ngeles del cielo jam�s, aunque no lo creas as�, mi estimado hermano y mi estimada hermana, sino para Ad�n y para cada uno de sus hijos e hijas de todas las naciones de la tierra. Y es por esta raz�n, que hoy en d�a vives en la tierra tu vida delante de la Ley de Dios, s�lo por la gracia infinita de su �rbol de vida eterna, el Se�or Jesucristo,

para que muy pronto ya te encuentres de nuevo unido a tu Dios y a sus huestes celestiales del para&#65533;so. Porque la Ley de Dios mata (declara culpable) al pecador, por su culpa, por su pecado, por su ofensa a Dios y a su vida santa del reino celestial, pero el Se&#65533;or Jesucristo te protege de ella, por los poderes y autoridades sobrenaturales de su sangre y vida muy santa, para el cielo y para la tierra, tambi&#65533;n.

Entonces el hombre descendi&#65533; del para&#65533;so, as&#65533; como el Se&#65533;or Jesucristo posteriormente, pero con el pecado de las tinieblas en su coraz&#65533;n y en su sangre contaminada, para morir y reencontrarse con el mismo Se&#65533;or Jesucristo de siempre, sobre la cima de la roca eterna, pero esta vez clavado a &#65533;l, para que no evada al Se&#65533;or m&#65533;s, como antes. Y s&#65533;lo entonces Jesucristo pudo finalmente, no tanto por la fe de Ad&#65533;n, ya que lo hab&#65533;a rechazado en su primer error humano, para ahora darle "rectitud de amor", verdad, justicia y santidad infinita a &#65533;l y a todo aquel que ame a su Creador, con tan s&#65533;lo creer en su coraz&#65533;n y confesar con sus labios su nombre redentor.

Y "&#65533;ste nombre salvador" del hombre, en la tierra y as&#65533; tambi&#65533;n del para&#65533;so y del nuevo reino sempiterno, como La Nueva Jerusal&#65533;n Gloriosa del Mes&#65533;as, es, ni m&#65533;s ni menos, el mismo de ayer, de hoy y de siempre, su majestad de Israel y de la humanidad entera, el Cristo, el Hijo amado de Dios, &#65533;el Hijo de David! Porque s&#65533;lo el Se&#65533;or Jesucristo "cumpli&#65533; rectamente" con su nacimiento, con su vida, con su crucifixi&#65533;n: muerte y resurrecci&#65533;n en el Tercer D&#65533;a, cada una de las promesas y palabras de los profetas, en las escrituras de la antig&#65533;edad de Israel, para bien de muchos y gloria infinita de nuestro Dios y de su Esp&#65533;ritu Santo, en nuestras vidas.

NUESTRO DIOS AMA LA RECTITUD DE SU HIJO AMADO EN EL HOMBRE

Porque nuestro Padre Celestial es "sumamente justo" y, a la vez, "ama" de todo coraz&#65533;n, a los que con verdad y rectitud de esp&#65533;ritu de fe, "aman tambi&#65533;n" a su Hijo amado, el Se&#65533;or Jesucristo, en el para&#65533;so y en todos los lugares de la tierra. Por lo tanto, nuestro Padre Celestial desea que en la nueva vida infinita del nuevo reino de los cielos, entonces "los rectos 'contemplen' su rostro", infinitamente y para siempre, para que se gocen de su rectitud divina y as&#65533; crezcan en su luz y en su gloria eterna, para nunca m&#65533;s alejar de su Dios y de su hogar celeste.

Y &#65533;ste es un privilegio celestial de "ver y conocer" el rostro de nuestro Padre Celestial, el cual s&#65533;lo le pertenece a su Hijo amado, por inicio divino, &#65533;el gran rey Mes&#65533;as de todas las edades! Porque a trav&#65533;s de los siglos, "nadie

'pudo' contemplar" el rostro del SE�OR, ni los �ngeles perfectos, salvo �el Se�or Jesucristo!, por que s�lo �l es digno de tanta gloria y honra, en el cielo, en la tierra y en la nueva eternidad venidera, tambi�n. Es m�s, s�lo Jesucristo posee en s� mismo la santidad insuperable, para creer y ver a Dios infinitamente en nuestros corazones y en nuestras nuevas vidas eternales del cielo.

Y esta verdad siempre fue as�, a trav�s de los siglos, en el reino celestial: Dado que, el rostro sagrado de nuestro Dios es tan "santo", que ninguno de los �ngeles del cielo posee en si, tanta santidad y tanta pureza espiritual y de luz divina, como el Mes�as, para ver y conocer el rostro sagrado de nuestro Dios. Por esta raz�n, s�lo el Se�or Jesucristo conoce a Dios, y s�lo Dios conoce realmente al Se�or Jesucristo en su Esp�ritu Santo; por lo tanto, ning�n �ngel del cielo puede decir realmente que conoce a Dios, como �nicamente el Se�or Jesucristo le conoce, desde siempre.

Es por eso, tambi�n, que s�lo el Se�or Jesucristo "puede" darle de conocer a Dios al hombre de toda la tierra y m�s no los �ngeles del cielo, por ejemplo. Porque los �ngeles "no sabr�an" como empezar a manifestar a Dios, por su falta de santidad perfecta en cada uno de ellos y por falta de conocimiento de �l y de su deidad infinita, tambi�n; es m�s, sin Jesucristo en sus corazones, entonces los �ngeles, como los pecadores de la tierra, "no podr�an ver" a Dios, ni menos conocerle jam�s.

Ni menos ning�n �ngel del cielo "puede decir", realmente, que conoce al Se�or Jesucristo, como s�lo nuestro Padre Celestial le conoce a �l, en su pureza y en su santidad perfecta, de su esp�ritu y de su sangre viviente, desde los primeros d�as de la antig�edad y hasta nuestros tiempos, por ejemplo. Y "�ste privilegio" de conocer al Se�or Jesucristo, el Padre Celestial nos lo ha entregado a nosotros, tambi�n, si tan solamente "le amamos a �l", por medio del esp�ritu de fe, de su sangre del sacrificio del pacto eterno, el cual toma lugar en su d�a, en las afueras de Jerusal�n, en Israel, para el fin de la ceguera espiritual.

Puesto que, la ceguera espiritual del hombre y as� tambi�n de muchos �ngeles del cielo, es "profundamente grande" y nadie la pueda quitar del coraz�n (del hombre o de los �ngeles), si no es solamente por la fe viviente, de "creer" en el coraz�n y as� "invocar" con los labios: el nombre sagrado de nuestro salvador eterno, �el Se�or Jesucristo! Y el coraz�n del hombre "tiene que creer" en el Se�or Jesucristo, por inicio propio, como los �ngeles del cielo, y as� tambi�n invocar su nombre santo, porque s�lo el Se�or Jesucristo es "la luz" del

cielo para destruir cada una de "las tinieblas" del coraz&#65533;n malvado de Lucifer y de sus seguidores, en toda la creaci&#65533;n de Dios.

Porque en el d&#65533;a que los &#65533;ngeles "pecaron" en contra del SE&#65533;OR y de su gran rey Mes&#65533;as, en el reino de los cielos, fue entonces bajo el liderazgo y enga&#65533;o perdido del coraz&#65533;n en tinieblas de Lucifer, para "humillar" el nombre del Se&#65533;or Jesucristo y as&#65533; exaltar su nombre inicuo m&#65533;s alto que el nombre de nuestro Padre Celestial. Algo sumamente horrible y hasta imposible de alcanzar, tambi&#65533;n, por lo tanto, el Esp&#65533;ritu Santo de Dios "no se lo permiti&#65533;" en ning&#65533;n momento, sino que lo paro seco en su camino de gran maldad y de ceguera espiritual, con la luz sumamente brillante y todopoderosa de su Esp&#65533;ritu Sagrado del &#65533;rbol de la vida, &#65533;el Se&#65533;or Jesucristo!

Porque en su santidad celestial y fidelidad infinita hacia el Padre Celestial y hacia su Hijo amado, entonces el Esp&#65533;ritu Santo de Dios se "enfrenta" a Lucifer y a cada una de sus profundas tinieblas de su coraz&#65533;n, para que este mal terrible jam&#65533;s ocurra en el reino de Dios, con &#65533;l, ni con ninguno de sus &#65533;ngeles, por ejemplo. Porque delante de Dios y de su reino celestial s&#65533;lo puede existir el "esp&#65533;ritu recto" de su Hijo amado, el &#65533;rbol de la vida eterna, de todos los seres vivientes del cielo y as&#65533; tambi&#65533;n del para&#65533;so, de toda la tierra y del nuevo reino de los cielos, como La Nueva Jerusal&#65533;n Sagrada e Infinitamente Honrada del cielo.

Adem&#65533;s, fue as&#65533; como el Esp&#65533;ritu Santo de Dios, en su rectitud celestial e infinitamente divina, entonces pudo "ponerle fin" a la rebeli&#65533;n de la ceguera espiritual de Lucifer y de sus &#65533;ngeles ca&#65533;dos en el reino de los cielos, para que luego sean juzgados por su ceguera espiritual y cr&#65533;menes en el d&#65533;a del juicio de todas las cosas. Y esta ceguera espiritual entra al para&#65533;so, para "cegar" el coraz&#65533;n, el esp&#65533;ritu y la vida de Ad&#65533;n y de cada uno de sus descendientes, para alcanzar el mismo fin, como intento con los &#65533;ngeles del reino de Dios, para que el nombre del Se&#65533;or Jesucristo ya no sea en sus corazones, sino s&#65533;lo el suyo, para mal de muchos.

Entonces es por esta raz&#65533;n, que el camino del hombre delante de Dios comenz&#65533; a ser "un camino torcido" y m&#65533;s no recto, para mal de su vida y de muchos en el para&#65533;so y tambi&#65533;n en todos los lugares de la tierra, de nuestros d&#65533;as, como hoy en d&#65533;a vemos pecadores y pecadores haciendo siempre de las suyas. Y la &#65533;nica manera que el hombre puede "cambiar" su camino torcido por el camino recto, por el cual Dios mismo lo formo en sus manos, en el comienzo de su vida y de todas las

cosas, en el para�so y en la tierra, tambi�n, fue "el camino hacia el �rbol Viviente" y m�s no el camino hacia el mal.

Por tanto, �ste camino que lleva d�a y noche a todo ser viviente hacia el mal eterno, ya sea �ngeles ca�dos del cielo u hombres pecadores o mujer pecadoras de toda la tierra, es "el camino rebelde" hacia el �rbol de la ciencia del bien y del mal, por ejemplo. Porque el camino hacia todos los males de la vida de los �ngeles del cielo y as� tambi�n de la vida de los hombres, mujeres, ni�os y ni�as de la humanidad entera, "no fue jam�s" el camino hacia el �rbol de la vida, sino el camino hacia el �rbol del fruto prohibido de la ciencia del bien y del mal.

Y de este �rbol prohibido fue, realmente, del cual Lucifer hizo que los �ngeles rebeldes, como una tercera parte de ellos en el reino de Dios, "abandonaran" su santidad para comer de �l, en vez, de comer del �rbol de la vida, para rendirle gloria y honra a nuestro Dios y Padre Celestial que est� en los cielos, por ejemplo. Y as� tambi�n, con sus pasos torcidos de su vida llena de tinieblas, como del infierno o del bajo mundo de los condenados, entonces entro Lucifer al para�so para "enga�ar" a Eva y luego a Ad�n, para que ambos coman de su fruto prohibido, y pequen en contra del Se�or Jesucristo, ofendiendo as� a Dios y a su Esp�ritu Santo.

Puesto que, desde el d�a que Eva primero y luego Ad�n "comieron" del fruto prohibido, entonces no s�lo sus caminos cambiaron hacia el mal eterno de sus vidas, como todo �ngel ca�do del cielo, sino tambi�n para mal eterno de cada paso de sus descendientes, en sus millares, en todos los lugares de la tierra. Y este es un mal terrible del coraz�n y del alma viviente del hombre, de la mujer, del ni�o y de la ni�a de la humanidad entera, el cual "s�lo la sangre" del Se�or Jesucristo puede cambiar, si tan s�lo se cree en el coraz�n y se confiesa su nombre sagrado con nuestros labios, para perd�n y salud eterna.

Y s�lo as� entonces se "confiesa" el nombre sagrado de "la luz del cielo", la cual "destruye" cada una de las tinieblas de Lucifer y de sus �ngeles ca�dos, en nuestros caminos, como en nuestro andar cotidiano por la tierra, para que los pasos de Ad�n ya no sean los nuestros, sino �nicamente los de nuestro Se�or Jesucristo. En realidad, son estos pasos del Se�or Jesucristo los que nos "llevan" por el camino de la rectitud eterna, no solamente para escapar el mal terrible de los pasos de Lucifer en nuestras vidas, sino tambi�n mucho m�s que todo esto.

En verdad, los pasos del Se�or Jesucristo nos encaminan paso a paso hacia el cielo m�s alto que el para�so y el reino de

los ngeles, en donde nuestro Padre Celestial se "encontrara" con nosotros para verle y conocerle, tal como su Hijo amado siempre le ha visto y le ha conocido desde siempre y hasta nuestros d as, por ejemplo. Por lo tanto, los pasos verdaderos, por los cuales nuestro Padre Celestial nos formo en sus manos, en el comienzo de nuestras vidas, en el para so, "son los pasos" de su Hijo amado, el rbol de la vida y m s no los pasos del rbol prohibido del conocimiento del mal y del bien.

Es por esta raz n, que para nosotros "encontrar" el reino de los cielos y su santidad infinita, adem s de su justicia y rectitud celestial para vivir la felicidad eterna, entonces tenemos que caminar, sin duda alguna, en los pasos celestiales e infinitos de nuestro salvador celestial, el Se or Jesucristo! Y, hoy en d a, t muy bien, mi estimado hermano y mi estimada hermana, "puedes hacer", que espiritualmente hablando, para complacer toda justicia y toda rectitud celestial de nuestro Padre Celestial, de acuerdo a su Ley y a su voluntad perfecta en su vida muy sagrada, entonces comenzar a caminar paso a paso con Cristo hacia tu nueva eternidad celestial.

BUSQUEN EL REINO DE DIOS Y SU JUSTICIA PARA VIVIR LA ETERNIDAD

No se oree, pues, el pecado en sus corazones de ninguna manera, ni en sus cuerpos mortales, tampoco, "de modo" que obedezcan a sus malos deseos, para mal de sus vidas y de los dem s, tambi n. M s bien, "busquen" primeramente el reino de Dios y su justicia, y todas las buenas bendiciones del rbol de la vida, entonces les ser n entregada a sus corazones y a sus almas eternas, tambi n, para que sus cuerpos "vivan en la rectitud" de su Dios y amante de sus vidas infinitas, en la tierra y en su nuevo reino celestial.

Porque el que "se deja llevar" por el pecado, entonces le est dando cabida a sus tinieblas, para que hagan todo lo que deseen hacer en su coraz n y en su cuerpo humano, para que no haya m s bendiciones de Dios en su nombre santo, sino s lo mal para su vida en la tierra y en el m s all , tambi n. Y nuestro Dios "no es de los que busca" el mal de nadie, sino s lo el bien glorioso y sumamente honrado de su Hijo amado, el Se or Jesucristo!, para que la gloria infinita de su nombre santo entonces sea mayor que antes, en la tierra y as tambi n en el nuevo reino celestial, en los corazones de sus ngeles.

Comenzando con todos los que buscan agradar a su Dios, entonces est n "buscando" su verdad y su justicia infinita, las cuales s lo se pueden encontrar en la vida perfecta y

sumamente gloriosa, no de sus millares de ngeles del cielo, sino en la vida misma de su rbol de vida eterna, el Se or Jesucristo! Porque "nicamente en creer", e invocar, en comer y en beber el fruto de la vida de Dios y de su rbol de vida, es que realmente hay vida (y vida eterna) en abundancia, para los ngeles del reino y as tambi n para cada hombre, mujer, ni o y ni a de la humanidad entera, comenzando con Ad n y Eva, primero.

Y estos son los que "caminan" en la rectitud del Esp ritu del SE OR, los que aman el creer, en confesar, en comer y en beber del fruto de la vida de su Hijo amado, el Se or Jesucristo! Porque fue el Se or Jesucristo quien les manifest a sus ap stoles, sobre la mesa de la "cena del SE OR", cuando tomando el pan en sus manos y lo parti , para decirles: Este es mi cuerpo, el cual es traspasado, roto, fragmentado por ustedes, en el d a de hoy y en presencia de nuestro Padre Celestial que est en los cielos.

De ste pan coman, para que "no vuelvan" a tener hambre jam s, en esta vida ni en la venidera del m s all , eternamente y para siempre. Porque todo aquel que "come" de ste pan de vida eterna, el cual descendi del cielo, no tendr hambre jam s, como los que comieron del man en el desierto, y luego volvieron a tener hambre. Y levantando el pan al cielo, entonces se lo "ofreci " al SE OR primero.

Y luego de haber hecho una oraci n delante de Dios para los hombres, mujeres, ni os y ni as de la humanidad entera, comenzando con la Casa de Israel, naturalmente, entonces lo "parti l mismo" (como dijo, yo mismo pongo mi vida y nadie me la quita), para entreg rselo a sus ap stoles y hasta al que lo traicionaba, Judas, tambi n. Porque Judas estaba ah con el Se or Jesucristo "participando de la mesa del SE OR" y con sus ap stoles (hermanos misioneros) para posteriormente, guiado por el esp ritu de error (el cual enga a a Eva y luego a Ad n en el para so, para que coman del fruto prohibido), entonces har a que los que viven en las tinieblas, coman de su maldad infinitamente. (Y esto seria para muerte eterna de Israel y de muchos (o quiz s la humanidad entera) en toda la tierra, para siempre.)

Entonces despu s de haber ofrecido su pan de vida eterna a Dios primero y luego a sus seguidores, el Se or Jesucristo toma en sus manos "la copa de vino". La levanto al cielo tambi n para ofrec rsela al SE OR, para que le d su aprobaci n y bendici n (como dej ndola derramar desde del para so, el esp ritu de la sangre sobrenatural sobre Israel y la humanidad entera); pues, as como hizo con el pan de vida primero delante de sus hermanos eternos, en Israel, y luego

la entrego a al mundo entero.

En el acto, despu&#65533;s de haber hecho una oraci&#65533;n de gracias al SE&#65533;OR del cielo y de toda la tierra, entonces "tomo de la copa de vida", y le dio de beber a cada uno de sus ap&#65533;stoles y hasta el mismo ap&#65533;stol que lo traicionaba, Judas, el calumniador. Porque Judas antes de entregar al Se&#65533;or Jesucristo, en manos rebeldes de los enemigos del SE&#65533;OR y de su sagrado evangelio, "comi&#65533; del pan de vida y bebido de la copa sagrada del SE&#65533;OR", tambi&#65533;n, junto con los dem&#65533;s ap&#65533;stoles, como si no estaba sucediendo nada en contra del Se&#65533;or Jesucristo y de todo Israel, incluyendo a la humanidad entera. (Judas se estaba enga&#65533;ando a s&#65533; mismo, "sin saber" lo que realmente hacia con su alma y la de su salvador, porque el Se&#65533;or Jesucristo y nuestro Dios sab&#65533;an muy bien que era lo que hab&#65533;a hecho, y que era lo que iba hacer momentos despu&#65533;s, para cumplir la palabra del SE&#65533;OR, en la tierra y en el para&#65533;so, tambi&#65533;n.)

Por lo tanto, en la mesa del SE&#65533;OR, el Se&#65533;or Jesucristo no fue enga&#65533;ado por las palabras de Judas, pues, "&#65533;l sabia" que era lo que tramaban los enemigos del SE&#65533;OR y de su evangelio de vida y de salud eterna, no s&#65533;lo para Israel, sino tambi&#65533;n para la humanidad entera (aun sin que lo pensaran as&#65533; sus enemigos). Y despu&#65533;s de haber visto Jesucristo que Judas "compart&#65533;a" con el pan viviente y con su sangre salvadora, entonces lo deja ir, a que haga lo que estaba escrito en su coraz&#65533;n y en su sangre rebelde, para que se cumpla la escritura de los profetas, en referencia a &#65533;l y a su disimulada participaci&#65533;n para con Jesucristo e Israel.

Judas, aunque hab&#65533;a comido y bebido de la mesa del SE&#65533;OR, sali&#65533; de la presencia del Se&#65533;or Jesucristo "por su camino sombr&#65533;o", por el camino del &#65533;rbol de la ciencia del bien y del mal, para vender a su mejor amigo (y hermano) que en vida jam&#65533;s hab&#65533;a conocido antes a otro igual, y abandonarlo por treinta piezas de plata. Entonces momentos m&#65533;s tarde, Judas cobra la plata y entrega al Se&#65533;or Jesucristo con "un beso poco sincero" en su mejilla, en manos de los enemigos que deseaban matarle (a como de lugar), para "deshonrar" su nombre santo y salvador no s&#65533;lo para Israel sino tambi&#65533;n para la humanidad entera, en esta vida y en la vendiera, para siempre.

Realmente, Judas caminaba por un camino torcido y muy extra&#65533;o a Dios y a su nueva vida santa e infinitamente gloriosa de su nuevo reino celestial, el cual "conduc&#65533;a" hacia el mal, por lo tanto, no era inspiraci&#65533;n del Se&#65533;or Jesucristo, ni del hombre tampoco. Este camino que Judas tuvo que caminar todos los d&#65533;as de su vida en Israel, "aun cuando vivi&#65533;", camino y

conocido d�a y noche con el Se�or Jesucristo y su evangelio de poder y de salud eterna, tambi�n, y hasta que finalmente consumi� del mismo cuerpo del "Cordero del SE�OR" y para finalmente entregarlo al deseo malvado de sus enemigos.

Y todo esto sucedi� as� con Judas, en la vida del Se�or Jesucristo, porque "estaba escrito" que sucediese as�, para que el pan que hab�a comido y para que la sangre que hab�a bebido de �l, entonces bajase a la tierra para ser levantada despu�s, por los pecadores: clavado a los �rboles cruzados de Ad�n y Eva para Dios. Porque fue Dios quien buscaba "este sacrificio" de su Hijo amado, clavado a los �rboles sin vida de Ad�n y Eva, para que entonces no s�lo nuestros progenitores recobren sus vidas y sus bendiciones eternas del para�so, sino tambi�n cada uno de sus descendientes, en sus millares, en todos los lugares de la tierra y hasta aun Judas, el detractor.

Fue por esta raz�n, que el Se�or Jesucristo primero "le dio" de comer de su pan de vida eterna y luego (le dio) de beber de su copa de la sangre del pacto eterno, para que Judas, aunque peque una vez m�s delante de su presencia sagrada y del SE�OR del cielo, entonces "no se pierda infinitamente" su alma preciosa. (Muchos dicen que Judas se perdi� en su pecado y en su maldad eterna, cuando por enga�o entonces entrega a Cristo a sus enemigos, cuando la escritura declara p�blicamente que �l comi� y bebi� de la vida eterna antes de morir. Porque todo aquel que come y bebe del "Cordero Escogido de Dios, entonces el mismo fuego eterno del infierno lo vomita de sus tierras y la muerte no lo puede retener en sus manos, as� como no pudo retener al Se�or Jesucristo, sino que en el Tercer D�a resucita para una vida eterna.)

Por lo tanto, nuestro Padre Celestial es un Dios de amor y de misericordia infinita, y pienso que Judas no muri� en su camino torcido, sino en el camino del Se�or Jesucristo. Adem�s, si el Se�or Jesucristo "se asegura primero" que Judas comiese de su pan de vida eterna y luego beba de su copa de la sangre del pacto eterno, fue para salvar su vida eterna a pesar de su doblez, enga�o, mentira, calumnia, maldad y fingimiento de amar a Dios, cuando lo contrario era la mera verdad. "Fingimiento errado" de las tinieblas en Judas, como de la vida perdida de Lucifer, en el reino de Dios antes de su rebeli�n, manifestando as� lealtad al gran rey Mes�as y al Dios del cielo y de la tierra, para salvar a Israel de sus pecados y a la humanidad entera, cuando la verdad era otra en todo el tiempo.

Porque el Se�or Jesucristo hab�a descendido del cielo, "para redimir su alma" del poder del pecado y de sus tinieblas,

asimismo como deseo redimir a Ad&#65533;n y a Eva, clavado a sus palos sin vida, sobre la cima de la roca eterna, en las afueras de Jerusal&#65533;n, en Israel, para ponerle fin al pecado original, y cumplir la Ley Divina. Pero Judas "jam&#65533;s se dio cuenta de su ceguera espiritual", sino hasta que ya fue demasiado tarde, despu&#65533;s de haber ca&#65533;do en su propia trampa infinitamente mortal, de saber que sus pasos por la tierra y delante de Dios hab&#65533;an sido conocidos por el mismo Se&#65533;or Jesucristo, desde mucho antes de la fundaci&#65533;n del mundo y de sus cosas, tambi&#65533;n.

Entonces cuando Judas "se da cuenta de su terrible mal", el cual lo llevada aceleradamente (y a cada minuto de su vida) hacia el fin de sus d&#65533;as, no s&#65533;lo en la tierra, sino tambi&#65533;n al infierno y con posterioridad al lago de fuego, su segunda muerte, "se arrepiente" de su mentira malvada e infinitamente cruel, para con su salvador. Y fue el pan de vida que parti&#65533; con el Se&#65533;or Jesucristo y la copa de la sangre del pacto eterno sobre la mesa del SE&#65533;OR, pienso yo, lo que hace que Judas "recapacite", en sus &#65533;ltimos momentos de vida, para "enderezar" sus pasos, para entonces entrar a la eternidad en su ultimo d&#65533;a de vida en la tierra.

Porque, pienso que si el Se&#65533;or Jesucristo deseaba que Judas se pierda en su mentira y en su calumnia cruel, entonces "jam&#65533;s hubiese permitido" que &#65533;l coma de su pan de vida eterna, ni menos beba de su copa de la sangre del pacto eterno, tambi&#65533;n, para perd&#65533;n y para entrar a la vida infinita sin m&#65533;s tardar, por ejemplo. Entonces como el Se&#65533;or Jesucristo, y nuestro Padre Celestial junto con su Esp&#65533;ritu Santo, tambi&#65533;n, "sabia muy bien" que era lo que Judas iba a hacer con su vida y la vida de su salvador eterno, pues, le dio de comer y de beber de &#65533;l mismo, mucho antes que su hora llegue y camine hacia la eternidad infinitamente perdido.

Por lo tanto, pienso que Dios "rescata a Judas", en sus &#65533;ltimos momentos de vida y con problemas y dificultades de todas clases, pero "lo salva de su mal eterno", aun a pesar de su mentira, de su calumnia y de todo el mal que conlleva todo ello, porque se "arrepinti&#65533;" al fin de su maldad a su redentor celestial. Porque "la verdad es" que Judas comi&#65533; y bebi&#65533; del fruto de la vida eterna en la mesa del SE&#65533;OR, y no la rechazo jam&#65533;s como sabemos muy bien que Ad&#65533;n y Eva lo hicieron as&#65533; en el para&#65533;so y delante de Dios, tambi&#65533;n, para mal de sus vidas y de muchos tambi&#65533;n (como Judas mismo, por ejemplo).

Ahora, Judas "muri&#65533; casi inmediatamente" despu&#65533;s de haber pecado en contra de su salvador celestial, el Se&#65533;or Jesucristo, como ya lo sabemos muy bien (porque estaba

escrito de Él, en las escrituras, de que Él mismo le entregar&#65533;a a sus enemigos por treinta piezas de plata). Sin embargo, Judas no muri&#65533; inmediatamente por pecar en contra de Dios y de su Jesucristo, sino porque "hab&#65533;a hecho algo muy terrible", lleno de muchas tinieblas, las cuales hubiesen perdurado con Él, si hubiese seguido viviendo en Israel, y hasta aun muerto seguidores fieles a Él hubiesen seguido sus pasos de maldad hasta hoy en d&#65533;a, por ejemplo. Haciendo as&#65533; que muchos se pierdan en las mismas tinieblas del m&#65533;s all&#65533;, las cuales terminaron con su vida mesi&#65533;nica y con su &#65533;nico amigo y salvador de su vida, el Se&#65533;or Jesucristo, por enga&#65533;o, por mentira, por calumnia y por treinta piezas de plata (las cuales no le sirvieron para nada jam&#65533;s, ni menos para su sepultura.)

Es decir, de que "si Judas hubiese seguido viviendo", entonces muchos lo hubiesen aceptado como alguien grande, quien destruye al Se&#65533;or Jesucristo con una mentira, con una calumnia cruel e infinitamente malvada, para engrandecer mucho m&#65533;s que antes el reino de Lucifer y de sus &#65533;ngeles ca&#65533;dos, en toda la tierra. Es m&#65533;s, una nueva secta religiosa en su honor, en su nombre, "se hubiese levantado", y aun estuviera con nosotros, tambi&#65533;n, predicando sus pasos de maldad infinita, al nivel quiz&#65533;s que el evangelio del gran rey Mes&#65533;as; pues entonces, seria una secta para destruir en lugar de edificar la vida del hombre, para que regrese al para&#65533;so.

Es por eso, que cuando Judas peca en contra del Se&#65533;or Jesucristo, aunque Dios lo rescata de su maldad por los poderes sobrenaturales del pan de vida eterna y de la copa de la sangre del pacto eterno entre el para&#65533;so y toda la humanidad del hombre en toda la tierra, entonces Dios lo salva antes de morir. Para que de esta manera, las tinieblas que se hab&#65533;an levantado del infierno, para "deshonrar y humillar" al Se&#65533;or Jesucristo y su vida consagrada a Dios, a su Ley y a Israel junto con la humanidad entera, posteriormente entonces regresen a sus lugares eternos del m&#65533;s all&#65533;, como el mismo infierno, para que no se perpet&#65533;en m&#65533;s sobre la tierra.

Y as&#65533; nadie podr&#65533;a "seguir" a Judas en su pecado, ni menos "engrandecer" sus tinieblas, ni su nombre inicuo m&#65533;s alto que el nombre del Se&#65533;or Jesucristo, por ejemplo, eternamente y para siempre. Porque toda gloria y honra del coraz&#65533;n del pecador y de la pecadora de toda la tierra, le pertenece solamente a nuestro Padre Celestial, por medio del esp&#65533;ritu de vida y de la sangre gloriosa y sumamente honrada de su Hijo amado, &#65533;el Se&#65533;or Jesucristo!

Por lo tanto, a Judas nuestro Dios lo "rescato" de su mal eterno, porque s�lo �l es misericordioso e infinitamente bondadoso, gracias al nacimiento, a la vida gloriosa y sumamente honrada del Se�or Jesucristo en Israel, para cumplir la Ley del para�so, destruyendo as� al pecado y a �ngel de la muerte, para siempre. Y as� las "tinieblas" que lo guiaban d�a y noche a "Judas", buscando como destruir la vida gloriosa e infinitamente honrada del siervo fiel y eterno de Dios, entonces "no sigan", ni un s�lo momento m�s en Israel, ni en ning�n lugar de toda la tierra, para que otros (como Judas) no cometan el mismo pecado terrible e infinitamente mortal.

Porque Dios desea que todos los hombres, mujeres, ni�os y ni�as de la humanidad entera, "brillen infinitamente" como las estrellas del firmamento, en la nueva eternidad venidera del cielo y de su �rbol de vida eterna, su Hijo amado, �el Se�or Jesucristo! Y "esa estrella" m�s brillante que el sol (quiz�s junto con Judas en el firmamento) "eres t�" mismo, mi estimado hermano y mi estimada hermana, porque nuestro Dios te forma en sus manos santas, en su d�a, para que vivas con �l y con su Hijo amado, en su nueva vida infinita del cielo, para gloria de su nombre santo.

SI, LOS JUSTOS DEL SE�OR BRILLAR�N INMORTALMENTE COMO EL SOL

Entonces "los justos resplandecer�n" como el sol en el reino de nuestro Padre Celestial, para nunca m�s volver a ver las tinieblas, como las de Ad�n y Eva, por ejemplo, que "aflig�an" sus corazones y sus esp�ritus humanos, porque el Se�or Jesucristo no viv�a en sus almas vivientes, para complacer toda verdad y justicia redentora de nuestro Creador Celestial. Pues entonces el que tiene o�dos, que "oiga firmemente" y con gran confianza en su coraz�n: lo que el Esp�ritu Santo de Dios le dice a su esp�ritu humano, de entre las profundas tinieblas de su alma viviente, para que "vea la vida eterna", desde hoy mismo y en adelante.

En la medida en que, es el Esp�ritu de Dios, quien realmente "le habla en 'la rectitud' de la verdad y de la justicia", s�lo de nuestro Se�or Jesucristo al coraz�n el hombre pecador y al coraz�n de la mujer pecadora, para que "despierten" delante de su Dios y Creador de sus vidas, para "entrar enseguida" a la vida celestial. Porque es solamente en "creer" en el coraz�n y as� "confesar" con los labios, que el coraz�n del hombre "despertara" para perd�n, salud y vida eterna, en las manos de nuestro Padre Celestial, por los poderes sobrenaturales de su Esp�ritu Santo y la gracia infinita de su Hijo amado, �el Se�or Jesucristo!

Ya que, nuestro Padre Celestial "envi�" a su Hijo amado al mundo, para que lo que est� "torcido en el andar" del hombre,

entonces sea "enderezado" en su vida y en la vida de cada uno de los suyos, tambi&#65533;n, para que "camine recto" en la tierra y as&#65533; tambi&#65533;n en su nueva vida celestial, del nuevo reino venidero. Porque s&#65533;lo los que "caminan en el esp&#65533;ritu del 'nombre y de la sangre sagrada' del &#65533;rbol de la vida", entonces podr&#65533;n ingresar a la vida eterna del nuevo reino de Dios y de sus huestes celestiales, para que no vuelvan a conocer los pasos de rebeli&#65533;n de Ad&#65533;n y Eva, sino s&#65533;lo los del Se&#65533;or Jesucristo, para la eternidad.

Y el hombre y as&#65533; tambi&#65533;n la mujer, el ni&#65533;o y la ni&#65533;a de la humanidad entera, est&#65533;n "llamados a conocer", por inicio divino, los pasos Jesucristo en sus corazones primeramente, para comenzar a caminar en sus pasos normales, en la tierra y tambi&#65533;n en el para&#65533;so, en los pasos de la verdad y la justicia infinita del &#65533;rbol Viviente. Porque no es posible que nadie "camine en el reino celestial" y pise lugares muy santos de Dios y de su &#65533;rbol de vida eterna, con los pasos (o el caminar) de Lucifer y de sus &#65533;ngeles ca&#65533;dos, por ejemplo. Esto es totalmente inaceptable, injusto, absurdo e il&#65533;gico infinitamente, para nuestro Padre Celestial, para su Esp&#65533;ritu Santo, para su &#65533;rbol de vida, para sus &#65533;ngeles infinitos y, por ultimo, tambi&#65533;n para el hombre y la mujer de fe, que han llegado a conocer la rectitud de la verdad y la justicia del nuevo reino celestial.

En efecto, esto es "abominaci&#65533;n infinita", en la mayor&#65533;a de los casos para el coraz&#65533;n sumamente sagrado de Dios, de su Esp&#65533;ritu Santo, del Se&#65533;or Jesucristo, de sus huestes celestiales y de su nueva humanidad infinita (lavada, justificada y santificada por la sangre sagrada del pacto eterno), en sus millares, por todos lados, en el reino de los cielos. Y nuestro Dios no est&#65533; "buscando la abominaci&#65533;n" del pecador, ni menos ver a sus siervos fieles "ofendidos", una vez m&#65533;s, por las palabras mentirosas y llenas de maldad de Lucifer y de sus &#65533;ngeles rebeldes, sino s&#65533;lo "la rectitud de 'la verdad y la justicia eterna' de su Hijo", en la vida de cada uno de sus muy amados.

Y estos muy amados por Dios, por su Esp&#65533;ritu Santo y por su Hijo amado, el Se&#65533;or Jesucristo, "no son tantos 'los &#65533;ngeles' del cielo", (porque Jesucristo no muri&#65533; por ellos), sino que eres "t&#65533; mismo", mi estimado hermano y mi estimada hermana, en esta misma hora del d&#65533;a y para el infinito. (Porque la verdad (y la justicia infinita) de la vida santa y recta del reino de los cielos es que nuestro Dios "te ama tanto", como el Se&#65533;or Jesucristo y as&#65533; tambi&#65533;n su Esp&#65533;ritu Santo, cuando Dios mismo deja correr la sangre de su "Cordero Escogido", para tocarte, redimirte de tus males eternos, como la muerte del infierno, por ejemplo.)

Y s�lo as� t� puedas "vivir tu vida 'santa, recta' y sobrenaturalmente normal", no s�lo en la tierra, sino en tu nueva vida angelical e infinita del nuevo reino de los cielos, como en La Nueva Jerusal�n Gloriosa de la nueva eternidad venidera, por ejemplo, en donde "no existen" los malos pasos del enemigo, sino s�lo los pasos del Mes�as. Porque "no es justo" que nadie camine por estas tierras santas del cielo "con otros pasos" en su vida celestial, terrenal o del mismo para�so, "que no sean" los de Dios y de su Hijo amado, �el Se�or Jesucristo! Por lo tanto, "nuestro Dios no es un Dios de injusticia, sino un Dios infinitamente verdadero, amante de lo bueno y muy justo con todos sus hijos e hijas en toda la tierra", s�lo por medio del esp�ritu de amor y de rectitud de su Hijo amado, �el Cristo!

Entonces la tierra sagrada del nuevo reino venidero "vomitar�a" a cada infractor, de la misma manera que el antiguo reino celestial "expulso" a Lucifer y a sus �ngeles rebeldes, y as� tambi�n como sucedi� con Ad�n y Eva, en el para�so, en el d�a que pecaron delante del Se�or Jesucristo, cuando torcieron sus pasos al no creer en �l. Por eso, el hombre "tuerce sus pasos 'por su caminar' en la tierra", as� como Ad�n y Eva torcieron sus pasos en sus andares en el para�so, fue porque "�nicamente no creyeron" en el Se�or Jesucristo, para mal de sus pasos eternos en la eternidad venidera y as� tambi�n para con cada uno de sus descendientes, en toda la tierra.

Porque la verdad es que la tierra sagrada del para�so "se entristeci� mucho", cuando Ad�n y Eva comieron del fruto prohibido y posteriormente los "vomita" de sus tierras sagradas, aun cuando no quer�an hacerlo as�, para que "no la contaminasen m�s" con sus malos pasos del enemigo eterno del Se�or Jesucristo, Lucifer. Por lo tanto, en todos los lugares, en donde nuestro Dios desciende con su Esp�ritu Santo, para hacer su obra infinita en la vida del hombre, entonces "ese lugar es muy santo" para Dios, y el hombre tiene que manifestar "reverencia hacia su Dios" y Creador de su vida, para que "vengan 'd�as buenos y de refrigerio' a su vida".

Por ejemplo, podemos recordar cuando el Se�or Jesucristo descendi� del para�so, como "el �rbol extra�o que 'ard�a entre llamas' al lado del Sina�", y la zarza en su derredor no se quemaba, por muy intenso que fuese el fuego y su calor, tambi�n. Y cuando Mois�s vio "la luz del fuego", despu�s de algunos d�as, entonces se acercaba un poco m�s, como cada vez m�s que el d�a anterior; es decir, que la luz del Mes�as "estaba 'destruyendo' las tinieblas del coraz�n y de los ojos de Mois�s", para que finalmente lo viese frontalmente, rectamente, para gloria de Dios y salvaci�n de Israel. Porque

a nuestro Dios s�lo lo podemos "ver 'rectamente' con nuestro coraz�n y con nuestros ojos", no por medio de �dolos e im�genes de talla, sino por el camino recto de la verdad y la justicia infinita del Se�or Jesucristo.

Pues Mois�s se acercaba a la luz del fuego cada vez m�s y con "gran curiosidad" en su coraz�n, porque "ve�a 'el �rbol de la vida ardiendo' sobre el Monte Sina�" (como quien ve a Cristo sobre lo alto del monte sangrando y nos ve no con juicio eterno, sino con un esp�ritu recto de amor, justicia y verdad infinita). Y entonces Mois�s pensaba que pronto se apagar�a el fuego del �rbol en llamas (como los otros fuegos que hab�a visto arder por un tiempo y hasta que se extingu�an finalmente). Pero luego de varias veces de ver el fuego, el cual ard�a pero no consum�a, ni hac�a da�o en todo su alrededor, entonces esto despert� mucho m�s que antes la curiosidad del coraz�n de Mois�s, como que las tinieblas que estaban en su coraz�n, en su alma eterna, entonces comenzaron a irse de �l, para siempre, por ejemplo.

Y entonces comenz� a caminar recto Mois�s hacia donde estaba el fuego del �rbol Ardiente, pero con mayor luz que antes en su coraz�n, porque la misma luz del fuego del �rbol Ardiendo en llamas le ayudaba a disipar las tinieblas que segaban su vida y la de los suyos, tambi�n. Entonces una vez bien cerca del �rbol en llamas, volvi� a o�r una voz que le dec�a a Mois�s: �El lugar en donde te encuentras Mois�s, santo es! (Mois�s se asusta esta vez m�s que antes, al o�r la voz que venia a �l, directamente desde el �rbol y entre las llamas extra�as a su coraz�n y a sus ojos, tambi�n.) Una vez m�s, la voz celestial habla, la cual quemaba su coraz�n y su alma entera sin hacerle da�o alguno, y le dice: Mois�s, qu�tate las sandalias, para que no profanes el suelo con tus pasos mundanos y torcidos por el pecado, porque s�lo yo soy el Dios de Abraham, el Dios de Isaac y el Dios de Jacobo.

Mois�s se estremece al o�r lo que Dios mismo le manifestaba a su coraz�n "para hacerle entender" quien realmente era �l (o delante de quien �l estaba parado en aquel lugar y en aquel instante); y entonces sin decir nada, Mois�s obedeci� a su voz, la cual le continuaba hablando desde el �rbol Ardiendo, y prosigui� a quitarse las sandalias. Y una vez que Mois�s se quita las sandalias de sus pies, entonces el SE�OR "le comenz� a hablar a su vida" para bien de todo Israel, como nunca antes Dios le hab�a hablado al hombre de toda la tierra, en aquellos d�as, y hasta que Cristo vino a nosotros para entregarnos el camino recto hacia la vida eterna.

Por lo tanto, desde aquel d�a que Mois�s se removi� sus sandalias de sus pies, delante de Dios y de su �rbol de vida

ardiendo en llamas en el Sina�, entonces "los nuevos pasos hacia una vida nueva comenz� no s�lo con Israel, sino tambi�n para la humanidad entera y sus naciones en todos los lugares de la tierra". Es decir, que los pasos de Mois�s no s�lo cambiaron en su vida, sino tambi�n la de los israel�es por miles de siglos venideros, para por fin (y muy pronto tambi�n) "recibir al gran rey Mes�as en sus corazones", para su liberaci�n total e infinita de sus enemigos eternos de toda la vida.

Y estos nuevos pasos de Dios en la vida del hombre son los pasos del Se�or Jesucristo, desde la antig�edad y hasta nuestros d�as, "llenos de bendiciones y de milagros gloriosos" para derrotar al enemigo y a cada una de sus tinieblas, con los poderes sobrenaturales de su evangelio eterno y con los dones de su Esp�ritu Santo, por ejemplo. Porque el Se�or Jesucristo es "el cambio total" de los pasos torcidos del hombre pecador y de la mujer pecadora, "para recibir sus pasos eternos", de su nueva vida infinita del para�so y de La Nueva Jerusal�n Santa e Inmortal del cielo, para perd�n de pecados y para sanidad total del coraz�n, del alma y del cuerpo del hombre.

Porque "s�lo estos pasos", del Se�or Jesucristo en el para�so y as� tambi�n en la tierra, "son los que han de llevar" paso a paso hacia la vida eterna e infinitamente gloriosa de nuestro Dios, a todo hombre y a toda mujer, tambi�n, para entrar a la vida eterna y vivirla, gozarla y crecer en ella, eternamente y para siempre. E infinitamente "caminaremos en los pasos del Se�or Jesucristo" en la tierra y as� tambi�n en nuestras nuevas vidas eternas, como Dios "decidi� que fuese as�" en la vida de Ad�n y en la vida de cada uno de sus descendientes, de todos los hombres, mujeres, ni�os y ni�as de la humanidad entera, desde antes de la fundaci�n del cielo.

Es por eso, que "el caminar de la verdad, la justicia", es la rectitud de la nueva vida eterna del hombre en la tierra y as� tambi�n en La Nueva Jerusal�n Santa y Perfecta del cielo, para todos los �ngeles y para la nueva humanidad celestial e infinita de la nueva eternidad venidera. Es por esta raz�n, que nuestro Dios "te llama a ti", de la misma manera que "llamo a sus 'hijos e hijas' de la antig�edad", para que le sigas s�lo a �l paso a paso hacia la eternidad desde hoy mismo y para siempre, en el infinito de Dios y de su nueva humanidad celestial e infinita.

El amor (Esp�ritu Santo) de nuestro Padre Celestial y de su Jesucristo es contigo.

�Cultura y paz para todos, hoy y siempre!

D�gale al Se�or, nuestro Padre Celestial, de todo coraz�n, en el nombre del Se�or Jesucristo: Nuestras almas te aman, Se�or. Nuestras almas te adoran, Padre nuestro. Nuestras almas te rinden gloria y honra a tu nombre y obra santa y sobrenatural, en la tierra y en el cielo, tambi�n, para siempre, Padre Celestial, en el nombre de tu Hijo amado, el Se�or Jesucristo.

LOS �DOLOS SON UNA OFENSA / AFRENTA A LA LEY PERFECTA DE DIOS

Es por eso que los �dolos han sido desde siempre: un tropiezo a la verdad de Dios y al poder de Dios en tu vida. Un tropiezo eterno, para que la omnipotencia de Dios no obre en tu vida, de acuerdo a la voluntad perfecta del Padre Celestial y de su Esp�ritu Eterno. Pero todo esto tiene un fin en tu vida, en �sta misma hora crucial de tu vida. Has de pensar quiz� que el fin de todos los males de los �dolos termine, cuando llegues al fin de tus d�as. Pero esto no es verdad. Los �dolos con sus esp�ritus inmundos te seguir�n atormentando d�a y noche entre las llamas ardientes del fuego del infierno, por haber desobedecido a la Ley viviente de Dios. En verdad, el fin de todos estos males est� aqu� contigo, en el d�a de hoy. Y �ste es el Se�or Jesucristo. Cree en �l, en esp�ritu y en verdad. Usando siempre tu fe en �l, escaparas los males, enfermedades y los tormentos eternos de la presencia terrible de los �dolos y de sus huestes de esp�ritus infernales en tu vida y en la vida de cada uno de los tuyos tambi�n, en la eternidad del reino de Dios. Porque en el reino de Dios su Ley santa es de d�a en d�a honrada y exaltada en gran manera, por todas las huestes de sus santos �ngeles. Y t� con los tuyos, mi estimado hermano, mi estimada hermana, has sido creado para honrar y exaltar cada letra, cada palabra, cada oraci�n, cada tilde, cada categor�a de bendici�n terrenal y celestial, cada honor, cada dignidad, cada se�or�o, cada majestad, cada poder, cada decoro, y cada vida humana y celestial con todas de sus muchas y ricas bendiciones de la tierra, del d�a de hoy y de la tierra santa del m�s all�, tambi�n, en el reino de Dios y de su Hijo amado, �el Se�or Jesucristo!, �El Todopoderoso de Israel y de las naciones!

S�LO ESTA LEY (SIN ROMPERLA) ES LA LEY VIVIENTE DE DIOS

Esta es la �nica ley santa de Dios y del Se�or Jesucristo en tu coraz�n, para bendecirte, para darte vida y vida en abundancia, en la tierra y en el cielo para siempre. Y te ha venido diciendo as�, desde los d�as de la antig�edad, desde los lugares muy altos y santos del reino de los cielos:

PRIMER MANDAMIENTO: "No tendr�s otros dioses delante de m�".

SEGUNO MANDAMIENTO: "No te har&#65533;s imagen, ni ninguna semejanza de lo que est&#65533; arriba en el cielo, ni abajo en la tierra, ni en las aguas debajo de la tierra. No te inclinar&#65533;s ante ellas ni les rendir&#65533;s culto, porque yo soy Jehov&#65533; tu Dios, un Dios celoso que castigo la maldad de los padres sobre los hijos, sobre la tercera y sobre la cuarta generaci&#65533;n de los que me aborrecen. Pero muestro misericordia por mil generaciones a los que me aman y guardan mis mandamientos".

TERCER MANDAMIENTO: "No tomar&#65533;s en vano el nombre de Jehov&#65533; tu Dios, porque &#65533;l no dar&#65533; por inocente al que tome su nombre en vano".

CUARTO MANDAMIENTO: "Acu&#65533;rdate del d&#65533;a del s&#65533;bado para santificarlo. Seis d&#65533;as trabajar&#65533;s y har&#65533;s toda tu obra, pero el s&#65533;ptimo d&#65533;a ser&#65533; s&#65533;bado para Jehov&#65533; tu Dios. No har&#65533;s en ese d&#65533;a obra alguna, ni t&#65533;, ni tu hijo, ni tu hija, ni tu siervo, ni tu sierva, ni tu animal, ni el forastero que est&#65533; dentro de tus puertas. Porque en seis d&#65533;as Jehov&#65533; hizo los cielos, la tierra y el mar, y todo lo que hay en ellos, y repos&#65533; en el s&#65533;ptimo d&#65533;a. Por eso Jehov&#65533; bendijo el d&#65533;a del s&#65533;bado y lo santific&#65533;".

QUINTO MANDAMIENTO: "Honra a tu padre y a tu madre, para que tus d&#65533;as se prolonguen sobre la tierra que Jehov&#65533; tu Dios te da".

SEXTO MANDAMIENTO: "No cometer&#65533;s homicidio".

SEPTIMO MANDAMIENTO: "No cometer&#65533;s adulterio".

OCTAVO MANDAMIENTO: "No robar&#65533;s".

NOVENO MANDAMIENTO: "No dar&#65533;s falso testimonio en contra de tu pr&#65533;jimo".

DECIMO MANDAMIENTO: "No codiciar&#65533;s la casa de tu pr&#65533;jimo; no codiciar&#65533;s la mujer de tu pr&#65533;jimo, ni su siervo, ni su sierva, ni su buey, ni su asno, ni cosa alguna que sea de tu pr&#65533;jimo".

Entr&#65533;gale tu atenci&#65533;n al Esp&#65533;ritu de Dios y d&#65533;shazte de todos estos males en tu hogar, en tu vida y en la vida de cada uno de los tuyos, tambi&#65533;n. Hazlo as&#65533; y sin mas demora alguna, por amor a la Ley santa de Dios, en la vida de cada uno de los tuyos. Porque ciertamente ellos desean ser libres de sus &#65533;dolos y de sus im&#65533;genes de talla, aunque t&#65533; no lo veas as&#65533;, en &#65533;sta hora crucial para tu vida y la vida de los tuyos, tambi&#65533;n. Y t&#65533; tienes el poder, para ayudarlos a ser libres de todos estos males, de los cuales han llegado a ellos, desde los d&#65533;as de la antig&#65533;edad, para seguir destruyendo sus vidas, en el d&#65533;a de hoy. Y Dios no desea continuar viendo estos males en sus vidas, sino que s&#65533;lo &#65533;l desea ver vida y vida en

abundancia, en cada naci�n y en cada una de sus muchas familias, por toda la tierra.

Esto es muy importante: Oremos junto, en el nombre del Se�or Jesucristo. Vamos todos a orar juntos, por unos momentos. Y digamos juntos la siguiente oraci�n de Jesucristo delante de la presencia santa del Padre Celestial, nuestro Dios y salvador de todas nuestras almas:

ORACI�N DEL PERD�N

Padre nuestro que est�s en los cielos: santificada sea la memoria de tu nombre que mora dentro de Jesucristo, tu hijo amado. Venga tu reino, sea hecha tu voluntad, como en el cielo as� tambi�n en la tierra. El pan nuestro de cada d�a, d�noslo hoy. Perd�nanos nuestras deudas, como tambi�n nosotros perdonamos a nuestros deudores. Y no nos metas en tentaci�n, mas l�branos del mal. Porque tuyo es el reino, el poder y la gloria por todos los siglos. Am�n.

Porque si perdon�is a los hombres sus ofensas, vuestro Padre Celestial tambi�n os perdonar� a vosotros. Pero si no perdon�is a los hombres, tampoco vuestro Padre os perdonar� vuestras ofensas.

Por lo tanto, el Se�or Jes�s dijo, "Yo soy el CAMINO, y la VERDAD, y la VIDA ETERNA; nadie PUEDE VENIR al PADRE SANTO, sino es POR M�". Juan 14:

NADIE M�S TE PUEDE SALVAR.

�CONF�A EN JES�S HOY!

MA�ANA QUIZAS SEA DEMASIADO TARDE.

YA MA�ANA ES DEMASIADO TARDE PARA MUCHOS, QUE NO LO SEA PARA TI Y LOS TUYOS, EN EL D�A DE HOY.

- Reconoce que eres PECADOR en necesidad, de ser SALVO de �ste MUNDO y su MUERTE.

Disp�nte a dejar el pecado (arrepi�ntete):

Cree que Jesucristo muri� por ti, fue sepultado y resucito al tercer d�a por el Poder Sagrado del Esp�ritu Santo y deja que entr� en tu vida y sea tu �NICO SALVADOR Y SE�OR EN TU VIDA.

QUIZ� TE PREGUNTES HOY: �QUE ORAR? O �C�MO ORAR? O �QU� DECIRLE AL SE�OR SANTO EN ORACI�N? -HAS LO SIGUIENTE, y di: Dios m�o, soy un pecador y necesito tu perd�n. Creo que Jesucristo ha derramado su SANGRE PRECIOSA y ha muerto por mi pecado. Estoy dispuesto a dejar mi pecado. Invito a Cristo a venir a mi coraz�n y a mi vida, como mi SALVADOR.

�Aceptaste a Jes�s, como tu Salvador? �S� _____? O �No _____?

�Fecha? �S� ____? O �No _____?

Si tu respuesta fue Si, entonces esto es solo el principio de una nueva maravillosa vida en Cristo. Ahora:

Lee la Biblia cada d�a para conocer mejor a Cristo. Habla con Dios, orando todos los d�as en el nombre de JES�S. Baut�zate en AGUA y en El ESP�RITU SANTO DE DIOS, adora, re�nete y sirve con otros cristianos en un Templo donde Cristo es predicado y la Biblia es la suprema autoridad. Habla de Cristo a los dem�s.

Recibe ayuda para crecer como un nuevo cristiano. Lee libros cristianos que los hermanos Pentecost�s o pastores del evangelio de Jes�s te recomienden leer y te ayuden a entender m�s de Jes�s y de su palabra sagrada, la Biblia. Libros cristianos est�n disponibles en gran cantidad en diferentes temas, en tu librer�a cristiana inmediata a tu barrio, entonces visita a las librer�as cristianas con frecuencia, para ver que clase de libros est�n a tu disposici�n, para que te ayuden a estudiar y entender las verdades de Dios.

Te doy las gracias por leer m� libro que he escrito para ti, para que te goces en la verdad del Padre Celestial y de su Hijo amado y as� comiences a crecer en �l, desde el d�a de hoy y para siempre.

El salmo 122, en la Santa Biblia, nos llama a pedir por la paz de Jerusal�n d�a a d�a y sin cesar, en nuestras oraciones. Porque �sta es la tierra, desde donde Dios lanzo hacia todos los continentes de la tierra: todas nuestras bendiciones y salvaci�n eterna de nuestras almas vivientes. Y nos dice Dios mismo, en su Esp�ritu Eterno: "Vivan tranquilos los que te aman. Haya paz dentro de tus murallas y tranquilidad en tus palacios, Jerusal�n". Por causa de mis hermanos y de mis amigos, dir� yo: "Haya paz en ti, siempre Jerusal�n". Por causa de la casa de Jehov� nuestro Dios, en el cielo y en la tierra: implorar� por tu bien, por siempre.

El libro de los salmos 150, en la Santa Biblia, declara el Esp�ritu de Dios a toda la humanidad, dici�ndole y asegur�ndole: - Qu� todo lo que respira, alabe el nombre de Jehov� de los Ej�rcitos, �el Todopoderoso! Y esto es, de toda letra, de toda palabra, de todo instrumento y de todo coraz�n, con su voz tiene que rendirle el hombre: gloria y loor al nombre santo de Dios, en la tierra y en las alturas, como antes y como siempre, por la eternidad.

>
> Es por eso, que cada vez que el hombre "recibe en su

> Jesucristo, entonces "muchas cosas buenas comienzan a tomar
> lugar" en su vida y en la de los suyos, tambiï¿½n, en la tierra
> para gozarlas por siempre, en sus nuevas vidas consagradas

> "recta" desde siempre en su alma, y "jamï¿½s torcida" por los
> poderes de las tinieblas de Lucifer del mï¿½s allï¿½, ni menos en
> la tierra, de nuestros dï¿½as y de siempre, por ejemplo.
>
> En verdad, la palabra de nuestro Dios "estï¿½ viva" en su poder
> celestial y sobrenatural, por lo tanto, "jamï¿½s podrï¿½ caerse
> al suelo" del mundo para ser eternamente y para siempre fiel,
> firme y recta en nosotros, con el fin de bendecirnos dï¿½a y

> los lugares del cielo con los ï¿½ngeles "mayores glorias de

>
> Y es por eso, que la palabra viva y de gran poder de nuestro
> Dios "traspasa los cielos dï¿½a a dï¿½a" para tocar el corazï¿½n y
> la vida del hombre, de la mujer, del niï¿½o y de la niï¿½a de fe,

> ï¿½l, delante de su presencia santa y de sus ï¿½ngeles santos, en

>
> Porque, ademï¿½s, toda obra de nuestro Padre Celestial ha de
> seguir siendo "hecha con la misma verdad y justicia infinita

>
> Entonces es Dios quien le da de "comer de su Hijo amado" a
> todo hombre, mujer, niï¿½o y niï¿½a de la tierra, porque nuestro
> Dios "ama la verdad y el derecho" de cada uno de ellos, ya
> sea en el paraï¿½so o en la tierra o en el nuevo reino venidero

> Es por eso que, donde quiera que tï¿½ vayas en todos los

>
> Pues desde los cielos "han venido" todas las cosas buenas de

>
> En la medida en que, nuestro Dios "prometiï¿½" que su palabra

>
> Y desde que el hombre recibiï¿½ este mandamiento de Dios, como

>
> Y ï¿½sta es una "fe", del corazï¿½n de nuestro Padre Celestial,

> JUSTICIA:
>
> "Es el derecho eterno" a lo que "le pertenece justamente" a
> una o varias personas. ï¿½ste derecho fundamental a que "la
> vida santa le pertenece a Adï¿½n" y a cada uno de sus
> descendientes, no se lo puede arrebatar nadie, ni ningï¿½n
> poder del mï¿½s allï¿½. Es por esta razï¿½n, que "la motivaciï¿½n que
> ha movido a Dios", a su Espï¿½ritu Santo y con posterioridad
> "ha restaurarle este derecho ï¿½nico y perpetuo al hombre "no
> ha cesado nunca, desde los primeros dï¿½as de vida del hombre
> en el paraï¿½so y hasta nuestros dï¿½as en toda la tierra, por
> ejemplo.
>
> Porque el deseo constante de Dios, para con el hombre, "es de
> restituirle cada uno de sus derechos celestiales de vida
> eterna", no sï¿½lo "en el paraï¿½so, en la tierra", sino tambiï¿½n

> "en todos los lugares del reino de los cielos", para que
> "pueda vivir su vida normal" y mï¿½s no muera jamï¿½s. Porque la
> verdad es que el hombre "tiene derecho a caminar y acceso" a
> todos los lugares del reino de los cielos y hasta aun en los
> mï¿½s recï¿½nditos del mï¿½s allï¿½, los cuales "sï¿½lo le pertenecen
> al SEï¿½OR", ï¿½nico Creador del cielo y de toda la tierra.
>
> Es mï¿½s, "ni aun los ï¿½ngeles" mï¿½s santos del reino "tienen
> tanto derecho a vivir" en el cielo, y "ha ingresar a los
> lugares muy santos y muy preferidos" de nuestro Padre
> Celestial, como el hombre del paraï¿½so y de toda la tierra,
> tambiï¿½n, por ejemplo, lo tienen infinitamente, por inicio
> propio. Y es por esta razï¿½n, mucho mï¿½s que ninguna otra, que
> Lucifer y muchos de sus ï¿½ngeles rebeldes, por ejemplo, "nos
> envidian tanto" y aun hasta la muerte de cada uno de
> nosotros, en el paraï¿½so, en la tierra y en el mï¿½s allï¿½,

>
> En realidad, esta es una de las verdades mï¿½s guardadas del
> enemigo de nuestras almas eternas; "ciertamente Lucifer no
> desea" que tï¿½, ni ninguno de los tuyos, "conozcas esta gran

> no sientas deseo de conocer a Dios, ni a su Jesucristo, ni a
> su Espï¿½ritu, ni menos a ninguno de los lugares eternos del
> reino celestial, de los cuales "sï¿½lo a ti te pertenece el
> derecho" de conocerlos y de caminar por ellos infinitamente.
>
> Conocerlos y caminar por siempre por sus lugares para
> "disfrutar su grandeza y su profunda gloria celestial", en tu
> corazï¿½n y en toda tu alma eterna, mi estimado hermano y mi
> estimada hermana, de la misma manera como Dios y sus ï¿½ngeles
> "viven y disfrutan infinitamente" de cada una de ellas dï¿½a a
> dï¿½a y por siempre, por ejemplo. En verdad, el reino de los
> cielos "es tan vasto", que realmente "no tiene fronteras" con
> ningï¿½n otro lugar en el mï¿½s allï¿½; "y todo te pertenece a ti
> por derecho propio", de acuerdo a la voluntad perfecta de
> nuestro Dios, desde el dï¿½a que nos formo en sus manos
> sagradas, en la tierra santa del cielo.
>
> Y, hoy en dï¿½a, tu corazï¿½n, asï¿½ como tu alma y todo tu cuerpo,
> espiritualmente hablando, "clama por volver al cielo 'y
> regresar" a los lugares santos y sagrados" que, por inicio,
> "nos pertenecen" para vivirlos y gozarlos infinitamente, en
> nuestras vidas celestiales del paraï¿½so. Y "lo ï¿½nico que nos
> detiene" para regresar a nuestras casas del cielo, a nuestros
> hogares eternos del paraï¿½so, por ejemplo, es el mismo pecado
> original de Adï¿½n y Eva en nuestras sangres humanas.
>

> Pero esto "no es ningï¿½n problema alguno", en nuestras vidas,
> "si tan sï¿½lo creemos" en nuestros corazones y "asï¿½
> confesamos" con nuestros labios: la verdad y la justicia
> celestial de nuestro Padre Celestial y de su Espï¿½ritu Santo y
> ï¿½del Seï¿½or Jesucristo! Es por esta razï¿½n, que nuestro Padre
> Celestial, desde mucho antes que separara las aguas de su
> firmamento y de la tierra, entonces "ya habï¿½a comisionado,
> apoderado" a su Espï¿½ritu Santo, para que "comience a
> descender" sobre la tierra seca, porque ï¿½l es la vida y la
> sangre del pacto eterno, entre Dios y el hombre de la
> humanidad entera.
>
> Y luego de que nuestro Dios habï¿½a enviado al mundo "al
> espï¿½ritu de la sangre" y del ï¿½rbol de vida, para que
> "subyugue" a cada una de las profundas tinieblas del mï¿½s
> allï¿½, en todos los lugares de la tierra, entonces "crea al

>
> Primero Dios crea a Adï¿½n en sus manos; y luego "Dios vio que
> no era bueno que ï¿½l estï¿½ sï¿½lo", entonces lo duerme y de su

> Eva, para que "posteriormente tï¿½ tambiï¿½n 'salgas' de sus

> sus espï¿½ritus humanos, no importa (o no es gran diferencia) a
> nuestro Dios, en el paraï¿½so, en toda la tierra o en el nuevo
> reino de los cielos, por ejemplo. Es decir, que "no importa
> quien naciï¿½ primero o ï¿½ltimo", en el cielo o en la tierra, lo
> que importa hoy en dï¿½a y por siempre, "si has comido" del
> fruto de la vida eterna, del cuerpo y de la sangre del ï¿½rbol

>
> Entonces lo que sï¿½ importa aquï¿½ y en el cielo, delante de
> Dios y de su Jesucristo, "es que tï¿½ comas y bebas de su fruto
> de vida eterna, para que tengas vida en abundancia, en la
> tierra y luego en el paraï¿½so, para entrar en el nuevo reino

>
> Entonces en este dï¿½a, muy crucial para tu vida, asï¿½ como lo

>
> Porque "si no lo haces asï¿½" en tu corazï¿½n, para bien eterno

>
> LA JUSTICIA ENGRANDECE EL CIELO Y ASï¿½ TAMBIï¿½N LAS NACIONES

> RECTITUD:
>
> Nuestro Seï¿½or Jesucristo es "el maestro de la rectitud" no
> sï¿½lo de los ï¿½ngeles del reino de los cielos, sino tambiï¿½n de
> cada hombre, mujer, niï¿½o y niï¿½a del paraï¿½so y de toda la
> tierra, tambiï¿½n, de nuestros dï¿½as, desde los dï¿½as de la
> antigï¿½edad y hasta por siempre en la nueva eternidad
> venidera. Porque en el reino de los cielos, el Seï¿½or
> Jesucristo ha de seguir siendo "el estandarte de rectitud",
> amor, verdad, justicia y santidad infinita en el corazï¿½n y en
> la vida de cada uno de sus siervos y siervas, del paraï¿½so y
> de la humanidad entera, eternamente y para siempre.
>
> Y es aquï¿½, para donde nuestro Dios te "crea" y, a la vez, te
> "llama" tambiï¿½n, para que estï¿½s con ï¿½l y asï¿½ entonces veas tu
> misma vida eterna, por la cual te formo en sus manos santas,
> en el dï¿½a de tu creaciï¿½n y de todas tus cosas, tambiï¿½n, en el
> paraï¿½so y en la tierra, por ejemplo. Es por esta razï¿½n, que
> nuestro Padre Celestial siempre "deseo", que asï¿½ como los
> ï¿½ngeles poderosos en santidad y rectitud infinita de sus
> corazones y de sus espï¿½ritus infinitos, sea tambiï¿½n para con
> sus hijos e hijas del paraï¿½so y de la tierra (incluyendo a
> ti, mi estimado hermano y mi estimada hermana, ya que eres
> obra de sus manos).
>
> Para que entonces cada uno de ellos, comenzando con Adï¿½n y
> Eva, por ejemplo, "llegue" a verle y a conocerle, tal como
> siempre ha sido (y ha de ser) a travï¿½s de los siglos y hasta
> por siempre, en la nueva vida celestial e infinita del nuevo
> mundo venidero del mï¿½s allï¿½, por ejemplo, como La Jerusalï¿½n
> Gloriosa del Mesï¿½as. Porque sin la rectitud del Seï¿½or
> Jesucristo, entonces ningï¿½n ï¿½ngel, como Lucifer y sus ï¿½ngeles
> rebeldes podrï¿½n "jamï¿½s ver, conocer o sentir" en sus vidas a
> su Dios, ni a su Espï¿½ritu Santo, para siempre.

>
> Y esto es, realmente, profundas "tinieblas" del mï¿½s allï¿½,
> como del bajo mundo, en donde moran los espï¿½ritus rebeles y
> las almas perdidas y sin Cristo en sus corazones, en el
> Abismo, reservados cada uno de ellos para el juicio final de
> Dios y de todas sus cosas, en el cielo, por ejemplo. Por otra
> parte, lo mismo ha sido verdad, desde siempre, para todo
> pecador y para toda pecadora de toda la tierra, desde la
> antigï¿½edad y hasta nuestros tiempos, tambiï¿½n.
>
> Es por esta razï¿½n, que nuestro Padre Celestial "lleva antes
> que nada" a Adï¿½n al pie del ï¿½rbol de la vida, su Hijo amado,
> ï¿½el gran rey Mesï¿½as!, para que "conozca" su verdadera comida
> y su verdadera bebida de su corazï¿½n y de su alma infinita,
> para vivir la vida eterna del paraï¿½so. Y asï¿½ hace, nuestro
> Padre Celestial dï¿½a y noche con cada corazï¿½n y con cada alma
> del hombre, mujer, niï¿½o y niï¿½a, descendientes de Adï¿½n, en
> todas las naciones del mundo entero, para "ofrecerles" sobre
> sus mesas: el fruto de vida eterna (la salvaciï¿½n perfecta de
> sus vidas infinitas) en la tierra y en el paraï¿½so, tambiï¿½n,
> para siempre.
>
> Porque la rectitud del Mesï¿½as era de suma importancia para el
> crecimiento espiritual, intelectual y corporal, tambiï¿½n, para
> Adï¿½n y para cada uno de sus descendientes, en sus millares,
> de todas las razas, pueblos, linajes, tribus y reinos
> eternos, en el cielo y en toda la tierra, tambiï¿½n,
> eternamente y para siempre. Y sin la rectitud del Seï¿½or
> Jesucristo, entonces Dios no desea (o no podï¿½a) tener
> "ninguna relaciï¿½n verdadera" entre Adï¿½n y sus criaturas, ya
> sean ï¿½ngeles del reino u hombres del paraï¿½so y de la
> humanidad entera, en toda su creaciï¿½n.
>
> Y ï¿½sta "rectitud" del ï¿½rbol de la vida estaba, ni mï¿½s ni
> menos, en su fruto de vida y de salud eterna, su ï¿½nico Hijo
> amado, el gran rey Mesï¿½as de todas las edades, en el mï¿½s allï¿½
> y en toda la tierra, tambiï¿½n, de nuestros dï¿½as y de siempre,
> por ejemplo. Es por eso, que nuestro Padre Celestial se la
> "ofreciï¿½" a Adï¿½n primero, para que coma y beba de ï¿½l, en
> aquel momento y en todos los dï¿½as de su vida para la
> eternidad, para que sus pasos sean por siempre "santos,
> rectos", delante de su presencia sagrada y en todos los
> tiempos del reino de los cielos, por igual.
>
> Pero Adï¿½n no llega a "entender" esta gran verdad espiritual y
> justa en su corazï¿½n, para mal de su vida y la de sus retoï¿½os,
> en sus millares, en todos los lugares de la creaciï¿½n de Dios,
> comenzando en el cielo, en donde "el pecado primero toma
> vida", en los ï¿½ngeles y luego en el hombre, para mal de
> muchos. Y aunque Adï¿½n no comiï¿½ y bebiï¿½ de su ï¿½rbol de vida

> eterna en el paraï¿½so, para que sus pasos sean justos y rectos
> todos los dï¿½as de su vida delante de su presencia, ya sea en
> el cielo o en la tierra, entonces Dios aun asï¿½ "espera de
> ï¿½l" que sea justo y recto de corazï¿½n, delante de ï¿½l.
>
> Entonces esa es la "fe infinita", de nuestro Dios, desde
> siempre, de que asï¿½ ha de ser con cada pecador del mundo
> entero, para que posteriormente se "reconcilie" con su verdad
> y justicia infinita, y regrese a su vida normal del paraï¿½so
> para que sea perfecto y recto en santidad delante de su Ley y
> de su nueva vida eternal. Porque el hombre de toda la tierra,
> despuï¿½s de haber llevado acabo y dicho todo que haya de
> vivir, hacer y decir en su vida, entonces tiene que tener un
> "encuentro personal" con su Dios y Fundador de su vida, por
> medio de su ï¿½rbol de vida eterna, ï¿½el Seï¿½or Jesucristo!, para
> reencontrarse con la felicidad celestial de su corazï¿½n.
> (Encuentro personal con Dios significa tener una relaciï¿½n
> recta con el Seï¿½or Jesucristo, tu ï¿½nico fruto de vida eterna,
> en el paraï¿½so, en la tierra y asï¿½ tambiï¿½n en el nuevo reino
> celestial de Dios y de sus huestes angelicales.)
>
> Ademï¿½s, para que esto se cumpla en la vida del hombre,
> entonces Dios "enviï¿½" a su Hijo amado al mundo, para que sï¿½lo
> de ï¿½l aprendan: verdad, amor, justicia y rectitud en todas
> las cosas de su vida, para gloria y para honra infinita de su
> nombre santo, en la tierra y asï¿½ tambiï¿½n en el nuevo reino
> venidero. Y, hoy en dï¿½a, mï¿½s que nunca el hombre "necesita"
> infinitamente: del espï¿½ritu de amor, verdad, justicia y
> rectitud del Seï¿½or Jesucristo, para escapar cada uno de sus
> pecados delante de Dios y asï¿½ entonces poder ver la vida
> eterna, desde ya en la tierra, para posteriormente, en el dï¿½a
> del SEï¿½OR, entrar nuevamente al reino de su felicidad
> celestial.
>
> En la medida en que, el reino de los cielos, asï¿½ como la
> tierra de nuestros dï¿½as y de siempre, "no fue creado" para
> los ï¿½ngeles del cielo jamï¿½s, aunque no lo creas asï¿½, mi
> estimado hermano y mi estimada hermana, sino para Adï¿½n y para
> cada uno de sus hijos e hijas de todas las naciones de la
> tierra. Y es por esta razï¿½n, que hoy en dï¿½a vives en la
> tierra tu vida delante de la Ley de Dios, sï¿½lo por la gracia
> infinita de su ï¿½rbol de vida eterna, el Seï¿½or Jesucristo,
> para que muy pronto ya te encuentres de nuevo unido a tu Dios
> y a sus huestes celestiales del paraï¿½so. Porque la Ley de
> Dios mata (declara culpable) al pecador, por su culpa, por su
> pecado, por su ofensa a Dios y a su vida santa del reino
> celestial, pero el Seï¿½or Jesucristo te protege de ella, por
> los poderes y autoridades sobrenaturales de su sangre y vida
> muy santa, para el cielo y para la tierra, tambiï¿½n.
>

> Entonces el hombre descendiï¿½ del paraï¿½so, asï¿½ como el Seï¿½or
> Jesucristo posteriormente, pero con el pecado de las
> tinieblas en su corazï¿½n y en su sangre contaminada, para
> morir y reencontrarse con el mismo Seï¿½or Jesucristo de
> siempre, sobre la cima de la roca eterna, pero esta vez
> clavado a ï¿½l, para que no evada al Seï¿½or mï¿½s, como antes. Y
> sï¿½lo entonces Jesucristo pudo finalmente, no tanto por la fe
> de Adï¿½n, ya que lo habï¿½a rechazado en su primer error humano,
> para ahora darle "rectitud de amor", verdad, justicia y
> santidad infinita a ï¿½l y a todo aquel que ame a su Creador,
> con tan sï¿½lo creer en su corazï¿½n y confesar con sus labios su
> nombre redentor.
>
> Y "ï¿½ste nombre salvador" del hombre, en la tierra y asï¿½
> tambiï¿½n del paraï¿½so y del nuevo reino sempiterno, como La
> Nueva Jerusalï¿½n Gloriosa del Mesï¿½as, es, ni mï¿½s ni menos, el
> mismo de ayer, de hoy y de siempre, su majestad de Israel y
> de la humanidad entera, el Cristo, el Hijo amado de Dios, ï¿½el
> Hijo de David! Porque sï¿½lo el Seï¿½or Jesucristo "cumpliï¿½
> rectamente" con su nacimiento, con su vida, con su
> crucifixiï¿½n: muerte y resurrecciï¿½n en el Tercer Dï¿½a, cada una
> de las promesas y palabras de los profetas, en las escrituras
> de la antigï¿½edad de Israel, para bien de muchos y gloria
> infinita de nuestro Dios y de su Espï¿½ritu Santo, en nuestras
> vidas.
>
> NUESTRO DIOS AMA LA RECTITUD DE SU HIJO AMADO EN EL HOMBRE
>
> Porque nuestro Padre Celestial es "sumamente justo" y, a la
> vez, "ama" de todo corazï¿½n, a los que con verdad y rectitud
> de espï¿½ritu de fe, "aman tambiï¿½n" a su Hijo amado, el Seï¿½or
> Jesucristo, en el paraï¿½so y en todos los lugares de la
> tierra. Por lo tanto, nuestro Padre Celestial desea que en la
> nueva vida infinita del nuevo reino de los cielos, entonces
> "los rectos 'contemplen' su rostro", infinitamente y para
> siempre, para que se gocen de su rectitud divina y asï¿½
> crezcan en su luz y en su gloria eterna, para nunca mï¿½s
> alejar de su Dios y de su hogar celeste.
>
> Y ï¿½ste es un privilegio celestial de "ver y conocer" el
> rostro de nuestro Padre Celestial, el cual sï¿½lo le pertenece
> a su Hijo amado, por inicio divino, ï¿½el gran rey Mesï¿½as de
> todas las edades! Porque a travï¿½s de los siglos, "nadie
> 'pudo' contemplar" el rostro del SEï¿½OR, ni los ï¿½ngeles
> perfectos, salvo ï¿½el Seï¿½or Jesucristo!, por que sï¿½lo ï¿½l es
> digno de tanta gloria y honra, en el cielo, en la tierra y en
> la nueva eternidad venidera, tambiï¿½n. Es mï¿½s, sï¿½lo Jesucristo
> posee en sï¿½ mismo la santidad insuperable, para creer y ver a
> Dios infinitamente en nuestros corazones y en nuestras nuevas
> vidas eternales del cielo.

>
> Y esta verdad siempre fue asï¿½, a travï¿½s de los siglos, en el
> reino celestial: Dado que, el rostro sagrado de nuestro Dios
> es tan "santo", que ninguno de los ï¿½ngeles del cielo posee en
> si, tanta santidad y tanta pureza espiritual y de luz divina,
> como el Mesï¿½as, para ver y conocer el rostro sagrado de
> nuestro Dios. Por esta razï¿½n, sï¿½lo el Seï¿½or Jesucristo conoce
> a Dios, y sï¿½lo Dios conoce realmente al Seï¿½or Jesucristo en
> su Espï¿½ritu Santo; por lo tanto, ningï¿½n ï¿½ngel del cielo puede
> decir realmente que conoce a Dios, como ï¿½nicamente el Seï¿½or
> Jesucristo le conoce, desde siempre.
>
> Es por eso, tambiï¿½n, que sï¿½lo el Seï¿½or Jesucristo "puede"
> darle de conocer a Dios al hombre de toda la tierra y mï¿½s no
> los ï¿½ngeles del cielo, por ejemplo. Porque los ï¿½ngeles "no
> sabrï¿½an" como empezar a manifestar a Dios, por su falta de
> santidad perfecta en cada uno de ellos y por falta de
> conocimiento de ï¿½l y de su deidad infinita, tambiï¿½n; es mï¿½s,
> sin Jesucristo en sus corazones, entonces los ï¿½ngeles, como
> los pecadores de la tierra, "no podrï¿½an ver" a Dios, ni menos
> conocerle jamï¿½s.
>
> Ni menos ningï¿½n ï¿½ngel del cielo "puede decir", realmente, que
> conoce al Seï¿½or Jesucristo, como sï¿½lo nuestro Padre Celestial
> le conoce a ï¿½l, en su pureza y en su santidad perfecta, de su
> espï¿½ritu y de su sangre viviente, desde los primeros dï¿½as de
> la antigï¿½edad y hasta nuestros tiempos, por ejemplo. Y "ï¿½ste
> privilegio" de conocer al Seï¿½or Jesucristo, el Padre
> Celestial nos lo ha entregado a nosotros, tambiï¿½n, si tan
> solamente "le amamos a ï¿½l", por medio del espï¿½ritu de fe, de
> su sangre del sacrificio del pacto eterno, el cual toma lugar
> en su dï¿½a, en las afueras de Jerusalï¿½n, en Israel, para el
> fin de la ceguera espiritual.
>
> Puesto que, la ceguera espiritual del hombre y asï¿½ tambiï¿½n de
> muchos ï¿½ngeles del cielo, es "profundamente grande" y nadie
> la pueda quitar del corazï¿½n (del hombre o de los ï¿½ngeles), si
> no es solamente por la fe viviente, de "creer" en el corazï¿½n
> y asï¿½ "invocar" con los labios: el nombre sagrado de nuestro
> salvador eterno, ï¿½el Seï¿½or Jesucristo! Y el corazï¿½n del
> hombre "tiene que creer" en el Seï¿½or Jesucristo, por inicio
> propio, como los ï¿½ngeles del cielo, y asï¿½ tambiï¿½n invocar su
> nombre santo, porque sï¿½lo el Seï¿½or Jesucristo es "la luz" del
> cielo para destruir cada una de "las tinieblas" del corazï¿½n
> malvado de Lucifer y de sus seguidores, en toda la creaciï¿½n
> de Dios.
>
> Porque en el dï¿½a que los ï¿½ngeles "pecaron" en contra del
> SEï¿½OR y de su gran rey Mesï¿½as, en el reino de los cielos, fue
> entonces bajo el liderazgo y engaï¿½o perdido del corazï¿½n en

> tinieblas de Lucifer, para "humillar" el nombre del Seï¿½or
> Jesucristo y asï¿½ exaltar su nombre inicuo mï¿½s alto que el
> nombre de nuestro Padre Celestial. Algo sumamente horrible y
> hasta imposible de alcanzar, tambiï¿½n, por lo tanto, el
> Espï¿½ritu Santo de Dios "no se lo permitiï¿½" en ningï¿½n momento,
> sino que lo paro seco en su camino de gran maldad y de
> ceguera espiritual, con la luz sumamente brillante y
> todopoderosa de su Espï¿½ritu Sagrado del ï¿½rbol de la vida, ï¿½el
> Seï¿½or Jesucristo!
>
> Porque en su santidad celestial y fidelidad infinita hacia el
> Padre Celestial y hacia su Hijo amado, entonces el Espï¿½ritu
> Santo de Dios se "enfrenta" a Lucifer y a cada una de sus
> profundas tinieblas de su corazï¿½n, para que este mal terrible
> jamï¿½s ocurra en el reino de Dios, con ï¿½l, ni con ninguno de
> sus ï¿½ngeles, por ejemplo. Porque delante de Dios y de su
> reino celestial sï¿½lo puede existir el "espï¿½ritu recto" de su
> Hijo amado, el ï¿½rbol de la vida eterna, de todos los seres
> vivientes del cielo y asï¿½ tambiï¿½n del paraï¿½so, de toda la
> tierra y del nuevo reino de los cielos, como La Nueva
> Jerusalï¿½n Sagrada e Infinitamente Honrada del cielo.
>
> Ademï¿½s, fue asï¿½ como el Espï¿½ritu Santo de Dios, en su
> rectitud celestial e infinitamente divina, entonces pudo
> "ponerle fin" a la rebeliï¿½n de la ceguera espiritual de
> Lucifer y de sus ï¿½ngeles caï¿½dos en el reino de los cielos,
> para que luego sean juzgados por su ceguera espiritual y
> crï¿½menes en el dï¿½a del juicio de todas las cosas. Y esta
> ceguera espiritual entra al paraï¿½so, para "cegar" el corazï¿½n,
> el espï¿½ritu y la vida de Adï¿½n y de cada uno de sus
> descendientes, para alcanzar el mismo fin, como intento con
> los ï¿½ngeles del reino de Dios, para que el nombre del Seï¿½or
> Jesucristo ya no sea en sus corazones, sino sï¿½lo el suyo,
> para mal de muchos.
>
> Entonces es por esta razï¿½n, que el camino del hombre delante
> de Dios comenzï¿½ a ser "un camino torcido" y mï¿½s no recto,
> para mal de su vida y de muchos en el paraï¿½so y tambiï¿½n en
> todos los lugares de la tierra, de nuestros dï¿½as, como hoy en
> dï¿½a vemos pecadores y pecadores haciendo siempre de las

> camino torcido por el camino recto, por el cual Dios mismo lo
> formo en sus manos, en el comienzo de su vida y de todas las
> cosas, en el paraï¿½so y en la tierra, tambiï¿½n, fue "el camino
> hacia el ï¿½rbol Viviente" y mï¿½s no el camino hacia el mal.
>
> Por tanto, ï¿½ste camino que lleva dï¿½a y noche a todo ser
> viviente hacia el mal eterno, ya sea ï¿½ngeles caï¿½dos del cielo
> u hombres pecadores o mujer pecadoras de toda la tierra, es
> "el camino rebelde" hacia el ï¿½rbol de la ciencia del bien y

The year is 1907, one hundred years ago.....but the speaker knew what he was
talking about.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

"In the first place, we should insist that if the immigrant who comes here
in good faith becomes an American and assimilates himself to us, he shall be
treated on an exact equality with everyone else, for it is an outrage to
discriminate against any such man because of creed, or birthplace, or
origin. But this is predicated upon the person's becoming in every facet an
American, and nothing but an American...There can be no divided allegiance
here. Any man who says he is an American, but something else also, isn't an
American at all. We have room for but one flag, the American flag... We have
room for but one language here, and that is the English language... And we
have room for but one sole loyalty and that is a loyalty to the American
people."

The year is 1907, one hundred years ago.....but the speaker knew what he was
talking about.

Theodore Roosevelt's ideas on Immigrants and being an AMERICAN in 1907.

"In the first place, we should insist that if the immigrant who comes here
in good faith becomes an American and assimilates himself to us, he shall be
treated on an exact equality with everyone else, for it is an outrage to
discriminate against any such man because of creed, or birthplace, or
origin. But this is predicated upon the person's becoming in every facet an
American, and nothing but an American...There can be no divided allegiance
here. Any man who says he is an American, but something else also, isn't an
American at all. We have room for but one flag, the American flag... We have
room for but one language here, and that is the English language... And we
have room for but one sole loyalty and that is a loyalty to the American
people."

As a new ham my self (licensed in March 2007) one thing that would help is if the elmers out there would tell us when we are doing wrong or being lids. But besides that I've been told that using "Break" should only be reserved for emergencies. That instead one should use "Contact". Now whether or not the person should even try to break into a convertation is another point all together. Just tonight I was having some mic problems and becasue I lack a second radio I broke in to a converstaion between these two hams as they where the only ones I could hear. I got a quick report, thanked them and left the frequency. Some times its the only way to check equipment.

This is only a personal thought but if the elmers help train the newbies then things will get better. Its when the elmers just complain about them and don't teach them is when things get worse. Now granted you can't teach everyone.

Sorry just had to throw my two cents in.

Someone told you wrong. Using break is common practice and has been
for as long as I can remember.

> That instead one should use "Contact".

I've never heard that before, except in the context of "No contact"
letting people know they couldn't reach the person they're trying and
are giving up.

Or they get it wrong and claim otherwise...

(BTW, rec.radio.amateur was moved to rec.radio.amateur.misc and
rec.radio.cb obsoleted alt.radio.cb some time ago...many servers don't
propagate or allow posts to those groups anymore).

Well...it would be nice if new HAMS would LISTEN for a while.
For instance, HAMS have a *NAME* not a handle or "First Personal". I don't
know where that shit started.
If you are standing by, you are standing by!..not "on the side and 10-10"
If he is loud and clear he IS loud and clear or 5 by 9...NOT "10-8" or "Tree
top tall".
You are not "Barefoot" but running XX amount of power.
Get rid of the "Power mike" and Echo/noisemakers..that's a bunch of shit.
If you are "Mobile"..you ARE mobile..not 18-wheel mobile or trashtruck
mobile...just mobile. Exception..."Maritime or Aeronautical"but not a must.
Long "CQ's" are fine on HF or SSB, forget that shit on VHF/UHF.CQ on VHF/UHF
blows. Just announce you are listening.
Want to announce your out there? "W6XYZ" is monitoring. No KHZ-1234/the

feltcher is 10-8/10-10 and on the side...forget that shit!
Best thing is to *LISTEN*..when in Rome..do like the Romans....Speak
HAM..not CB.

144. THE POLITICS OF MARQUEER'S MENTAL RETARDATION: A TAIL OF THE BELL CURVE

The life of a diversicrat is disagreeable. He is surrounded by irritants. Of them, he finds none more unsettling than race, particularly racial differences. He confronts them daily, on the athletic field, in the classroom, in the workplace and on the street. Most prickly are IQ differences. Intelligence, after all, is the hallmark of our species. The diversicrat twists and strains to explain IQ gaps away, abandoning parsimony for convolution. But he does not stop with explication. He is an ideological crusader. And like most crusades, this one has victims. Sadly, they include the ill-starred and hapless mentally retarded. Their wretched malady is secondary to the fact that they are asymmetrically black.
Nature-nurture issues do not concern us here. We ask how, not why. We accept racial IQ incongruities as facts, noting only that efforts to erase them have failed. The average IQ of East Asians (Chinese, Japanese and Koreans) is about 1/3 standard deviation (SD) or about 5 IQ points higher than that of Europeans. Ashkenazic Jews score higher still. Their mean IQ is about 15 IQ points above that of non-Hispanic whites. In the US, the African American with a mean score of 85 is at the bottom of the cognitive deck. He thus finds himself disproportionately represented among the ranks of the retarded. All this is anathema to the diversicrat.

The black-white IQ gap has been studied and analyzed for more than 80 years. It has outlived sweeping attitude changes, from extreme anti-black discrimination to bias against whites, Asians and males. The billion-dollar Head Start budget has not dented it. Though IQ scores have been rising worldwide for decades (the Flynn effect) the cognitive distance between blacks and whites has remained remarkably constant. In fact, the 1 SD black-white IQ gap is as close to a fundamental sociological constant as we come.

When the IQ of non-Hispanic whites is normalized to a mean of 100 and SD of 15, the African American mean falls at about 85 with an SD of about 13.5. The black IQ distribution both lags behind and is narrower than the white. The small difference in width manifests itself significantly at the bell curve extremes, reducing both the numbers of retarded and exceptional blacks.

Figure 1 shows IQ distribution curves for African Americans and non-Hispanic whites. The areas under the curves are normalized to unity, so that the narrower black distribution appears taller. Two standard deviations from each side of the white mean mark IQ boundaries for retardation and giftedness. Outside these borders, in the shaded regions, are the cognitive extremes. There, the areas under the curves represent the fractions of each group who meet IQ criteria for retardation or giftedness. (Most striking is

the tiny black representation in the gifted region.) The ratio of areas shows blacks to be 6.1 times more likely than whites to fall below the boundary for retardation, and 53 times less likely to be gifted. So profound are the group differences that they are apparent to the man in the street, who observes a profusion of African Americans at the bottom of the economic and educational ladders, and a scarcity at the top.

hey people.

I have an President HR 2510. I believe it works, the mic is broken is all I remember wrong with it.
I am not a ham radio operator and know i am not suppose to use this radio and don't. Problem is i just know it could be put to better use elsewhere. I don't want to even think of ebay to get rid of it and newspaper ads just doesn't sound like a real ham would end up with it.

I also have a Thunderbolt amplifier, tube type. I wouldn't even begin to know how to operate it correctly. I hooked it up on a base station once to see what would happen....fiddled with a couple knobs and the next thing i knew my phone was ringing whenever i keyed up.
That is also sitting in my basement and I just want to get them to someone who can use them, or the parts in them.

Anyone with an idea? Would contacting a radio club in my area be a good idea? Detroit, Michigan here.

Thanks in advance.

161. FM CB and "talk power".

Do you really believe that FM CB is suited to such devices?

Any idea of "talk power" cannot be applied to FM. The
power is constant, regardless of audio, and detected audio
level is not decided by signal level.

More importantly, FM sidebands are not as simple and
neat as AM sidebands. To fit FM in 10KHz slots takes
delicate balance, any messing with the transmitted
audio can soon tip it over.

Here in the UK, when CB was first legal, we were
allowed 2.5KHz deviation. Fine until the CBers
of the day, unaware that FM is different, fell for
the "talk power" promises of American advertising.
The resulting splatter cut down the number of channels,
you had to avoid channels next to one in use. People
were constantly being asked to move from channel
20, because nobody could use 19.

A speech processor makes matters worse, as it ensures
that your increased adjacent channel power is not just
confined to the peaks of your audio - you now have a
guaranteed constant 100% splatter power.

And it's not as simple as good filtering. If you increase
your transmit audio, more of your power will be contained
in side frequencies lying outside the bandwidth of
a decent receiver.

So, to allow for "loud" audio on FM, you must make your
receiver open to adjacent channel interference. On top of
this, the "loud" transmissions on adjacent channels will be
putting out stronger signals within your passband.

The result of these devices on FM CB is not "talk power",
it is distortion and interference. We in the UK have seen
and suffered it, and the government changed CB
specifications in an attempt to stop the mess.
They reduced the allowed deviation and set a minimum
adjacent channel rejection figure for the receiver.

Peter.

When I look through the downloaded and cached

Now, is that down to Sharkie controlling my mind

Real over generalization for sure.
CBers in San Diego have a very well organized Emergency Team
http://www.seacoastreact.org/

They were very instrumental during the fires here in helping with
communications. Also for lots of Public Relations events.

I know several Hams who also have CB, one is an extra (40 years) and is a
QCWA and FISTS member.

REACT nation wide is a commendable effort
http://www.reactintl.org/

Like every endeavor, CB and Amateur Radio has good guys and bad apples -
listen to 80 Meters sometime.

The whole point to this thread is for new Hams (CBers or not) to make the effort to learn accepted Ham operating procedures and leave their CB operating habits on the CB band.

The ARRL web site and books have lots of info on proper operation. For Repeaters see URL's
http://www.arrl.org/tis/info/pdf/repeater1.pdf

http://ac6v.com/FM101.htm

On repeaters (Like every where else) there are helpful folks and the nasties) get over it - move on

Lamont (Extra since 1979)

The board is not fully shielded. From the pictures I see components on

but some form of shielding.

Ignore him. He has posted so much crap on this board and claimed he is never coming back here that anything he posts now is just rants from a parents basement apartment dwelling, pseudo christian and failed truck driving dopey ham. Did I miss anything?
Getting back to the 2510, its a good radio with plenty of mods available. How much are you asking for it?

That applies to you, too. Seriously, it's obviously a personal matter
between two or three people. Instead of spamming a bajillion
newsgroups, take it to private email or go start your own mailing list
so the rest of us can actually use rec.radio.* for what it's designed
for instead of your gay little pissing contest.

So from what I can gather, one of your enemies has driven you to resort
to moderation of a forum... and you call that a victory? If anything,
it's the other guy who's had the victory.

Not asking much for the radio or the amp. if I make a few bones after
shipping that would be fine.

I will get them both out this weekend and will have more details about
them.

A moderated forum was created BECAUSE of Mark's abuse of these radio groups. It was nobody else's fault. Mark has the mistaken idea that HE is the de-facto moderator of this and other radio newsgroups and thus has carte blanche to flame, flood, and otherwise spam the groups with hundreds of inane posts per diem. Note that he refers to himself as the "ownder" of that "furom"...

None of Mark's flooding is anything near a "milder form", and it has yet to dawn on Mr Morgan that it was HE who initiated the flood of anger in the first place.

So there you have it. If Mark Morgan of Chassell, Michigan feels HE can do without it (the group) then he feels that the rest of US can do without it too, and the interloper has subsequently ruined this and other radio groups through his pure, unadulterated stupidity and crass selfishness.

Most of us are willing but as a lot of hams say is listen then transmit.
Well listening you hear a lot of hams use "Handle" or "First Personal" on
HF. I personally use "my name is ..." or "the name here is ...". I do
agree with not using 10 codes as I most HAMS I know have no clue what the
10 codes are (besides 10-4).

My main point is that in the classes they don't always teach that. And if
they do its glossed over so if someone has been using the CB for years and
no one tells them otherwise they will have a problem. Now if they
continue to do it then yes they are a LID. This is especially true if
they don't take a class and just go to the government to write the test.
The jargon in Canada is only two questions out of 100 so getting them
wrong usually doesn't make much difference. Would learning code help?
Maybe. I'm in the process of banging through code just to say I have it
but am I going to use it much. Only time will tell.

This could drag on for a while so I'll wrap things up. Thanks for reading
my rant.

I don't know and never heard anyone use "first personal" although
frankly sine in some cricles of hams I am known not by my firstname
but my birth middle name "konstans" that is my CB handle and if
addressed by it on ham bands I would say it is still my "handle since
the engilish speaking world is hung up on having one and only one name

Ifrankly don't see the problem with either although I don't em much

I do say if that is sole beef with an OP you got no real beef
>
> My main point is that in the classes they don't always teach that.
classes I have only once heard of classes accutaily being given

indeed in my first efforts in the 70's i never encoutroed clases in my
efforts to learn Morse Code (I failed then)

"well nimbusters "Ham Baord" AKA woger flaming site has declared

an interesting turn of events a site where woger (http://www.qrz.com/
detail/AB8MQ) has posting frely such vile filthabout me mostly and his
other target (http://www.qrz.com/detail/N0VFP) and where Dloyd was
found of hangingout and springing no blackmail schemes against me is
now declared closed. there has been much whining about this on RRAP
and a difeinate uptick in woger's insane posting but not to the degree
one would expect, it is possible that vierting him to fight there and
attacking with ToS on Google have cliped Woger wings at least for a
while.

neither victory nor a defeat for me a defeat for those others around
the feud trying to exploit it

The main problem I see with the voicemax is that it is a fast response,
short hold time audio compressor.
CBers like their audio clipped off on their peaks so they can sound LOUD and
like Shit. The more screwed up the audio is the better they like it

Now if the compressor was followed by a clipper with some clipping on the
peaks, followed by a low pass filter, it could sound LOUD without splitter.

I forgot CBers like to splitter across the band so their buddies on the
band can hear them no matter what channel their on.

Capitalized for emphasis? :lol:

I know of two hams that have their audio cranked up so loud on
2 meter FM, that when you turn them down to a normal level, you
can't hear the reply from a normal user.

So haven't you realised this is a newsgroup? Why would anyone want to buy
an outdated product from the 80's that requires expensive test equipment to
set up in a radio correctly?
First get a product people actually want, then learn how to market. I take
it you can shift it on ebay - which should tell you to give up.

Maybe I need a Telspam sig to really cash in on this usenet advertising

Hello Landshark:

Man you had the battery such-em dry model. There was a model that had one driving three, driving 6, or something like that. I wounder what it drew in current? Just amazing how out of hand these linears got with the start of the Palmar Pulser that had only one tube.

I remember my dear ol Dad having to remove the old Ford generator off his 1964 Custom Cab Truck with bright Red Bucket Seats (hot stuff in 1964) and install a new wizz bang Alternator. More hot stuff for the late 60's early 70;s. He had the Ampmeter mounted on the RH Side of the dash, using plumbing chrome finish fixtures. As it was in those days, "Man thats Custom"

This drove a 2 element quad antenna on the fishing boat. Dad loved to shot skip to all over the world on the CB on the boat. Buts thats another story.

Hello Jay

Yeah that sounds like a fun boat as a yougin for certain. My dad never had much interest in radio, but he was/is a hell of a fisherman and hunter.

Gotta enjoy those tube type rigs while they're still alive, qsk.

The old man has the real radio voice so if I want to draw attention to myself I put him up to calling cqdx. Good clean radio fun.

If there is instabilities that often is the results of to much gain in

Also proper RF by passing and PCB layout can minimize stray pickup of

Living with mommy in her basement and jerkin' off to gay porno movies.

If that aint lost and not grown up what is?

Come on chukkeesukkee, dance some more...lie some more...be a good christian some more. Cuss me out and call me all kinds of names like a good Christian should.

Unfortuantly, probably good advice. However, also, parents don't let
your children intern for presidents, senators or congressmen! And, you
would be wise to watch them around state, county and city officials!

I have to wonder if you're getting this advice from truckers by any
chance? I can understand where they're coming from if their antennas
aren't springloaded (so they're basically smashing the damn thing if
they drive under something shorter than the antenna is).

In fact, convicted sex offender Marqueer C. Morgan KB9RQZ does employ
ham radio frequencies to lure underaged boys to his filthy traielr so
he can molest them. Marqueer lives at

17366 River Rd. Chassell, MI 49916
or P.O. Box 212, same city, etc, the drop he uses to distribute
pornography.

I missed something.
I mention the no code license from time to time in school. As
far as I know, no student has opted to get their license, though to be
fair, I don't care about their private lives, so I don't have reason
to check.

The Twelve Commandments of Flaming
Make things up about your opponent: It's important to make your lies
sound true. Preface your argument with the word "clearly." Example:
"Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of
Freud. You took a psychology course in college. Clearly, you're
qualified to psychoanalyze your opponent. Example: "Polly Purebread, by
using the word 'zucchini' in her posting, shows she has a bad case of
penis envy."

Cross-post your flames: Everybody on the 'Net is just waiting for the
next literary masterpiece to leave your terminal! From the Apple II
Roundtable to X-10 Powerhouse Roundtable, they're all holding their
breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a sh**head. There's obviously a conspiracy against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin & Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I've posted to the wrong group, Bertha has libeled me, slandered me, and sodomized me. See you in court, Bertha."

Force them to document their claims: Even if Harry Hoinkus states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on Harry's pasta preferences, then Harry's obviously lying.

Use foreign phrases: French is good, but Latin is the lingua franca of Flaming. You should use the words "ad hominem" at least three times per article. Other favorite Latin phrases are "ad nauseum," "veni, vidi, vici," and "fettuccini alfredo."

Tell 'em how smart you are: Why use intelligent arguments to convince them you're smart when all you have to do is tell them? State that you're a member of Mensa, or Mega, or Dorks of America. Tell them the scores you received on every exam since high school. Example: "I got an 800 on my SATs, LSATs, GREs, MCATs, and I can also spell the word 'premeiotic'."

Accuse your opponent of censorship: It is your right as an American citizen to post whatever the hell you want to the 'Net (as guaranteed by the 37th Amendment, I think). Anybody who tries to limit your cross-posting or move a Flame War to email is either a communist, a fascist, or both.

Doubt their existence: You've never actually seen your opponent, have you? And since you're the center of the universe, you should have seen them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the beauty of Flamers' logic.

Lie, cheat, steal, leave the toilet seat up.

When in doubt, insult: If you forget the other 11 rules, remember this one. At some point during your wonderful career as a Flamer you will undoubtedly end up in a Flame War with somebody who is better than you. This person will expose your lies, tear apart your arguments, and make you look generally like a bozo. At this point, there's only one thing to do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does strange things with vegetables."

Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Polly Purebread, by using the word 'zucchini' in her posting, shows she has a bad case of penis envy."

Cross-post your flames: Everybody on the 'Net is just waiting for the next literary masterpiece to leave your terminal! From the Apple II Roundtable to X-10 Powerhouse Roundtable, they're all holding their breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a sh**head. There's obviously a conspiracy against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin & Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I've posted to the wrong group, Bertha has libeled me, slandered me, and sodomized me. See you in court, Bertha."

Force them to document their claims: Even if Harry Hoinkus states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on Harry's pasta preferences, then Harry's obviously lying.

Use foreign phrases: French is good, but Latin is the lingua franca of Flaming. You should use the words "ad hominem" at least three times per article. Other favorite Latin phrases are "ad nauseum," "veni, vidi, vici," and "fettuccini alfredo."

Tell 'em how smart you are: Why use intelligent arguments to convince them you're smart when all you have to do is tell them? State that you're a member of Mensa, or Mega, or Dorks of America. Tell them the scores you received on every exam since high school. Example: "I got an 800 on my SATs, LSATs, GREs, MCATs, and I can also spell the word 'premeiotic'."

Accuse your opponent of censorship: It is your right as an American citizen to post whatever the hell you want to the 'Net (as guaranteed by the 37th Amendment, I think). Anybody who tries to limit your cross-posting or move a Flame War to email is either a communist, a fascist, or both.

Doubt their existence: You've never actually seen your opponent, have you? And since you're the center of the universe, you should have seen them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the beauty of Flamers' logic.

Lie, cheat, steal, leave the toilet seat up.

When in doubt, insult: If you forget the other 11 rules, remember this one. At some point during your wonderful career as a Flamer you will undoubtedly end up in a Flame War with somebody who is better than you. This person will expose your lies, tear apart your arguments, and make you look generally like a bozo. At this point, there's only one thing to do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does strange things with vegetables."

No. Fiberglass is a protection of the actual wire that makes up the
antenna. It is so thin with respect to the wavelength at CB
frequencies that is essentially lossless. It will not deteriate

The Twelve Commandments of Flaming
Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Polly Purebread, by
using the word 'zucchini' in her posting, shows she has a bad case of penis envy."

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a sh**head. There's obviously a conspiracy against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin &
Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I've posted to the wrong group, Bertha has libeled me, slandered me, and sodomized me. See you in court,
Bertha."

Force them to document their claims: Even if Harry Hoinkus states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on Harry's pasta preferences, then Harry's obviously lying.

Sure I do. You and krp are birds of a feather. A couple of sick shits
here spreading your filth and illness in hopes of either finding
others like you, or infecting others with your garbage.

Wont' work.

The only reason you can get away with it at all is that normal decent
socially responsible humans tend to put up with you stead of using the
Arab solution.

Threatening without follow through is never good form. Thankfully internet harassment using people's real names, especially when those people have done nothing to the stalker will soon become a thing of the past. I'm currently watching over the shoulder of a firm doing this, pro-bono, from a journalistic point of view.

So far it amazes me how not only will the stalker be charged, but if they're using a company computer.... we're talking serious money awards and you can guess who will get the most of that? Not the stalkee's.

Bascially if you're going to attack someone, make is someone that is attacking you and keep the sexual connotations out of it. If you are not intelligent enough not to do that, I suggest finding a new hobby.

The Twelve Commandments of Flaming
Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, Fred Flooney is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Polly Purebread, by using the word 'zucchini' in her posting, shows she has a bad case of penis envy."

Cross-post your flames: Everybody on the 'Net is just waiting for the next literary masterpiece to leave your terminal! From the Apple II Roundtable to X-10 Powerhouse Roundtable, they're all holding their breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a sh**head. There's obviously a conspiracy against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin & Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I've posted to the wrong group, Bertha has libeled me, slandered me, and sodomized me. See you in court, Bertha."

Force them to document their claims: Even if Harry Hoinkus states outright that he likes tomato sauce on his pasta, you should demand documentation. If Newsweek hasn't written an article on Harry's pasta preferences, then Harry's obviously lying.

Use foreign phrases: French is good, but Latin is the lingua franca of Flaming. You should use the words "ad hominem" at least three times per article. Other favorite Latin phrases are "ad nauseum," "veni, vidi, vici," and "fettuccini alfredo."

Tell 'em how smart you are: Why use intelligent arguments to convince them you're smart when all you have to do is tell them? State that you're a member of Mensa, or Mega, or Dorks of America. Tell them the scores you received on every exam since high school. Example: "I got an 800 on my SATs, LSATs, GREs, MCATs, and I can also spell the word 'premeiotic'."

Accuse your opponent of censorship: It is your right as an American citizen to post whatever the hell you want to the 'Net (as guaranteed by

the 37th Amendment, I think). Anybody who tries to limit your cross-posting or move a Flame War to email is either a communist, a fascist, or both.

Doubt their existence: You've never actually seen your opponent, have you? And since you're the center of the universe, you should have seen them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the beauty of Flamers' logic.

Lie, cheat, steal, leave the toilet seat up.

When in doubt, insult: If you forget the other 11 rules, remember this one. At some point during your wonderful career as a Flamer you will undoubtedly end up in a Flame War with somebody who is better than you. This person will expose your lies, tear apart your arguments, and make you look generally like a bozo. At this point, there's only one thing to do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does strange things with vegetables."

The Fourteen Commandments of Flaming

Make things up about your opponent: It's important to make your lies sound true. Preface your argument with the word "clearly." Example: "Clearly, woger is a liar, and a dirtball to boot."

Be an armchair psychologist: You're a smart person. You've heard of Freud. You took a psychology course in college. Clearly, you're qualified to psychoanalyze your opponent. Example: "Woger, by using the word "fruit" in his posting, shows he has a bad case of Mark envy.

Cross-post your flames: Everybody on the 'Net is just waiting for the next literary masterpiece to leave your terminal! From the Apple II Roundtable to X-10 Powerhouse Roundtable, they're all holding their breath until your next flame. Therefore, post everywhere.

Conspiracies abound: If everybody's against you, the reason can't possibly be that you're a flooder, wacko, and an asshole to boot. There's obviously a conspiracy
against you, and you will be doing the entire 'Net a favor by exposing it.

Lawsuit threats: This is the reverse of Rule #4 (sort of like the Yin &
Yang of Flaming). Threatening a lawsuit is always considered to be in good form. Example: "By saying that I am a NG flooder,
woger has libeled me, slandered me, stolen from me, and libeled my wife. See you in court,
woger."

Force them to document their claims: Even if woger states

'cognat."

Accuse your opponent of censorship: It is your right as an American
citizen to post whatever the hell you want to the 'Net (as guaranteed by
the 37th Amendment, I think). Anybody who tries to limit your
cross-posting or move a Flame War to email is either a gay basher, or
homophobe, or both.

Doubt their existence: You've never actually seen your opponent, have
you? And since you're the center of the universe, you should have seen
them by now, shouldn't you? Therefore, THEY DON'T EXIST! This is the

you look generally like a bozo. At this point, there's only one thing to
do . . . INSULT THE DIRTBAG! Example: "Oh yeah? Well, your mother does

As a last resort, flood the NG with inaine posts, and then rationalize
that it is in your own defense against libel.

Post all messages through teranews, that will show them.

Good point James. Yanks will hate France for they have a different opinion on how the world revolves. People forget Yorktown Va and the Statue of Liberty. I spent some time in France and can say they are no different than you and I. The French Revolution is considered a watershed event in the history of human development. The ignorant here may loathe them but without their help during the Revolution we would be playing cricket instead of baseball.

Not really. Brian will always be a failure because he's just too lazy.
Even if he hits on a product that sells big he'll -still- fail because
he's too lazy to deal with success. The rest of the newsgroup is flame
war overflow from rrap. Nothing worth reading. And with the election
campaigns heating up, the newsgroups will soon be flooded with pundits
trying to seed their propoganda, which is pointless since the outcome
has already been decided -- the politicians will win, the people will
lose. The only question is how bad we will lose. So I've been hanging
out in a more appropriate newsgroup, waiting to see if my soon-to-be
Master's degree is going to be worth anything in the future. Anything
else seems frivolous at the moment.

Ham radio operators are all very boring old men who
drone on and on about their stupid radios. They ought
to look in a mirror every now and then. Most of em wear
clothes that look like they came from the Goodwill
Store donations bin, they smell, they almost all smoke
stinky tobacco, are usually racist towards blacks and
jews, and finally they drive ugly old cars with antennas
all over them. Heck yes I am going to keep my kids
away from these f--king looosers! I wouldn't be suprised
if some of them are sexual perverts too.

: capabilities to disrupt or indulge in sophistry, or to exploit a medium
: that resembles speech without the non-verbal and intonation cues, etc
: as a means of denigrating others, I question your use, albeit in quotes,
: of the word "remote". I'm not saying it isn't remote and therefore it is
: great, I'm just saying that I don't think we can easily classify it as
: remote, moderate, or great.

I think you can build up quite a good picture based on what someone says
and on their posting patterns. I don't think "The Internet" (capitals, no
less) is as opaque a medium as you make it out to be.

: It is not easy to determine the validity of all information on The
: Internet without making use of extra supplementary information.

: We do have the problem, pointed out by someone else, of the possibly
: "too perfect" textbook characteristics of what is being posted.

I explained that one, but I don't mind explaining it again (you don't
mind having it explained again to you, do you now?). The reason my
"symptoms" are such a perfect fit to the textbook is because the people
causing the campaign "fitted me up" in such a way that what they did
would resemble the symptoms of schizophrenia. Hence TV, radio, other
media, people in the streets etc. By a fortunate coincidence (for them)
these mthods of harassment are the ones which offer easiest channels of
access (for them).

It's really quite neat. All it takes is for people to start believing
that the "symptoms" aren't symptoms but reality, though, and the house of
cards collapses in a heap. And there are _lots_ of people now who knoiw
full well what has gone on.

: If harrassment by email, etc, has happened by someone out of the country,
: can a complaint be made that results in arrest or whatever upon that
: person's entry into the country? An interesting point which Mike may be
: able to inform us about, as he's said he will be in the UK in a few weeks
: time.

Picture the scene at the airport;
"I arrest you for being Mike Corley and mailbombing people"

"But my name isn't Corley. Who he? Mailbombing isn't illegal is it? You'd
have to lock up a lot of people if sending annoying email was a crime"

"Er....."

: context-free parts of articles, conversations and things-on-the-TV and
: assume they are meant for you. Mike, this is called paranoia.

But that's the way real abuse works, too. People interject words and
phrases into what they say which they know will have meaning for the listener.

And sometimes, they make it obvious. The very first evening of my job in
Oxford, we went for a drink with the technical director, and a couple
of other employees. The TD said in an "as-if" aside to one of the others,
"Is this the bloke who's been on TV?" (he said it directly in front of
me, and obviously meant mke to hear him saying it). The other person
replied, "Yes, I think so".

I think the subtext of what the TD said was "Why are they bothering with
him? He's so insignificant, why would they possibly want to spend the
resources going after him and putting all that expensive technology in
his home, when there must be much better targets?". The Technical
Director was given to sometimes disrespecting people, you see, and in my
case he couldn't see the point of anyone expending money on harassing me.

"Unprecedented" hits the nail on the head. It _is_ unprecedented, but we
have only just reached the technical stage at which it is feasible, and
we know video-spying is done to other people (NB the Diana-Hewitt
episode) and is a routine tool of security agencies.

Perhaps what is unprecedented is not the technical side, but the social
manipulation of many people by a concealed element in what other
countries would be called the secret police. The most disturbing element
is the degree to which people allow themselves to be unquestioningly
manipulated by an evil element within the state.

: great, I'm just saying that I don't think we can easily classify it as
: remote, moderate, or great.

I think you can build up quite a good picture based on what someone says
and on their posting patterns. I don't think "The Internet" (capitals, no
less) is as opaque a medium as you make it out to be.

: It is not easy to determine the validity of all information on The
: Internet without making use of extra supplementary information.

: We do have the problem, pointed out by someone else, of the possibly
: "too perfect" textbook characteristics of what is being posted.

I explained that one, but I don't mind explaining it again (you don't
mind having it explained again to you, do you now?). The reason my
"symptoms" are such a perfect fit to the textbook is because the people
causing the campaign "fitted me up" in such a way that what they did
would resemble the symptoms of schizophrenia. Hence TV, radio, other
media, people in the streets etc. By a fortunate coincidence (for them)
these mthods of harassment are the ones which offer easiest channels of
access (for them).

It's really quite neat. All it takes is for people to start believing
that the "symptoms" aren't symptoms but reality, though, and the house of
cards collapses in a heap. And there are _lots_ of people now who knoiw
full well what has gone on.

: If harrassment by email, etc, has happened by someone out of the country,
: can a complaint be made that results in arrest or whatever upon that
: person's entry into the country? An interesting point which Mike may be
: able to inform us about, as he's said he will be in the UK in a few weeks

Picture the scene at the airport;
"I arrest you for being Mike Corley and mailbombing people"

"But my name isn't Corley. Who he? Mailbombing isn't illegal is it? You'd
have to lock up a lot of people if sending annoying email was a crime"

"Er....."

: context-free parts of articles, conversations and things-on-the-TV and
: assume they are meant for you. Mike, this is called paranoia.

But that's the way real abuse works, too. People interject words and
phrases into what they say which they know will have meaning for the listener.

And sometimes, they make it obvious. The very first evening of my job in
Oxford, we went for a drink with the technical director, and a couple
of other employees. The TD said in an "as-if" aside to one of the others,
"Is this the bloke who's been on TV?" (he said it directly in front of
me, and obviously meant mke to hear him saying it). The other person
replied, "Yes, I think so".

I think the subtext of what the TD said was "Why are they bothering with
him? He's so insignificant, why would they possibly want to spend the
resources going after him and putting all that expensive technology in
his home, when there must be much better targets?". The Technical
Director was given to sometimes disrespecting people, you see, and in my
case he couldn't see the point of anyone expending money on harassing me.

"Unprecedented" hits the nail on the head. It _is_ unprecedented, but we
have only just reached the technical stage at which it is feasible, and
we know video-spying is done to other people (NB the Diana-Hewitt
episode) and is a routine tool of security agencies.

Perhaps what is unprecedented is not the technical side, but the social
manipulation of many people by a concealed element in what other
countries would be called the secret police. The most disturbing element
is the degree to which people allow themselves to be unquestioningly
manipulated by an evil element within the state.

It is in the same style as his other pieces, but it's so close to what

to assume that someone told Levin about the meeting, hammed it up a
little bit and motivated him to write that article.

Look at the parallels;

1. "madman running loose about London"

2. it's about a meeting which took place recently

3. the police are called (he must be controlled, however much that
consumes in resources)

4. he might be violent, approach with caution, yes we're laughing but
really we're afraid of him, or is it perhaps our own propaganda that
we're letting manipulate us

5. he "bursts into tears, and swears it's all true - and it is" a very
exaggerated impression of the conclusion of that meeting

Don't worry if you don't believe me, neither my friend to whom I
explained this nor my GP believe me either (until the friend found out
otherwise!). If someone just presented this to you as I am presenting it
now then I wouldn't find it credible (most likely), so it's not until you
actually find out it's true that you can find it credible. And by then
it's too late, because they've got you in their trap and explained how
"funny" the abuse is.

Given that Mr Corley clearly holds a certain fascination for some people,
and that his website, although "informative", isn't exactly ideal for
encouraging discussion of the sort that we all enjoy so much (including
Mike himself, by the look of things), would anyone be up for a Mike
Corley newsgroup - uk.fan.mike-corley, alt.fan.mike-corley, whatever?
(Sorry, I'm not very well up on these things.)

This would be a perfect place for Mike to post his writings, and perhaps
the occasional "look at the ...mike-corley newsgroup" posting in uk.misc
and so on would be accepted in place of the current cross-posts.

Perhaps we should give Mike 7 days from today (6 July 96) to come to his senses and they start a massive multiple E-mailing campaign to Toronto Free Net. If all us victims send multiple copies of E-mails to the right addresses in Toronto then perhaps the Canadians will begin to get the appropriate message.

Copy e-mailed to Mike, just so he knows what is coming if he persists.

I see. So they're not wasting six years of manpower to persecute you. They're wasting six years of manpower to prove I'm _not_ being persecuted.

I wish I was clever enough to think of something like that. I really, really do.

Come on "Big Ears", why don't you admit that you made this posting? This is exactly the same line you were feeding me a few months ago. The posts are from the same news server, it's even the same newsreading software (Forte Agent .99e/16.227).

I'm afraid that if you friend "in the know" denied the existence of a plot then he was being, as they say, economical with the truth. Judging by the extreme reaction in London in May, and the panic you're showing now, as well as the replay post yesterday, I would say that things are hotting up again. But for you this time, not for me. I am out of harm's way, and there is very little you can do as long as I stay out of the UK.

Wasn't it documented that MI5 sometimes "bought" journalists and broadcasters?
I remember reading a report by some jouralist who had been offered an extra
tax-free income by MI5 to become their covert mouthpiece, and had refused.

Bet you lots of others didn't refuse. Why do you think MI5 have such easy
access to the BBC and media? Because they're directly paying them off, that's why.

It has been reported several times. The most recent was in Private Eye,
a few months back. As I recall they also wanted information from him;
journalists would be a natural choice for members of the Security Service
and the Secret Intelligence Service for information sources.

He was most concerned that many others would have accepted such an
offer. However, we can probably make an educated guess as to some of
those who accepted: Nigel West (Rupert Allason, MP) and Chapman Pincher
would come near to the top of the list.

You are quite welcome. You have been a dismal failure in the past and
haven't changed your methods at all, despite some really good advice
from myself and a lot of others in the group. It doesn't take a rocket
surgeon with a crystal ball to see that you will continue to be a
failure in the future. Even if fate were to hand you the key to
success on a silver platter, you're simply too lazy to do anything
with it. What a waste.

This is true. I frequently employ private detectives to spy on people
(there's a good reason for this and I'll tell you if you guess
correctly) and one such detective showed me the latest technology only
last week. A small rucksack. One strap of the rucksack has a tiny hole
in it that you wouldn't notice unless someone pointed to it. That's the
camera: the wires lead into the rucksack itself where there is a video
tape recorder little bigger than a Walkman. I don't know if that's what
Roger Cook uses but it certainly explains why it is that the subject can
look straight into the lens and not realise (s)he's being filmed. Now, I
say "latest technology" and I think that's the technology that the
police use as well as the retired police who become private detectives,
but no doubt the security services have far more sophisticated
equipment.

: What about the following scenario? MI5 conducts "experiments" including

: project" underway to see just how invasive a surveillance of an

My argument is that the fact that it's so totally crazy is what makes it so

: attention in a "let's follow the life of one person from life to
: death" study - that while I was out or in bed there were programmes on
: the television about my life so far, etc. It makes for a good fiction,

Perhaps MI5 have become victims of their own paranoia. Their agency has been thought of as acting disreputably, so when their decision arrives, they don't think twice about breaking the law. Whereas say CSIS (the Canadian equivalent) is at pains to point out how it would never ever do anything in contravention of the law, and how it is strictly controlled in what it does and how it does it.

If this matter does ever make it into the public gaze, then it won't just be a few individuals in the media or security service who'll get hit. The UK is supposed to be a civilized democratic country (East Germany called themselves a democracy and they had the Stasi, but anyway). In a civilized country these things shouldn't be happening - and it is ultimately Parliament and the government who are answerable for not imposing sufficient restraints and accountability on those who are supposed to be ensuring security for citizens, not jeopardising it.

I don't have florid symptoms. But I'm in a difficult situation, because those people who don't know, aren't going to believe, and those who do, they just go along with the crowd. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment and the media. Even people who could say out loud what was happening won't, because then there's a risk that they'll be seen as traitors and ostracised.

Usually this type of 'hidden abuse' is racial and targetted at a racial minority within a country. You keep the minorities out of the good jobs, but you don't admit discrimination exists. It happens everywhere, not just in Britain. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the mentally ill is still socially acceptable today. In 50 years it might not be, but today there isn't any social or legal sanction against it.

So really they've refined racial harassment down to a minority of one. The words may be different, but the methods are the same.

Considering he spammed it far and wide (well, at least to alt.angst and

the xs4all remailer doesn't really help if you post the url to a

Well, the "legal option" has just foundered on the rock of lawyers refusing to deal with me on the grounds that my perception of harassment must be due to the disease.

So we're back to square one again, the same place we were two years ago.

Now perhaps one of our uk.legal participants can clarify this point. To me it seems illogical that lawyers should have the final say on whether you are allowed to proceed with a civil case or not. Is there a default mechanism or agency for cases such as mine where it is difficult to find a solicitor to represent you? What exactly is the "official Solicitor"? What is it possible to do if you can't find a lawyer to represent you?

A chance to get a useful response out of the uk newsgroups! perhaps they can be good for something else besides spamming.

What can I do to get competent legal help though? If the case is on the face of it so bizarre that no solicitor would represent me or talk to me, then surely there must be a default mechanism? What is the "official Solicitor" that's been mentioned?

All you need do is go to a good library & read up about it - that's what the McLibel 2 did.

Organization: Toronto Free-Net
Summary:

Last night (21/Feb/97), I was listening to BBC GLR. You have to understand that I was listening by stealth. Back in 1990 I used to have Capital blaring out of the speakers all over the garden ("if he listens to Capital then he can't be all bad", thanks ever so much). But now I listen on my walkman on headphones with the volume turned right down. It could not possibly be overheard by any listening device, no matter how sensitive, because sound does not carry from the headphones.

Yet somehow they are still able to tell which station I am listening to on the walkman. And last night, I bravely tuned to GLR 94.9FM at around 8.45pm. Everything went well for the first half hour or so. The DJ (today GLR told me it was David Hepworth) had a "rock star spelling competition" (how do you spell Shakespear's Sister?), no trouble there. I was recording the show onto tape just in case anything unpleasant happened, as I had reason to think it might.

Around 9.10pm, it did. Here, precisely, is what Hepworth said after the song "Come Around" by the Muttonbirds (I have this on tape, and at some point will be posting the audio on my website);

"New album's called 'Envy of Angels', that comes out soon, that's the single that's already out, I would imagine, that's 'Come Around', the Muttonbirds, er, coming up after this, we got the rock-and-roll A-level, we have, I assume, Brian do we have an embarrassment of prizes in there, we do, don't we, (EMPHASIS) absolute obscene (END-EMPHASIS) amounts of prizes, there will no doubt be a riot at the back door", and that's, er, A-level coming up after this"

The key phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasized verbally, "ABSOLUTE OBSCENE amount of prizes". It is my belief (based on content and tone of voice) that when he spoke these phrases he knew I was listening, and that the phrases refer directly to my situation. The "EMBARRASSMENT" is the embarrassment he and other media people would feel at having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasized) described the disgusting sexual abuse which the harassers have been throwing at me.

Needless to say, I can't prove this is what he meant, although this has happened enough times that it's hard not to recognise it when you see it. But I shall be sending him a copy of this explanation. We'll see what he has to say for himself.

I will try to explain with greater clarity.

I am prone to have ideas of "interactive watching" by people on TV, and
"interactive listening" by people on the radio; which means as I listen to
their programme, they are aware that I am listening (because my home is spied
on, and those doing the spying phone up the radio station and tell them that I
am listening to them), and they then interject nasty remarks in what they say.
This is what I believe may have happened on Friday night with GLR, and what I
was trying to explain in my article.

It's happened before with other radio stations, most worryingly when I am
listening quietly on my walkman as happened on Friday. This time, the
interjected words were "embarrassment" and "absolute obscene". The "absolute
obscene" referred to the abuse which is currently being directed at me.

I hope that's a little clearer.

Organization: Toronto Free-Net
Summary:

A couple of weeks ago I issued a summons against the BBC in my local county court, for the tort of private nuisance caused by the spying by their newsreaders on my home. My argument was that their spying had prevented me watching the news at home, and therefore interfered with my normal use of my home.

The BBC's Litigation Dept at White City have replied not with a defence, but with an application for my claim to be struck out because;

(a) it discloses no reasonable cause of action; and/or
(b) it is scandalous, frivolous or vexatious.

Their application will be heard next week. They have not made any affidavit in support of their application, nor have they given particulars as to why they consider my summons to be unarguable in law, which would be a necessary condition for there to be no reasonable cause of action.

I am more worried about point (b). Allegations are scandalous (says Stuart Sime's book) if they impute dishonesty against another party; which my allegations do, against the BBC's newsreaders. As for frivolous or vexatious, I think that will be up to me to make a good argument for the effect the BBC's spying has had on my life, and up to the district judge's opinion of my case.

Apparently seeking to have a claim struck out in this way is common practice when the plaintiff is a litigant-in-person. Even if it is struck out, there is always the opportunity to appeal. I think we could be in for a fight next week.

Congratulations. This is my first real flame for about a year.

I try to control my anger when I come across another uninformed
naive idiot on usenet, but sometimes it goes free. We've had Corley
for well over three years now, and his constant spams of various degrees
have killed a couple of usenet groups I really rather lied. uk.media,
to name but one. I gets my goat to read another useless fucker
thinking he is a harmless eccentric.

Mike is mentally ill. He is unwilling to deal with it. He seems to
think that uk.misc is some sort of forum that MI5 reads. And it
should be avenged. He's mailbombed a large quantity of people,
because they opposed his spamming.

1. He thinks MI5 watches him through his television
2. He thinks all references to mad people, refer to him
3. He thinks all people shouting, are shouting at him.
4. He's been diagnosed as mentally ill, just not a paranoid
schizophrenic.
5. He gives not a shit about any newsgroups he abuses.
6. He goes through quiet periods, then _very_ nasty periods.
7. All evidence of this great conspiracy is laughable, to say the
least.
8. He gives internet/usenet a bad name to the media. Including
mailbombing Chris Tarrant and faxing various celebrities.

I do not condescend to him. I actually know what he does, and has done
in the past, and am frankly not too respectful of him. He can be openly
referred to as "mad" because he is. Let's check my mailbox saves:

He hadn't seen the light at all. His level of spamming had got to
such outrageous proportions that we had to mount a concerted
attempt to get his account(s) closed. The reason for the lack of
spam lately is that Mike has been furiously swotting up on Law so
he can bring an action as a LIP against the BBC (all solicitors
having quite rightly and honourably declined to act for him). When
this course of action is exhausted without result, I confidently
predict that we will once again be the innocent victims of his ire
and the spamming will commence again.

Something mildly unusual is happening. Nobody has been getting at me for the last couple of weeks. Best of all, about three weeks ago I bought a video recorder to try to get some evidence from the News etc, and despite having watched Martyn Lewis, Michael Buerk and the whole lot of them, not one of them has said anything to me in the last three weeks. And I have been listening to and recording Capital, with no ill effect. All in all, I am being comprehensively ignored.

Of course, I should have video-taped the news programmes back in 1990/91/92 (and even 93) when it was still all going on. Anthony Johnsson (casually name-drop to stick the knife in) will tell you how intelligent a person I am, yet I didn't have the good sense to record the programmes at the time, and it's a bit late now.

Today another avenue of exploration closed when my second summons against the BBC was struck out (basically through lack of evidence), and an order was made by the district judge saying that I could not sue John Birt again without the express permission of the court. She explained that this was for my own good, to save me the summons fees. Costs were not awarded though (the BBC didn't even really seek costs), and I am free to sue anyone else I take a shine to.
.....
It is not that you are being ignored.... it is just that as your mental health improves, so your paranoia eases.

OR...

The dark forces are gathering strength for the final battle with you...

Seriously though, it's nice to see you back - cos as long as they are persecuting you, I can relax knowing they haven't got time to bother me!

Well, that didn't last very long, did it?

Capital Radio this evening approx 8.35pm, Neil Long's programme a few moments after I switched to it (I am listening to it as I type this). The following spouted from his mouth;

"want to see Jacko in town? what a gig it's going to be, that guy is amazing, and PSYCHOTIC, but amazing on stage, 0171-4200958, on stage he's a MADMAN but he's wonderful"

God, I am so tired of this. It's been going on for seven years. When's it going to stop?

I have the above extract on tape. When I get around to it I will post it, and the Hepworth snippet, as audio files on the website. Of course, all the doubting Thomases and Smids can carry on doubting, because the mere fact that moments after switching on the DJ starts talking about "psychotic", that's not proof is it?

I wrote an aggrieved letter to Chris Tarrant at Capital and sent it off today, copied to Richard Park, Group Director of Programmes. I suppose they'll just lie as usual. Bastards, basically.

The solution is surely to not have a TV, video, radio or telephone in the house, Mike. That way they can't be used to watch you.

No. I tried that strategy in 1990/91 when I sold my television and stopped listening to the radio. It didn't work because they got at me through co-workers and eventually the general public.

The solution is to gather evidence by recording everything, and then complain or sue if possible. I wish I'd recorded it all five or six years ago, then I might be more successful in a legal action now.

.....

Did anyone else watch the X-Files on Sky last night (Sunday 13th April) and recognise Mike's symptons in the chap with the tattoo? It was quite interesting to see someone responding in precisely the same way, picking up on individual words and phrases in ordinary sentences and applying parts to themselves as though they were intended.

Not a pleasant ending though. You take care, Mike, and keep taking the medication. uk.misc just wouldn't be the same without you now.

No, it isn't, but you knew that anyway.

Mike, how is it that you think that this can't be a coincidence because it happened 'moments' after you switched on the radio? Haven't you just told us that you haven't heard a thing for two weeks? Going two weeks watching TV & listening to the radio without a reference to 'mad', 'crazy' or 'loony' is quite an acheivement, especially given the trashy radio you seem to prefer.

I've just spent a lot of the weekend trying to keep a manic depressive under control, so that she doesn't have to go back into hospital and lose the last few months' memories to ECT. One thing I've noticed is that manic depressives almost seek to foster their fantasies, they enjoy the control and the high. You seem to be the same - you refuse to answer the points put to you that explain away what you call persecution totally - do you have the courage of your convictions to reply to this? Or do you enjoy the attention your illness brings you?

Do please tell the *truth*. It has been longer than *2* weeks as I'm sure
you have noticed, hasn't it ?

Well I claim responsibility for the absence of persecution. When I rang
John Major's personal private secretary, not the personal political one or
any of the others in the same office, and I said you would vote for the
Conservative Party at the General Election the secretary said Johnny would
be so happy and as a sign of gratitude he rang-up the Head of MI5 and told
them to save money for tax cuts by abandoning forthwith their campaign
against you. Consequently MI5 and MI6 have been able to redeploy urgently
needed resources (i.e. manpower and telecoms interceptions) against an
international band of (*****censored*****).

On behalf of the law-abiding and decent citizens in the British islands, I
would like to sincerely thank you for your invaluable contribution to
crime fighting by your instrumental achievement in releasing badly needed
and very scarce MI5 and MI6 resources.

Many thanks,

Please don't forget it is National Election time and the news broadcasts
at 21:00 on BBC1 are preoccupied with British politics.

Any particular date in mind ? I have a few in the library. You can also
purchase copies from the BBC on 0181-743 8000 (central switchboard).

Perhaps it is for the best. Now that it is all over, you can return to
Canada. Did you manage to get your Canadian citizenship ? What did your
contracts at MI5 say about you becoming Canadian ? You never did mention
the name of your MI5 liaison officer nor of any of the others.

That's true. But as it is now all over there is no need to worry about
the past. MI5 said your file has been removed from the Registry and put
in a burn-bag so there is nothing left for anyone ever to find.

By the way, what was the URL of your famous Corley web site ?

I have to admit that it is actually mildly amusing to have newsreaders watching
you, although it is tiresome after a bit. I am currently in an interesting
situation, because after my lawsuits against them I think the BBC newscasters
have stopped watching me entirely; I also think that ITN, in particular John
Suchet, *are* still watching but they're being subtle about it (his blink
pattern followed mine).

Being called nasty words is quite horrible though, and seems gratuitous; what
do they gain by it, except to exercise their sadism?

You have. They're not pleasant atmospheres, especially the secure wings,
which have more in common with prisons ('airlock' doors, list of 'banned'
articles, continuous observation). They have to be that way, unfortunately.

You better believe it. Tuesday's episode had one of its characters being
labelled as a "lunatic" with "something wrong with them". I changed channels
rapidly at this point, but in retrospect perhaps I should have carried on
watching and taped the program.

A few days ago I bought a video recorder (about time too) for evidence
gathering purposes. But strangely the TV news (both BBC and ITN) haven't
uttered a sound over the last few days. Almost as if they know they're being
taped...

And?

There are many characters in TV programmes who _are_ lunatics with
'something wrong with them'. Why do you think this alludes to you?

In the eponymous book, Cervantes' Don Quixote is described as 'crazy'
'mad' and 'lunatic'. Do you think this is a reference to yourself,
albeit written by a time-travelling 17th century Spaniard?

If you accept that the character of Don Quixote can be described thus
without it being a reference to you, what problem do you have with
Peak Practice? Or do you enjoy tilting at your own little windmills?

A friend's lodger has turned out to be paranoid schizophrenic. Her
obsessions are strikingly similar to yours, she is convinced that she
is being bugged, and that students at her college are making fun of
her for being foreign. She has been looking for the services of a
private detective. Maybe Oxford has this unfortunate effect on foreigners?

I must say that I'm surviving rather well, or that's what the man
under the stairs told me yesterday.

Victor Lewis-Smith has broken the silence in his TV review column "Goon and best forgotten" in the Evening Standard (on Thursday 8/May). He said, "If I sound paranoid, that's probably because I once worked there. Eventually, I had to leave because they were all trying to kill me but, for sheer pathological hatred of the Corporation, I couldn't hold a candle to Spike Milligan".

I take this to be about me, because recently I wrote to both the BBC and Capital Radio, saying "I believe the current purpose of the harassment is to force me to kill myself to prevent the harassers, yourselves included, from being brought to justice, and last year there were several incidents of people shouting 'suicide' at me, which would appear to corroborate that view." I think VLS's words about the BBC "all trying to kill me" shows he has seen or heard of what I sent to the BBC or Capital.

Nasty eh? I believe that VLS or his mates read this newsgroup. I wonder how he would explain his article?

Erm, Mike, I'm a bit of a fan of Victor Lewis-Smith, ever since his days of "BuyGones". I must admit, he often likes to play the flawed lunatic evil nasty person. He's been doing it for years, with prank calls, far before your illness. Its his act. He wouldn't be VLS without it.

He doesn't like the "Goons" either. It isn't about you.

I don't think Victor Lewis-Smith has worked for the BBC (or Capital) for several years (1994 was the last time...), so the connection, is paranoia here.

Personally, I believe VLS as a person of reasonable integrity, who wouldn't give a fuck about you...

Not much changes. Today I was listening again to David Hepworth's show on GLR,
having more or less waded in on it by accident. Here is the exchange;

David: "we have executive drivetime, we have Brian in charge of the prize
cupboard. Brian it's not a bad prize cupboard this week is it?"

Brian: "no David it's an absolute (EMPHASIS) embarrassment (END-EMPHASIS) of
prizes this evening" (laughter)

David: "what have we got?"

Brian: "well in my left hand alone we've got that .... Gary Clale, I don't know
if you remember him obviously still alive and kicking...."

David: "Rock and roll spelling test is your first opportunity to take advantage
of this embarrassment of prizes"

What do I read into this exchange? The laughter after the word "embarrassment"
shows they're aware of the last complaint I made on usenet (copied by
snail-mail to them). The "left hand" business is I think a coded way of calling
me a w***er (the term would be better applied to Brian and David).

I have a tape of this exchange, and will eventually get around to posting it on
the website.

I don't understand. Why has nobody replied to this post? You keep on asking for
evidence, then I present you with something that looks very much like evidence,
and everybody just ignores it. OK I haven't posted the actual sound extract,
and it still isn't proof.

Perhaps everybody just finds it all too boring and dull. Should I start
spamming again from one of those nice anonymous remailers to wake everyone up?

Now there's a thought.

Cos you don't reply to our points - you're ignoring us, why shouldn't
we ignore you?

No you don't, you post something which could _never_, _ever_ be construed
as referring to yourself. Can't you see it? No, of course you can't,
you've an illness.

And I see you've started. Give it a rest, Mike, unless you're prepared to
enter into proper discussion.

Overview

What all these snatches of video and audio, and newspaper articles, have in common is that none of them provide conclusive or very convincing
evidence of their being directed against me, or forming part of a campaign against me. Other people with my illness doubtless could produce similar
non-proof if they were minded to do so.

Good, now we've got the disclaimer out of the way, we can describe precisely what it is that is on display in this part of the site. In the video
section, we have Quicktime (MPEG-4) clips of Jon Snow of ITN in action, also interviews with Ken Clarke and John Major of the ousted Tory regime. These are
embedded in the page using QuickTime. While each audio/video clip is coded to automatically download the QuickTime player, you may find it helpful to
download QuickTime from Apple's website before you start viewing the media files.

Note that each item is awarded a rating of the confidence I feel that it is directed at me, expressed as a percentage. Items with 50% or
more are probably about me; 100% indicates a "dead cert".

In audio we have MP3 files of harassment at work in Canada in late 1996, also GLR's David Hepworth not even trying to pretend that he isn't getting
at me, and a snippet of Capital. There is also an album track which I have taken as being about me. The newspapers section contains articles by Bernard
Levin on his encounter with a madman who "bursts into tears, and swears it is all
true - and it is". Also a Private Eye cover, and snippet from Victor Lewis-Smith.

I have added several recordings of abuse "in public". By Sept/1998 I had seven minidiscs of such recordings, unfortunately containing mostly very
nasty sexual slanders which I will not be publishing on this website. The recordings were made on a Sony Minidisc Walkman MZ-R30, which I purchased
in Canada in July/1997, with ECM-T140 microphone. After both the MZ-R30 and the microphone reached the end of their lives, in June/2001 I purchased as
replacement my current recording gear, an MZ-R900 walkman with ECM-T145 microphone.

Share and Enjoy! I hope you enjoy partaking in my delusions which have been recorded with high fidelity digital equipment and presented for your
listening pleasure.

Ken Clarke (1), April 1997

Certainty level: 30%

The first of two video segments from the same program, this shows
Jon Snow interviewing Ken Clarke in April 1997, during the general
election campaign. The following exchange is heard;

Jon Snow: "You say we are booming in your posters, the bust's around the corner"

Ken Clarke: "You took that from three years ago, when I was being
advised to do all kinds of mad things to stimulate the economy,
and being told that I had to take desperate measures to get it going"

At this time I was watching television almost continuously at home,
with a video recorder whirring away, trying to obtain from the
newscasters a reaction which would give them away. I think this is an
instance where it happened. Ken Clarke first darts a glance straight at
the video camera (and perhaps at a monitor next to it showing my living
room), then comes out with "all kinds of mad things", while engaging in a
facial display involving raising of eyebrows and lowering of eyelids.
To me at the time, and also now, it looked as if he was selecting a
context into which he could drop the word "mad" as a directed insult against me.

Ken Clarke (2), April 1997

Certainty level: 30%

The second of two video segments from the same programme, this shows
Ken Clarke during the election campaign. He makes the following statement;

"we have a party, and we have a Cabinet which has produced a manifesto
consistent with our policy of the last five years;
people are challenging us on the basis there's been some monstrous
conspiracy between all the politicians to guide us we know not where,
we know where we're going, we wish to be a leading influence in the European Union"

It should be fairly obvious what I read into in the above sentences.
The "monstrous conspiracy between all the politicians" could of course
apply to the public perception of closer European integration, but
I took it as referring to the conspiracy of politicians and
media people against me. Again, facial expression comes into it; as Clarke
speaks of the "monstrous conspiracy" his eyebrows twitch and it is clear
that something or somebody is being made fun of.

Dimbleby / John Major, April 1997

Certainty level: 90%

Dimbleby interviews John Major during the election campaign. Here is
the exchange, regarding Neil Hamilton, the "sleazy" Tory candidate;

Dimbleby: "It's a direct quotation from what he said to Sir Gordon Downey
and what he said to his local newspaper, the Knutsford Guardian".
Major: "Well, heaven forfend that I should doubt what the Knutsford
Guardian actually said"
Dimbleby: "Well I should hope so"
Major: "Absolutely, it would be quite unforgivable to doubt the
Knutsford Guardian"

What I find in this segment is an assonance between "Knutsford" and "Nut"
or "Nuts". I think Dimbleby deliberately invents the play on words,
and says it clearly enough for Major to pick it up and repeat it.
You can gauge Dimbleby's intent from his facial expression of false
honesty when he uses the words "Knutsford Guardian"; and Major's reaction
follows from his recognition of Dimbleby's intent; Major smiles and says
it would be "unforgivable to doubt the Knutsford Guardian".
These are much clearer on the original video than on this Quicktime clip.

Channel Four TV News - 12/Feb/1999

Certainty level: 100%

I am positively, utterly, completely sure this item is about me. It's a bit subtle so the objective reader might not understand my certainty. Here is what happened. I was watching Channel Four News with Jon Snow, on the day Clinton "got off" (as it were) in the Monica-gate scandal. Snow said;

"[and we're anticipating that the President himself will make his] first comments after the trial in which he has now been cleared at around half-past seven. So we'll have more on the historic judgment, we'll also be considering [starts smiling] the winners and losers in this whole sorry saga. Now further doubts have been...."

When Snow said "half-past seven", I looked at the clock on the mantelpiece above the TV. Snow saw my glance, and in reaction to my glance at the clock, smiled. I think he was smiling at what he perceived as my self-importance.

Usually when newscasters or radio presenters laugh at me, there is an excuse for their laughter; usually they manage to find some reason for my being "funny"; their amusement is blamed on me; it is my "fault" they are laughing. And so it was with this instance; Jon Snow thought it was funny that I should be so interested in seeing Clinton, and his half-smile while reading the words "winners and losers" expresses that.

I wrote to Snow at ITN shortly after this broadcast to ask him about his behaviour; of course, he didn't reply.

Chris Tarrant - 10/March/1999

Certainty level: 25%

This one might be aimed at me, or it might be tinged with a whiff of intent, although I only give one chance in four for Tarrant's thoughts being aimed
at me when he said this. During his "Who wants to be a Millionaire" TV show in March 1999, he said;

if you're watching the show jumping up and down screaming at the telly,
remember you could be here. You can either seek professional help or call us...

The background is as follows. In early March I'd sent a quantity of emails to Capital FM, the London radio station where Mr Tarrant has his breakfast
show. They were addressed to the email account which Mr Tarrant used to read emails posted on Capital's website. Capital objected to the quantity
of emails - in fact, they contacted the Metropolitan Police's Computer Crime unit, who, in turn, "felt my collar" by giving me a verbal warning
over the phone to cease this behaviour.

The emails contained the words which I had heard Mr Tarrant speak in early 1994, namely;

"You know this bloke? He says we're trying to kill him.
We should be done for attempted manslaughter".

At the time of writing (May 1999), the Police have not told me what aspect of the emails was "illegal", nor despite my repeated urging have they
questioned Mr Tarrant about his remarks from 1994.

Regarding the clip from Tarrant's show above. The Police spoke to me on the afternoon of Wednesday 10 March 1999. Tarrant's live show went out
that same evening. The Police have told me that after speaking to me they told Capital FM that they'd spoken to me regarding the emails. So Tarrant
would have known by the time of the show who'd sent the emails and why.... and it's quite possible that his remarks about "seeking professional help"
were aimed at me personally following my attempts to persuade him to own up to his 1994 remarks.

No not stuck in the 1930's as the consumer electronics market would have dictated new technologies. But I am sure there where a big help in many things.

I still can't get over what a help there where in a Emerengcy Response Meeting we had a few years ago. We had the local city farthers there wanting to have a game plane for fires, earth quakes, heavy snow, or what ever. And offered moneys for radio equipment, and offering city owned locations that would make great repeater sites. Asking for a helping hand and offering to assist as they could. Wow what a offer!

But our Ham Radio boys almost blew it. By asking for more jelly donuts, and wanting VIP parking pass's, and reduced prices on the local fair tickets. I thought they where joking at first, but there self centered ways had shown thru.

But all was saved by a local businessmen who owned the local radio repair shop. By ofering his services, and the owner of a large ware house that a 2 meter and 440 repeater with battery back could be installed. All works great as is tested every so often.

Jelly Donuts anyone!

Chris Tarrant - 10/March/1999

Certainty level: 25%

This one might be aimed at me, or it might be tinged with a whiff of intent, although I only give one chance in four for Tarrant's thoughts being aimed
at me when he said this. During his "Who wants to be a Millionaire" TV show in March 1999, he said;

if you're watching the show jumping up and down screaming at the telly,
remember you could be here. You can either seek professional help or call us...

The background is as follows. In early March I'd sent a quantity of emails to Capital FM, the London radio station where Mr Tarrant has his breakfast
show. They were addressed to the email account which Mr Tarrant used to read emails posted on Capital's website. Capital objected to the quantity
of emails - in fact, they contacted the Metropolitan Police's Computer Crime unit, who, in turn, "felt my collar" by giving me a verbal warning
over the phone to cease this behaviour.

The emails contained the words which I had heard Mr Tarrant speak in early 1994, namely;

"You know this bloke? He says we're trying to kill him.
We should be done for attempted manslaughter".

At the time of writing (May 1999), the Police have not told me what aspect of the emails was "illegal", nor despite my repeated urging have they
questioned Mr Tarrant about his remarks from 1994.

Regarding the clip from Tarrant's show above. The Police spoke to me on the afternoon of Wednesday 10 March 1999. Tarrant's live show went out
that same evening. The Police have told me that after speaking to me they told Capital FM that they'd spoken to me regarding the emails. So Tarrant
would have known by the time of the show who'd sent the emails and why.... and it's quite possible that his remarks about "seeking professional help"
were aimed at me personally following my attempts to persuade him to own up to his 1994 remarks.

Nicholas Witchell - 10/April/1999

Certainty level: 100%

This clip is of Nicholas Witchell reading the BBC2 evening news at 7pm on Saturday 10 April 1999. You have to understand that the psychopaths of
the Security Service consider their abuse of me to be "so funny"; and central to their persecution of me is their inducement of their "bought
journalists" like the BBC's Nicholas Witchell to laugh at me on television.

So in this clip we see Witchell smirking and grinning while he reads the news. Only part of the news broadcast is shown in the clip; preceding it,
Witchell's upper lip quivers in mirth for several minutes, until his entire mouth twists into the uncontrollable smile shown in this clip,
through the excuse of a weak non-joke about sports fixtures.

580. MI5 Persecution: England expects every man to do his duty (3348)

"England expects every man to do his duty"

Certainty level: 90%

This video clip portrays a fairly-certain case of unpleasant MI5 harassment; because of context, surrounding events,
not just this one happening. It's the first time an MI5 agent has been caught on video, and, presumably to their chagrin,
their paid agent is either engaging in an onanistic practice, or, more probably, pretending to do so, in order to
carry out an act of harassment.

The background is as follows. In late June 2000 I had posted the following message to Usenet, about MI5's making
obscene noises at me on several recent occasions;

>From: bu765@torfree.net (Mike Corley)
>Subject: relax, don't do it (mi5 again)
>Date: 22 Jun 2000 00:00:00 GMT
>
>you will recall that a couple of weeks ago I was supposing what MI5 were
>doing with their 'single'handed' posting antics at 2am
>
>exciting stuff
>
>so about a week ago someone rings me up at home.... 'is that Emmanuel
>Goldstein?' then he phones back the following day and goes 'huaaaagh' on
>the phone before dropping the handset in excitement
>
>and a day or two later, just coming out of our house to put something in
>the rubbish bin, a pair of blokes over the other side of the road, again
>start making orgasmic noises
>
>I'm not paranoid enough to record minidisc when I pop out for a few
>seconds..... but perhaps I should be

The video clip, which was captured on 1/September/2000, is the culmination of that thread of harassment. You
have to understand that MI5's abuse is in threads; they choose a topic, and then continue with it for months
and years. Sometimes they drop a topic, usually to be replaced by a worse one, and you never hear of it again.

If the person in the video clip were not an MI5 agent, then he would deserve privacy, despite carrying out a real

or feigned act in a public place. But I am almost 100% sure, because of context, that this man was one of their
operatives, which removes any consideration of privacy from his act. He is facing away and cannot be clearly
identified from this clip. I've never seen this man before or since, but that is true of most other such incidents.

C4 SnowMail - January/2001

Certainty level: 50%

In January 2001 I signed up for Channel 4 TV News's email service SnowMail, under an anonymous email address.
Quite soon Jon Snow and others started getting at me in the SnowMail bulletins, so I promptly unsubscribed.
Here are three distributed messages which may be intended to be against me; I have given these items a joint
probability of 50% only, since it is quite difficult to be sure these are against me, although I think they
may well be.

First item is from 5 January 2001. "Back passage contacts" might genuinely be about Labour were communicating
in a shielded way with ITN; but it may be about Snow's covert communications with me on his programme and in
this bulletin; and it's a slightly strange thing for him to say, it suggests the human body's back passage.
"I wish they'd come and talk on our website".... Snow knows I'm subscribed to his mailing list, and he may be
encouraging me to talk to him by email; again, if that comment were genuinely about Labour, then it would be
a strange thing to say, since the politicians talk to Snow by phone and on his programme, so they wouldn't talk
to him by email; my suspicion at the time is that he was trying to persuade me to talk to him by email,
so he could decently lie that my thoughts of reference were incorrect.

Good afternoon dear viewer,

Well the 'snowmail' drew a little ire from Labour HQ yesterday. A sensitive call at 6.35pm from my friendly
mentor there sought to correct the impression I gave in yesterday's missive that in some way Labour was bounced
into naming these latest millionaire donors. Well I'm afraid they were...rest assured Paul Hamlyn would not have

been named without the diligent sleuthing of my colleagues, and had HE not been named neither would these latest two.

The only serious inaccuracy I must plead to was the promise that we would put these matters to a 'senior Labour
person'...alas none was forthcoming...I shall make no such rash promise again. My same mentor was on the phone again
during last night's Channel 4 News urging us to 'get some reality into the programme'. I fear we may have touched a
sensitive nerve...and the election campaign has not even started, or has it? I shall try to keep you posted with these
'back passage contacts' as the campaign unfolds..from all sides. I do wish they'd come and talk things over with all
of us on the web site...here's an open invitation...

So to today:

Harold Shipman murdered as many as 250 people it now turns out. But he is never to be tried and relatives who seek
closure to their uncertainties will never reap satisfaction..we have the DPP, the Chief Medical Officer and a solicitor
for aggrieved and bereaved families on the programme..the world's second-worst mass murderer..can he be allowed to
escape further action?

Sending private/sexy emails in company time gets workers the sack..Big Brother spies on office premises..is electronic
life in the work place getting out of hand? We explore what we can...and if you are not sure what you can and can't
send, our site spells out the legal dos and don'ts and gives you the chance to put your views to us.

The CIA publishes its risk assessment for the world in the coming years..beyond the CIA itself, what's the biggest
threat to life and liberty? Find out on Channel 4 News..and a major encounter with a man expected to take a top job
in the Bush administration...

And a sumptuous piece from Nicholas Glass in Valencia..a city transformed by a brilliant young architect for half
the price of what the Dome cost us.

Lots moving, see you at 7.00,best as ever,

Jon Snow

The next contact was on 11 January, with the unsubtle words "the lunatics have taken over the newsroom"
from Krishnan GM. The phrase needs no explanation as to why it might be a dig at me.

From: "Guru-Murthy C4N, Krishnan"
Subject: Channel 4 News briefing

January 11, 2001

Good Afternoon. Jon's away so the lunatics have taken over the newsroom. I am joined by Samira for tonight's show.

The Depleted Uranium confusion deepens. What did Ministers and senior officers know about the risks to soldiers?
What did they tell others? And why the lack of candour over the recent documents that have surfaced? Having
dismissed the army report leaked yesterday warning of the dangers of exposure to DU as written by a trainee and
littered with mistakes, the Ministry of Defence now accepts it was written by an experienced officer.
But they won't say who. More awkwardly it emerges that senior officers decided a month after it was written that
the report should be circulated to all personnel likely to come into contact with DU. But was it? Nobody seems to
know. Our Science Correspondent Andrew Veitch has also visited the lab in Oxford that could begin testing
veterans for Depleted Uranium within six months, but they have had no contact from the government as yet. From
the Tories, Mr Duncan Smith is likely to join us. And we have Defence Secretary Hoon coming into the studio to
answer the obvious (and not so obvious) questions.

No interest rate cut today from the Bank of England, but could it be next month? As real fears are raised about
the likelihood of recession in the US how could it affect us over here? There's been a recent consensus that
Britain could weather the storm instead of falling into the usual pattern of shadowing American trends. But how
realistic is that? And what about all that inward investment we rely on from the States? Liam Halligan has been
looking at just what impact economic downturn across the water would have on us.

The former Bosnian Serb President Biljana Plavsic pleaded not guilty to charges of warcrimes including genocide
today. She was number two to Karazdic and a reputed hardliner during the "ethnic cleansing" of Bosnia.
But has a deal been done on her sentence if found guilty? Just why did she get on a plane and give herself up
to the Hague War Crimes Tribunal? Nobody seems to have any explanation. Her lawyers are asking for special
accommodation and even the possibility of bail. Gaby Rado is there and joining us live is the first Prosecutor
in the Hague Judge Goldstone to discuss whether plea bargains and deals are the only way to get the real villains.

Also the astonishing news that scientists in America have bred the first genetically engineered monkey. What will

they be used for and what's the next step? Does anybody really believe they won't do it to humans before too
long? Julian Rush will have details.

All that and loads more at seven. See you then, I hope. Krishnan.

The third and final item is from 24 January, shortly after which I unsubscribed from SnowMail. Again, it is difficult
to be sure if this item refers to me; it may do, it may not do, 50% captures the possibility. Snow refers to
"third leg of [Blair's] political footstool". In English culture "third leg" indicates one's male member;
Snow's phrase may be a sexual reference, of which there were others around that time.

January 24, 2001

Good evening dear Channel 4 News viewer,

There are times in this business when you suffer severe attacks of deja vu...haven't I already said "Mandelson
Resigns!"...I'm afraid I have, and tonight I shall say it again. He's gone, the fat lady has not only sung but
died completely and utterly on his career...that is the end of the former Northern Ireland Secretary's political career.

It's a body blow against Blair for whom Mandelson was a mentor, manipulator, calculator, friend, brother and the
third leg of his political footstool.
It's a body blow for a Prime Minister who has had to have him resign not once but twice. It calls into question
Tony Blair's judgement. Mandy, probably one of the most brilliant spirits in politics, flew too close to the
sun...suffering finally at the hand of his own diabolical flaw.
Amazingly it's a flaw Blair understood more keenly than anyone...

And then there are the Hindujas who have compromised every political party with ridiculous photographed party
poses..who are they and how do they work?
Masses moving on all fronts on this story tonight. We have the resignation speech in full on our site www.channel4.com/news;
if you want to see how Mandelson bowed out.

There are other developments:

The cancer tragedy at Nottingham Queens medical centre..the wrong drug going into the spinal column of an eighteen-year-old
Leukemia victim who's now in intensive care, dangerously ill...it's happened before..why has it happened again?

And a moving interview with Sharon Sage who's mother Lorna Sage wrote a spell binding memoir highly rated in last night's
Whitbread Prize. An exceptional piece....

A highly political night....see you at seven on four...best, as ever, Jon

After this email I unsubscribed from SnowMail. I could not be sure that these items were or were not about me,
but it's an unpleasant feeling that Mr Snow might be getting at me in writing, as he certainly was when he watched
me while presenting the news; so I cut my losses, so to speak, and bailed out.

BBC-TV "See You, See Me" - 7/Dec/2001

Certainty level: 80%

On Friday 7 December 2001, BBC Schools aired a TV programme from their "See You, See Me" series.
The series was based in Scotland, with Grant Stott and Wilma Kennedy trying to find some stolen jewels.
Its web home is www.bbc.co.uk/scotland/education/seeyouseeme/

The programme appeared to make some "subtext" references to my situation. Kennedy refers to "it's not fair",
which is a key phrase; its existence started with OCTS MD Hugh S.-W. who humorously referred to my treatment
with the same phrase.
The subtle statement is that it is fair, because we're doing it, and we're always right, even when we're wrong.

The phrase "useless idiot" from the police chief is a clear insult directed at me, and needs no explanation.

But it is the third item in this clip which is most telling. Stott says the words, "humiliating in front of
the whole public, it would crucify us" if the investigation were called off. That's the phrase that assures
this clip of an 80% probability rating. MI5 are trying to humiliate me "in front of the whole public",
and their strategy is a mixture of ambiguous covert, such as this very programme, and clear overt.

Channel Four TV News - 10/April/2002

Certainty level: 80%

I was watching Jon Snow on Channel Four TV News on Wednesday 10 April, and he again reacted on seeing me
watching his programme. At 7.25pm he was reading an item on atrocities during the Balkan war;

JS: "It was Europe's worst massacre since the Second World War, and Dutch army officers [cough] and the
United Nations should share the blame. So says the first authoritative report into the murder of
thousands of Muslim men in Srebrenice at the height of the Bosnian war in 1995. The 7,500 page document
took Dutch Government researchers six years to prepare, and it condemns military and political leaders
for sending peacekeepers on a mission impossible. Our Foreign Affairs correspondent Gaby Rado,
who went to Srebrenice very soon after the massacre, is with us now. Gaby, how damning is this report?"

GR: "Well it is very severe. It accuses the Dutch Government of sending badly armed and badly briefed
Dutch soldiers into a very dangerous space out of a sense of national arrogance basically. It accuses
the United Nations basically of..."

There are two incidents in this one recording. The first (80% certainty) is when Jon Snow develops a frog in
his throat in the first sentence, shortly after reading the text "Europe's worst massacre". There is both
verbal expression and facial expression at that point; he is laughing at me, which is at odds with the serious
material he is reading. His eyebrows twitch upwards, and he is smirking at the phrase "Europe's worst massacre", and its application to the Security Service's actions against me. Another aspect
is that when Snow said "Europe's worst massacre", I facially reacted; in return, Snow would have seen
my change of expression, and followed it with his own reaction. He almost says "United States" instead of
"United Nations"; he isn't looking at his autocue, his mind is off what he is reading, instead he is looking
at me in the little monitor where he sees me through the television.

The first incident I'm fairly sure about, but the second I only give a 20% certainty to; it's when Gaby Rado
talks of a "sense of national arrogance", supposedly about the Dutch, but perhaps the English actions
against me for over a decade. If Rado's statement were about me, then it would be condemnatory of MI5
as being "arrogant"; but I cannot be reasonably certain it's about me, or much less so that Snow's
reaction in the first instance, anyway.

BBC1 TV News - 18/Dec/2002

Certainty level: 30%

This item occurred on Wednesday 18/December/2002, on BBC1 TV News shortly after 6pm. It is one of the "coincidence"
category of happenings, where people by supposed coincidence repeat exactly the words I have said or thought very recently.
In this case, the BBC's New York correspondent Stephen Evans, live from NYC, says the words "airy fairy language",
during a piece on Britain's entry in the competition for a successor to the WTC after 9/11.

I had been thinking the words "airy fairy" a day or two previously and may have spoken them in my sleep. I did not speak them awake.
The TV practice in 1990-92 had been to repeat on TV/radio (or at work) words which I had either spoken while awake, or words I had
thought but not said consciously - since I know that I sometimes say things in my sleep, but cannot later recall saying them,
obviously since I was unconscious at the time. The TV news reader or reporter then finds a context in which to drop a particular phrase;
this practice has a famous exemplar in the "Phil the Greek" item relating to the Duke of Edinburgh - who had been called Phil the Greek
in Private Eye, then a TV reporter managed to structure his report to include the words "fill the Greek community with alarm".
It might appear funny, but when such "intentional coincidence" happens a lot, as in 1990-92, and when it supports other methods of obscenity,
then the amusement value wanes.

The choice of words appears to form a homosexual reference - the way it works is that the Security Service are blokes fantasising continually
about another bloke, so to avert the obvious observation of their being gay
see here for another instance of unwholesome MI5 fantasising in public),
they try to assign the attribute to the victim - they do this sort of thing all the time, with all sorts of attributes. However, in this
particular case I give it only a one in three probability, since this incident seems to have been a one-off at that particular time.

Life is so hard

Certainty level: 100%

This relates to harassment at my workplace in Canada. Yes, "they" had
their claws into my employers in North America, it doesn't just happen
in England, it happens here as well.

During the second half of 1996, at work, I was sitting near a co-worker
whom we shall call Mark (we can, because that's his name). This guy
occasionally came out with words and phrases that made me think that
"they" had got to him and were supplying him with information about my
home life (not social life please note, because of course I don't actually
have a social life here).

During November 1996 I tried to catch him in the act of saying something
"meaningful", a difficult exercise because as soon as he saw a tape
recorder, he shut up completely, except for times when he knew he would
be out of range of the walkman. (Note that the quality of this recording
is not very good; I was just using a four-year-old tape walkman with
a cheap microphone, quite low-tech).

During the evening of 12 November 1996, at home in my apartment (flat to
you UK-ers), I said "life is so hard, and then you die". A nihilistic,
negative thing to say, but quite distinctive. The following day,
13 November, Mark said loudly, "life is so hard eh, and then you die"
followed by loud laughter.

In my book the precise repetition of the words makes this incident a
100% certainty. You, the reader, may differ, but then living in a free
country allows each of us to have our own opinions, doesn't it?

GLR-David Hepworth (21/Feb/1997)

Certainty level: 80%

I was listening to BBC Greater London Radio (GLR) by stealth, ie. on my walkman with headphones, with the sound turned right down, to prevent anyone from hearing what I was listening to. Yet somehow "they" are still able to tell what station I am listening to on the walkman. After half an hour or so listening to GLR, DJ David Hepworth came out with this;

"I assume Brian, do we have an embarrassment of prizes in there, we do, don't we, absolute obscene amounts of prizes, there will no doubt be a riot at the back door, and that's A-level coming up after this"

The key phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasised verbally, "ABSOLUTE OBSCENE amount of prizes". It is my belief (based on content and tone of voice) that when he spoke these phrases he knew I was listening, and that the phrases refer directly to my situation. The "EMBARRASSMENT" is the embarrassment he and other media people would feel at having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasised) described the disgusting sexual abuse which the harassers have been throwing at me.

Of course, I can't prove that this is what he meant, although this has happened enough times that it's hard not to recognise it when you see it. I sent David Hepworth a copy of this explanation, with the results listed in a subsequent item (David Hepworth 9/May/1997).

GLR-David Hepworth (9/May/1997)

Certainty level: 100%

This time I deliberately listened to Hepworth with the sound turned up on the radio, to try to get a reaction. Sure enough, he and his cronies reacted;

David: "we have executive drivetime, and we have Brian in charge of the prize cupboard. Brian it's not a bad prize cupboard this week is it?"

Brian: "no David in fact it's an absolute (EMPHASIS) embarrassment (END-EMPHASIS) of prizes this evening" (laughter)

David: "what have we got?"

Brian: "well in my left hand alone we've got that .... Gary Clale, I don't know if you remember him obviously still alive and kicking.... and that's just in my left hand"

David: "So it's certainly worth competing. Rock and roll spelling test is your first opportunity to take advantage of this embarrassment of prizes"

What I "read into" this item should again be quite obvious. Remember, I sent off a letter of complaint to Hepworth after his spying activity during the previous show. Here the emphasis on "absolute embarrassment" of prizes shows he knows this is a "key" phrase.

It might be interesting to try to talk to DJs like Hepworth and ask them what they get out of abusing their listeners. But if you challenge them directly, they show their true colour (yellow) by either not answering the challenge, or by denying that harassment has taken place.

Neil Fox's Juke Box on Capital Radio (week ending 15/March/1998)

Certainty level: 70%

Here is an excerpt from Neil Fox's show on Capital Radio 95.8FM, sometime during the week ending Sunday 15/March/1998 (probably during the weekend, but I don't remember).

First I will give the text of the conversation between Neil Fox and telephone caller Martin, then I will state my interpretation.

(conversation) (F=Dr Fox, M=Martin the caller)

F: coming up on the jukebox, the hotline's 0171-4848-958, just a quick shout here and so who's this going to be then Mr Producer?
(staff, shouting) MARTIN!
F: Couldn't quite hear you, it's going to be?
(staff, normal voice) Martin.
F: Thank you. Martin, hello.
M: Hello, Foxy.
F: How are you Martin.
M: Er, knackered.
F: Why?
M: Didn't get much sleep last night. Party down the road.
F: What time did you go to bed?
M: Four o'clock this morning.
F: Well that sounds quite a reasonable Saturday night if you ask me.
M: I was up at eight.
F: You were up at eight this morning?
M: Yeah.
F: That's sick. Why? What on earth made you get out of bed at eight this morning?
M: My father.
F: Well that's no good. Why is he being sicko, is he being a sadist?
M: No, he out there, sort of clearing room.
F: Listen, is your dad there?
M: No, he's downstairs.
F: Oh mate, can you get him?
M: No.
F: Does he not let you on the phone? The only reason is that I wouldn't mind having a chat with someone who makes anyone get up at eight o'clock on a Sunday morning. I'm sorry, that's ill isn't it, that's out of order.
M: It's sick.
F: I'm just going to ask around here. What do you think then, eight o'clock Sunday morning? That's out of order isn't it, for any father?

(staff) Yeah, definitely.
F: Is he like victimising you or something, is there any reason why he wanted you up at eight o'clock? To clean your room?
M: Well as I say I got up at eight this morning to clean my room and it looks worse that it did yesterday.
F: Well I should have just left it and stayed in there until eleven o'clock if I was you.
M: Well I was up, I didn't get out of bed.
F: What, you didn't get out of bed at eight o'clock? No, he woke you up at eight o'clock. Did you do any cleaning at all?
M: I haven't touched my bedroom.
F: Top man. Boy you're going to get your arse kicked later aren't you. Now a song for you, what can we play?
M: Guns and Roses, "Sweet Child of Mine".
F: And we're going to dedicate this to your father?
M: No we're not, we'll dedicate this to my good mate Jamie, who's sitting on the bed now.
F: Right, hello Jamie. And anyone else? Any top totty in your life at the moment?
M: Unfortunately no.
F: The totty factor is quite low at the moment is it?
M: It's dead.
F: It's dead? What, nothing?
M: Nothing.
F: What, zero? Well, that's pathetic. No wonder you're down. You stay out til four o'clock and nothing. We'd better have words when we're off the radio I think. We need to give you a team talk. You have a good night tonight.
M: And you.
F: Take care.
(song starts)
F: Actually something was going through my mind. I think I'll leave it.

I'm not really sure whether this is in any way about me. It probably isn't. Probably it's just my nasty suspicious mind finding links where none exist. However, here is an explanation of why it might, possibly, be about me.

Throughout this interview, I was throwing abuse at the radio, and to my mind, Neil Fox was hearing the abuse, and responding interactively. This explains why he sounds so stressed when talking to telephone caller Martin, and the general violence of his words including "Boy you're going to get your arse kicked later aren't you".

The piece starts of with the producer shouting the name of the caller, which might be related to my loud vocalisations at the radio. The trouble starts off with Fox saying "That's sick". "Sick" might be taken as a reference to my condition. Then Fox says, "Why is he being sicko, is he being a sadist?", again sick = my illness, "sadist" = attitude of my oppressors towards me. "that's ill isn't it" = further comment on my illness. "Is he like victimising you or something" = again what my enemies are doing to me.

Fox sounds quite happy when he gets Martin to say "It's sick"; as you would expect him to, if the comment were directed at me. It is a constant feature of my enemies' harassment of me that they get intermediaries to verbalise the abuse. Immediately after saying "victimising you" Fox gives a little laugh, to show he thinks the victimisation (of me, not Martin) is funny.

Fox gets increasingly nasty as the piece progresses. "Boy you're going to get your arse kicked later aren't you" is not really what you would expect him to say if he were just talking to Martin. Fox is on the same side as Martin, so why would he be so verbally aggressive to him? On the other hand, if the piece is about me, then his strong words start to make sense.

Fox's jubilation at finding that Martin's "totty factor" is "dead" again doesn't make much sense unless you think that he might not be considering Martin's totty factor, but mine, since it's a fairly well known fact that my "totty factor" is not significantly above zero.

To round off the 135 second interchange, just as the next track is starting, Fox says, "Actually something was going through my mind. I think I'll leave it". Given that I was chucking abuse at Fox throughout, it is only natural for him have thought up a reply that he would have wished to have made, except that such a reply would (a) probably not be suitable for a family show, and (b) have given the game away completely.

So there you are. You the jury, what say you in the case of plaintiff vs. Neil Fox's Juke Box, guilty or not guilty?

No one has actually reviewed it or said they have fitted it - they only describe how well the package was wrapped or if it arrived. Show me one person that has fitted the unit and aligned it correctly using test equipment, then show the displays on a spectrum analyser and I would like to see the FM deviation display.

There is no comparison between different units, just your regular spam for a product people do NOT need in modern radios. Modern radios have all that built in and an older radio would not benefit from it.

A Two-word post, you probably wasted more time
replying to it :~)
Face it Brian, his one-line-wonder was even less credible
than a politician saying he wants to save the planet.

Unless they try a little harder, maybe post some hard
evidence, then you may as well stay in bed while you
wait for the next order to come in.

You asked for reputable.
I have dealt with several dealers, and never had
problems. However, someone else may argue that
they have been "had" by one or two of them.
Unless you specify what YOU consider reputable,
then you ARE asking for personal views.

> Actually, if you weren't so stupid...

More insults, coming from someone who was not smart
enough to find his business contacts before going into
production.
Does the term "business plan" mean anything to you?

One thing is for sure, anyone who needs to ask for
business contacts on a CB newsgroup has lost their way.

> We get all the sharp ones out here... lol

You may want to take a minute or two to consider that
all your insults are cached by Google.
Everyone will be able to see how you appear to beg people
to do your marketing for you (without pay) then, when
their replies do not suit you, you hurl insults at them.

Regards,
Peter.

That is far beyond any cber's ability. IF they can get it installed
they will crank everything up to the max to make sure they get all the
"swang" on the meter they can and splatter across all channels.

I am wanted to be ham all my life? I study reel hard & they dont want to
let me pass! I take the test 5 times before I pass,this meen I spent alot a
money $14.00 for test x 5 test = $93.47 I spend to get license; so when I
pass I get on 2 meter reepeter for fun & decide to make my own radio show
in morning from 8-8:30am,I am tell weather & play music,but a local ham
come to my door & tell me to stop my show & stay off his repeeter,he try to
say he own the repeeter,but I no the fcc rule & tell him no 1 can own

repeeter repeeter is for all ham & I am ham!He says he will just shut off repeeter but again I know the fcc rule & tell him the rule say you can make a repeeter & once you put on repeeter you dont own it anymore it belong to ham radio & all ham can use it & if he turn it off I can report him to fcc and he will get a fine maybe even loose his license!he laugh at me and leave,I know he do this because ham only like old ham & dont like new ham because they dont no mores code!they blame new ham tech because fcc make it against the law for them to use mores code to talk to other ham!Later that week they complain on my friend I give him ht to talk to me on repeeter,they say if he dont have license he cant talk on 2 meter!again I have to tell them fcc rule(you think they wuold no the rules) It is ok because i am controll oparater he call me from ht says my call sine & wait for me to answer I answer by saying this is(call sine)+ acting as controll operater for station player hater(that his handle) mines be ruff rider but I always id by say this be (call sine) the 1 ruff rider.So as long as I say controll operater it is ok!but he still dont like it! I decide to go and join local ham club I think if I join theer club then tey wont give me trouble any more,only me & some fourin guy(he is from a cuntree called Alaska) show up to join,they let the fourin guy join theer club,but say I cant join & say I am bad ham and want me to leeve! I tell that is not fair and it is against the law.And by fcc rule a fourin persin cant be a ham,They try to lie to me & say he isnt fourin, But i am not stoopid and tell them since Alaska is a country in yourup (I beleeve between sweeden & France) he is in fact fourin!if you arent from Amerika you are fourin!but they dont care & say I have to leave & that they have report me to fcc(lol for what I no the rules & follew them)Bottum line if you are new ham they dont want you & wont talk to you. So I ask all good hams to get together & try to get rid of the meen & bad hams,so we can all enjoy fun & musik on ham radio the way it was ment to be! To all new hams (or those that just dont no the rules) you can play musik on FM only (FM term came from stereo and it means For Musik)never play musik on AM (AM means Alternit Mode and is for talk only)and never play musik on SSb(Simple Sight Band) that is also talk only! have fun & mabe us new ham can git together and make our own club and chase away the old meen hams they must reelize we are the future of ham radio & without peeple like us ham will not servive it will just wither and dye!

Hello All:

Ok got two e-mails this year asking for this story to be re-told again.

When I wrote this true to life story, on another computer that has since be surplused to the trash for crashing or justing getting too old?!?!? Maybe it even took a bullet after telling me some Nerd Linger Programmer Crapp Talk.

So I am looking thru old disks and hard copies for it. I can't seem to find it on Google.

Be advised....

To get the average modulation to 100% then you have to be
overmodulating.

Is that the CB world according to you? I am not a part of that CB world. He constantly posts here degrading CBers, like he is someone of higher standing. If you spent time actully reading posts, instead of spamming, you might understand that.

I don't take anything from him personally. And I have nothing to do with Why are you defending him? Did he buy a voicemax?

In my CB world, I simply talk local, usually 15 miles, ala 75 meter guys that talk every night. Nothing more. If the skip is too much, I turn it off.

You are very mistaken.

That's fine, except that I don't think he meant it that way, based on past history. I think the "CB retards" is what he was pointing to, refering CBers as retards. And again, I based this on past history of his posting. Some of the pages were actually pretty informative, especially the scumbags page. But I don't think he ever went there.

I am not questioning the website at all. I was questioning the individual. You have been arguing with Frank too much. Spare me the facts and authenticity bullshit. It wasn't part of the argument.

As far as the rest of the group I speak to, most run barefoot unless skip is coming in with a 9, or some asshole is keying up music. It's nothing more than a glorified chat room. That is the CB world I live in.

I never said I was a good CBer, asswipe. All I said was that he thinks he is better than CBers, because he passed the tech test. That is the reason he posts

with his call sign, isn't it?

You have a serious reading comprehension problem is that translates into "I am a good CBer".

I'll tell you what. I am a hell of a better CB, than you are a poster with good netiquet. Since you mostly use this board to attempt and advance your aspiring business. Hell, If I were you, I would be calling CB shops left and right, and pushing this item. But you're too fucking stupid to do that. Instead, you spam here, where the same 20 people post, and none with the exception of me, were even interested in it. But that's OK. Keep posting here and keep wishing you will sell it. Read between the lines. You have been here years, and have failed miserably at your business ventures for years. So what do you do? Keep posting here and try to keep selling and failing. Brilliant.

Yesirree you are correct. I don't have it here in front of me, but I think the last four digits of the cat number are 1625.

I can see the "Final" transistor is cracked and whether "that" is causing one of the issues alone or not - I'm not sure. The modulation level is less than expected on the scope and the Audio stage transformer is getting mighty warm - has already made the case top get wrinkled. Intermittently, the thing is going into a "Scan" mode on channels. I'll have to check the switches too - make sure they're not sticking or whatever.

I hate diagnosing stuff without schematics - if one can be had. I have one I bought new - got this one used minus antenna and so on - for $3. I got an antenna to use on it - just want to get it fixed up as a mate to the other.

I'm not sure Radio Shack was interested in making these repairable at
all, I'm not sure a schematic exists for any of the Realistic line.

that maybe the one thing you have stated that maybe correct. One of

|Still sounds like the mode would be 100% with the mean slightly below.
|-------------

It maybe possible to get to 100% average modulation without
overmodulation. Still such a signal is really unitelligable and not
worth the effort to achieve it. A voice so compressed that the peakto
average amplitudes are equal will more than likely yield a totally
unitelligable signal.

I also doubt the claims of 100% average modulation. A decent signal
would have about 50% average modulation. After that, you have nothing
but a trashy signal in my opinion. Also the claims of double the power
are truley absurd.

You can modulate over 100% on positive peaks, assuming the power
supplied to the final final amp stage being modulated can handle the
extra power without clipping the envelope, but you can't go over 100%
on negative peaks without distortion. So to get an average modulation
of 100% with reasonable signal quality you would have to over modulate
on positive peaks and never go over 100% on negative peaks. I doubt
your processor nor any cb can handle that. So you can't just "hold the
modulation at 100%".

Gee Vinnie, looks like he hit a nerve there. Not withstanding that a records search indicates he's been a ham since August of 1992. IIRC, the tech test involved a bit more math and regulations back then. Todays tests are significantly 'dumbed down' from there.

hmmmmmmmm. Not sure how I should take that. BTW, your 'assertions' of what I was saying are just that: ASSERTIONS.

I invite you to try, but without a legal address, said homeless person would be SOL when it comes to getting a call.

also, had you bothered to take a look at the site in question, you would have seen my point plain and simple.

As for my previous history here, its irrelevant. Sure, I got my start in CB way back in the late 1970's (when one still required a license) and I went ham in 1992 (just because I could). I saw a lot of good operators leave CB because all the bad apples had taken over and were driving everyone else to other services. Some of the examples given on the WATERGATES section of the site are why I have such a dim view of CB operators today (and far too many of them are still on the air).

Frankly, I think you just have a personal problem with me (or perhaps yourself). Either way, I don't give a damn!

Believe what you willm but the posting stands on its own merit.

Then why hasn't he upgraded? Duh. If they are that simple, why is he still a no code Tech?

I quote the extras when I took the test. "2M is CB with call signs". These were extras, who were pretty old. None were younger than 50. Those were the days when extras had to pass siginifcant code tests.

I have an SG-239 AutotTuner that I bought for a project and never used
it. It is virtually brand new. It has not been used. It still have
the new Velcro on the back for mounting. It comes with the book and a
pigtail with a PL-259 connector for the RF input.

Click here to see the specifications: http://sgcworld.com/239ProductPage.html

Click here to see a photo of the tuner: http://imagehost.epier.com/44487/239front1.jpg

This is basically an SG-230 without the big expensive case.

I have only one of these units available.

The price is $149.00 (I paid $195.00 for it)
Shipping anywhere in the lower 48 states is $8.95

Shipping to Alaska, Hawaii and International destinations is higher.

Please email me directly at: iamw7gsa@gmail.com or call me at

There's not a whole lot there to understand.

Dynamike - controls the Audio from the mic (Modulation).

Voicelock - basically fine tunes the stations on SSB - whether they're operating on LSB or USB.

The "Switches" and "Channel Selector" are pretty straight forward.

Channel 16 (used) to be the standard SSB contact channel on AM/SSB sets - but that was in the past - things may be different now - "I" don't do CB much - anymore - particularly - SSB.

IF the set had extra channels installed, was peaked, added switches installed or the factory switches rewired to work other functions - then it is anyone's guess as to how it will work. No "owners:" manual will cover that.

Oh boy! Well, I can sympathize with you - been there - done that. Sometimes there are some - you can't get to on the simplest of things. Me thinks they better look for an easier hobby! I mean "that" radio is almost as basic as you're going to get. Geez.....

Let me see if I can find one for ya - I may have one laying around here. I'll get back to you - or maybe with a link.

Interesting..... I know many extras and not a single one of them has ever referred to 2M as "CB with call signs" (some of these gentlemen cut their teeth on SSB 2 meters back before there were repeaters and the like).

I ponder the cranial capacity of the crowd you choose to hang around with.

upgrading is all fine and good. what good does it do me if I don't have teh
equipment to use all that extra spectrum (let alone a place to set it all
up)?

and your point is?

I learned the code when I was 14 for a merit badge in the boy scouts. I
didn't see any reason why I wanted then or now (except to satify a
requirement to gaining my Eagle).

I am fairly happy where I am. I have access to >25% of the available RF
starting at 10 meters and working UP from there. I can run digital modes
NOW without even having a PSK31 hardware modem (all done in software) and I
work on technologies that no one ever heard of even 10 years ago.

you know what Morse code is? its an antiquated trinary based codec the human
brain can interface with (3 states: long, short and off). There are many
more advanced techniques that can communicate far greater volumes of data
in the same effective Bandwidth as a single voice channel (and at
considerably greater speed, efficiency and reliability).

I can see a point for CW if 99% of our technology broke down. However, what
are the chances of that ever happening? probability: 0.000000000000001%

think about it for a while.

Probably because they don't use 2M. But I also have it on good authority, that most amateur radio rules violaters, are extra class hams.

>(some of these gentlemen cut their

I ponder your ability to understand reading comprehension. I never said I hung out with them. I said they were the VEs that gave the test. I haven't seen them since. That was their quote before they issued the tests.

http://www.nocode.org/articles/riley_quotes.html

From the horse's mouth:

It sounds good if you say it fast." he quips, adding that problems related to lowered entrance standards "are just nil." The opposite isnï¿½t true either; higher standards donï¿½t necessarily make more compliant operators, he says ruefully. "My experience is that higher class ops are the problem ops." (emphasis added)

It's a guess. Mr. Facts Man has no statistical data for the forcast (otherwise he would have listed it). You are basing forecast on 1 months sales (which did not reach 1 per day, I might add). That is not business 101. Also, business 101 wouldn't recommend that someone's livelyhood be based on speech proccessors for for CB radio market. That is a market that is virtually dead, and most often cannot purchased a radio unless you go to a truck stop, or use online vendors.

BTW, how did "business 101" work for your amp?

I am not the one trying to make a living on a speech proccessor, or an amplifier
geared for the CB market.

Judging by how many years you have been on this group pushing your failed amp,
and not voicemax, I highly doubt you do something else full time. Since you
spend most of your time, here.

Again, I'll ask you one more time. What happened to business 101 with respect to

care to elucidate on that a bit? Having something "on good authority' is all fine and good, however, stating so publically only draws attention (such as demand for cites, proof, etc.).

no, you did not. you 'implied' that you associated with them. you never mentioned them being VE's at all. you also never mentioned anything regarding remarks before a test either.

You see, this is what I mean, you spit something out that is so vague that anything can be assumed from it, and then when called on the carpet about it, you get all defensive and start adding information that wasn't initially presented.

The link that appears to be authored by you on a public newsgroup
that is easily found by a simple search of the net. You imply that
it's forged. If that is so then don't you think it would be better to

I'm not your friend, and remind me not to go to the school where you learned
busniess. Spending years on an amp and advertising it, and then taking the last
few weeks to figure out it wasn't profitable. Duh.

BTW, you only sold 8 voicemaxes on ebay, even thought 17 are in the field. That
is a hell of a business. Give one away for every one you sell. Business 101.

No dumbass. I didn't imply nothing. My quote is:

"I quote the extras when I took the test. "2M is CB with call signs"

I never said they were my friends, or hung out with them. You simply can't read.

>You see, this is what I mean, you spit something out that is so vague that

Actually, I was pretty specific. I mention who said, and when they said. I never said anything that I associated with them. When yoy go take a public test, whether it's ham, civil service, etc, you don't associate. You simply take the test.

If you still can't figure it out, try this:

The following text is excerpted from an article (at page 54) in the April 1999
issue of QST describing the works and philosophy of Riley Hollingsworth, K4ZDH,
the FCC's "Chief Enforcer."

Stick that up your ass.

This might be a stupid question...

Is there any way to access CB Radio channels online? I know that quite a long time ago when the internet was fresh and new, there was a site called Broadcast.com where you could access police scanners and certain CB and weather channels online. There was really no way to get in on the conversation but you could listen to individual CB channels.

Most people who own a computer and have access to the internet find it useless to chat on the CB or listen to the police scanner if they can just get online and chat but I'm a geek (nerd/dork) and I like a good "old-school" chat on the CB every now and again.

Is there a website or software that makes it possible to access local CB channels or local police scanners?

TIA

|You can modulate over 100% on positive peaks, assuming the power
|supplied to the final final amp stage being modulated can handle the
|extra power without clipping the envelope, but you can't go over 100%
|on negative peaks without distortion. So to get an average modulation

|your processor nor any cb can handle that. So you can't just "hold the
|modulation at 100%".
|-------------

Yes there is was a technique used in the early days of AM called
supermodulation. That is where the positive peaks of the wavform could
exceed 100% but the negative peaks still cannot.

This is still not yielding an average of 100%.

Here is the jeopardy question for you:

In the category of electronics for $100

Name the only signal that has the same value for its peak and average
value?

Now if you can answer that correctly, then you will understand why a
modulating signal that yields both 100% modulation on its peak and its
average is unitelligable.

If you answer that then we might go onto electronics for $200.

There's no swang with FM CB. No swang, no "talk power", no
bandwidth for speech processors... and no point to having one.

FM has a constant carrier level. You cannot see the deviation
on a scope, and very few people here have deviation meters.
That includes CB shops, so there is very little chance that
they will be correctly set to the legal maximum deviation.

With just 10KHz spacing, FM CB is extremely open to distortion
and splatter problems.
Those who do not totally distort or splatter, may well do so on
their peaks. The odd short farting noise may not be a problem,
but what if they are set to a constant max?
Obviously, they will then constantly distort and take out other
channels.

The UK has been there, seen it... and we have the T-shirts
to prove it.

I will not argue with those who whimper on about
"talk power" on AM and SSB, but FM simply does
not work by "talk power".
With FM, getting your voice heard over distance
is NOT done by increasing audio. That just distorts
and splatters.

There is a solution, and it does not use processing or
expensive circuits. I have often used the method to
great effect, at a cost of pennies.
I wonder if the Griff man can educate the group on
this method.

Ah, but wait, if Brian tells us how to do this for pennies,
how will he sell his FM splatter box to people in the UK?

Regards,
Peter.

You say *any* radio, but you have clearly stated that you are
now aiming this product at the UK market. Can you show that
you can increase FM power by increasing the modulation?
Of course not, FM has a constant carrier level.

Besides which, anything which doubles the power of a
UK CB is ILLEGAL. Any deviation in power is also
illegal - only the frequency or phase may deviate.

People in the UK have previously been fooled by "talk power"
claims from the US of A, not knowing that it does NOT apply
to their FM CBs.
The results were chaos... channels wiped out all over the place.

You should either moderate your claims, allowing for the
FM CB market that you are targeting, or drop the FM market.

Regards,
Peter.

There goes the neighborhood.

Listen carefully, Griff. I understand that, being a Yank,
you will not know about our systems, laws and issues
regarding such devices on FM CB.
So, please allow me to inform you of some very important
facts...

UK CB is FM only.

There is no "talk power" with FM, it is a constant carrier
level (unless some tw@t has f'ked the radio up).

Increasing audio level does NOT increase the distance
of your signal.

There are only 10KHz between channels.
FM withing 10KHz spacing is a f'king tight fit.

So tight that the legal deviation level was reduced
in an attempt to stop the splatter problems.

So tight, that the latest radios must have very narrow
receive bandwidth to pass the test - yes, they must be
tested by government approved labs before being
legal here.

This narrow bandwidth will distort the signal of anyone
attempting to increase their transmitted audio.
This distrotion will not show on an oscilloscope or other
test device, as it is generated within the legal FM CB
receiver.

We have had several years where such devices were used
on FM CB, and the results were distortion and splattering
of other channels.
One person I knew actually got complaints of "bleedover"
from 20 to 30 miles away... she became famous for it
across a large part of the next county.

While specific equipment may not be illegal here, radios
pass their test with the original microphone. Adding a speech
processor may invalidate that approval - making the owner

open to prosecution for any interference caused.

Read my lips...
With FM CB, speech processors are worse than pointless... they
cause distortion and interference without any real gain.

Regards,
Peter.

Hello Jay

Yeah those books are good too. I'm up late tonight with the 90 to 150 mile ground wave into Michigan. It's all good since I have tomorrow off from production. (wipes brow)

If you can hear them you should be able to talk to them, rogo. Need a good antenna or two. I dig that ground wave.

its Landshark (who seems to have a hate for me in any case).

Killfiling doesn't really do any good as others will defeat the killfiles by such means as responding to those known to be killfiled (see the argument)?

In any case, landshark chooses to believe I am this FUBAR (whom I do not know, have not communicated with in any great depth and have only read about here). Clearly, his "subjective reality" is at odds with the real world.

if you choose to kill file me (or him or anyone else for that matter) it is your business. Still, one shouldn't kill the messenger for the message.

Vinnie,
there is a lot more in that article than just the small quoted item. in fact, quoting only that section can be taken out of context without including the larger picture the entire article speaks of.

However, I have witnessed the actions of some "extra class hams" with regard to a case that goes back about 10 years (FCC V. Timothy Harold Hoffman) in which several noted extra class hams were known to associate with the defendant ON HAM FREQUENCIES (knowing full well they had a 'bootlegger' on frequency and chatting with him AND not abiding part 97 at all with regard to any of their actions).

so, in a way, part of your quotation is relevant.
It is a sad state of affairs when people WHO SHOULD KNOW BETTER condone such actions as were taken back in 1993-1996 (and those people still harbor such ill will toward me to this day because I wouldn't back down and accept the harassment, illegal use of my callsign and other nonsense).

I, at least, have a sense of honor and duty. If someone commits a wrong (not knowing it is wrong, I let them know (politely). Unlike some in here, I will not harass, forge, steal, obfuscate or otherwise violate the rules when it comes to my ticket or other professional items. I will, however, stand up for my rights and BE A MAN (which is more than I can say for some others in here).

All I ask is that you consider the source before making a decision.....

Hello Steveo:

Wow that ground wave sounds like great fun. I have guys in Reno Nv and Fresno Ca I talk to all the time on ground wave. It seems to be a lot more steady than the signals skipping off the atmosphere. Oh by the way all of us are using the Interceptor 10-K Antennas.

Yeah If I can hear them I can usually talk to them.

I put up a full 5/8 wavelength Interceptor for 20 meters, it was 41 feet tall, and had 4 ea 16 foot ground plane radials. It was a antenna not from this world. After a while it was no fun, then I used it barefoot, it worked great. Took it down and started working the quad project.

I have pictures of the Interceptor 10K for 20 meters, it was very large!

Hello FreeBandWilly:

Yeah I get flak for the price of the Interceptor 10K Antenna. But I designed the I-10K Antenna with all my bad experiences that I have had with other mass produced cheap antennas. Its cheaper and easier to have the right stuff the first time around.

How many times have you had to fix or replace something on the antenna just because it was cheaply manufactured. Had TVI complaints, or it took out a expensive amp after catching fire.

I had many inputs and suggestions from radio enthusiasts to make a bullet proof put it up once, less TVI problems, and be to take a little power, and not fall apart in the Mojave Desert Winds.

So all the best materials are used in a internally reinforced design. With a low loss matching system. So this is the Rolls Royce of antennas. I offer a money back 30 day no questions asked guarantee to refund your purchased price, (you pay the shipping back) as of being in business not one customer has ever asked for a refund.

Ok off my soap box and back to work in the Aluminum Tubing farm. E-mail me if you would like.

Do you sell direct? What e mail address should I send questions to?
(just wondering if you use the addy in your headers)

I agree most of the mass produced products are junk.I couldn't build one
cheaper (or as well) as what I've seen on yours. I was checking it out

on a cb shop web site a while back.

Thanks,

behavior condoned? Demonic thieving bushite enemies of

loyalists to the ungodly enemy antichrist?

DEFEND THE PEOPLES OF IRAQ FROM BUSHITE NAZI DUMFUK GRUNTS

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

-

Tatum, who freely confesses he's a proud child killer without apology, is being made a free man in evil bushite amerika. The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that there is insufficient evidence to show that Lance Cpl. Stephen B. Tatum did anything other than follow Marine Corps rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. Evidence that TRAITOR Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons
suggest our reality impossible without corporate challenge
for exploitation of our 'unrepresented' lives.

/ / Ware has recommended to [demonic nazi enemy of Life

dismissed, \ \

"Mad Dog Mattis,"

BUSHITE ENEMY OF AMERICAN FREEDOM Lt. Gen. James N. Mattis

"It's fun to shoot some people" - defenseless innocent WOMEN
HE SHOT!! INNOCENT CHILDREN HE SHOT!!!! YOUR CHILD!! FIGHT
BACK FOR CHRIST! FIGHT BACK FOR our dying aMERICa!

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum
entered a home and participated in the killing of Iraqis who
were not legitimate targets, then entered a second home and
participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha,
Iraq, in 2005 knew that only women and children were huddled in
a back bedroom in a house there, but he [TATUM] opened the door
and shot them anyway, a squadmate testified Tuesday. \ \

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

CBC National News producers must be tried for treason, CBC reported that the Taliban banned girls from school, and women from work. LIES. I want the death sentence returned to Canada, to have executed Brian Stewart for his boastful true contempt for the lives of Canadian soldiers, who he LIES to, to have them die as assisting the escape of the zionist bushmob, by supporting fundamentalist dope pushing savages. Death to the documented liars of the zionist neocon, death to those who indiscriminately murder our species for a stolen nickel.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself.

That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit what more could we ask for? Death to the bushite.

UN's Admission: Lebanon Was Right All Along
http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon
is right in claiming sovereignty over a small fertile area
known as the Shebaa Farms, still occupied by Israel. Israel
argues that the territory is Syrian and will be returned in
future peace talks with Damascus, even though Syria backs
Lebanon's position. The UN's admission has been mostly
ignored by the international media. \ \

Nazi zionists gave US Jews a bad rap again I see. They're
despicable criminal savages the neocon.. who steal the rights
and privileges of US peopled folks, all to fall victimized
with their self confessed contempt for love and justice.
Condi's crew dropped seven million land mines to murder
ourselves for generations, and, shouldn't she and the neocons
responsible be put to death for such conducts?? If not then,
when? discuss.. They openly target innocent human beings
indiscriminately without apology, but excuses that don't hold
water. Not that corporate news professionals are even
pouring! It's most definitely the re-occurring true story of
a censored mankind with You as it's innocent victim. For,
what human would support victimizing others for the tyranny of
blind terror? Only bushite amerika would fall silent under
such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it
will discontinue its practice of "capturing" populated
Palestinian villages during military training exercises. The
IDF states it will "reexamine their policy" of conducting
such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for
defense in? Or, just again examples of standing terrorism
against life ourselves - committed by the censored as will
giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly
the very same terrorist acts they say we should all be
outraged against? Somalia is a case to point. They murder
helpless people as bushite, then say they'll remain dying to
thieve further as enemies to Humans being. It doesn't fool
me, but perhaps it does you. A neocon soldier murders
innocent Iraqis, while selling you they are all there risking
their lives to bring freedom. So, they die. For lies. Die.
Again, KNOWN Aegis goons openly commit crimes against Iraq

done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminals.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. Are you with yourself as respected an equal under the law devised fairly for all concerned parties?.. well then... let's g o ! ! !

be Great!,
for here comes the mighty,

Johnny America - make way! make way!

Where is the Evidence?

How so can all of Iranian Military Officers be "terrorists", while lawless bushite bomb defenseless innocent peoples indiscriminately routinely, with praises from the actual demon antichrist responsible personally for 911 I want to know. NOW. Kill a bushite THIEF for American Freedom why don't You victimized Peoples of Earth? A bushite kills bushite for stolen nickels. Examples: Aegis, Condi's land-mines, fixed elections, torturing. driving over children, blahblahblah..

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

/ / Or, instead, maybe you'll idly watch some innocent person willfully be sent to prison by liars in your demonized name, to defend the ungodly evils of war criminal traitor, our Mr. Bush Jr. in foolish disguises. Your call Bud. \ \

bushite talk about random killing of godly persons
http://www.youtube.com/watch?v=OHvtIL_TRGE

"You can basically kill anyone you want"

/ / Just a "few bad apples"? I don't think so, this is much
more widespread from what those soldiers were saying, and
SANCTIONED. \ \

Look, a bushite would kill an American child too. When or
will Americans become American? Death to the bushite, death
to the enemies of Man. Again, national bushite broadcaster,
George Norry stated he'd go ballistic against any American
soldier who refused to murder for the neocon as traitors, and
"America" STILL refuses to speak in their own defense for
dying. Death to the bushite, death to the enemies of Freedom
for America.

/ / "as the bullets began to fly, the blood sprayed from

heard the cheers of godless bushite dumfuk traitors obscening
to God and Man as the unholy enemy.] \ \

Look, listen to soldiers who sing about the joys of murdering
innocent young girls, see their faces in the videos
celebrating the murder of girls LOVED by GOD and ME, and
question: Why won't you as an American assist Christ in the
glorious hunt. Nothing better in this world than to bill a
murderous bushite who claims it's lawless to this suffering
Universe, ruled criminally by the demon antichrist enemy of
ALL HUMAN LIVES. All religions want US to defend GOD - please
help me take on all challengers. We want a fight to death

with that dishonorable pro child killer bush bitch nazi
"Marine" in a cage match to earn world title of greatest
fighters. Pump it up, Johnny's coming Home to end the reign
of bushite tyranny by taking on demonic enemies of Our
children, me, or US. Death to the bushite, death to the
enemies of GOD. I promise to put on one hell of a good show.

Why will you not as a member of Humanity, make the call

The Case of Kenneth Foster:
Texas Prepares to Execute Man for Driving a Car Near Scene of Murder
http://www.archive.org/download/dn2007-0809/dn2007-0809-1_64kb.mp3
http://www.democracynow.org/article.pl?sid=07/08/09/140214

http://www.freekenneth.com/Foster's%20subsequent%20writ%20final.pdf

A JOHNNY AMERICA EMERGENCY

"The prosecution's case was based on the unchallenged and
unexplored inference that Steen's testimony provided. Because
this evidence was not tested at all, and Dillard [was not

allowed as] never called as a witness, Foster was denied the effective assistance of counsel."

There is no criminal intent alleged as found here. Therefore, Foster is innocent of the crime he is going to be murdered by the fascist enemy State as.

"Steen's testimony supplied the basis for the inference that such a conspiracy existed."

No it doesn't, never did. Despite the Prosecution's hypno mugger insistence to the incompetent jury, "that it's a no brainer."

Texas Prosecutor "Foster and Brown understood they were there to commit another "jack" [robbery]."

No, this was not established by the facts, or testimony to the jury. However, even still, would not warrant a conviction for attempting murder.

Texas Prosecutor "You remember Julius Steen's testimony? He said that he was riding shotgun, he had a certain job to do"

This is unreasonable inference. For he didn't state he had a job to do in his dream state of sleeping for unique murder strategies about to be implemented with his direct "shotgun" cooperation as a mastering the mind sleeper cell, a jargin' specialist don't you know., Aiee boiee. If anything, it's actually the reverse, for to be sleeping on the job, would have had someone wake him up. Unless of course, there was no planned intention as so alledged by everyone involved!

A Lawyer quipped: "What is the difference of voluntary manslaughter to first degree murder in the new America? Twenty to life."

America's legal politeness is too generous. The Prosecutors in this murderous case are tremendously unqualified as unjust, and should be minimally disbarred. If not out right arrested for contempt, as for attempted murder! The accused had not earlier murdered their armed robbery victims, surviving victims that Foster was testified as visibly and aurally upset about. Look EVEN IF four guys do a bank robbery, and one guy stays back to molest the 'homeless' mascot baboon crying on the street in crisis, or flies to Vegas to short change the money girl of her holdings, doesn't leave the others 'involved' to fall guilty of everything associated to any as all automatically without question allowed uttered ever. Such as, why isn't the Texas community guilty also of Capital Murder for excepting some in Texas as themselves are lawed unfairly by unquestioningly excepting the State's Prosecutor for the government is formally granting our defense of no

counter? Forbidden cross examination of the State's definition of a witness's statement as co-accused is definitely un-constitutional. Who was the jury really and how did they not know what was absent as American jurisprudence there? Who was the Texan "Judge" to find no outrage in absence of argument for 'final' verdict? What was he to judge, if the defense council's request to be heard wasn't recognized?

If we measurably site the bushmob as anti-Iraqi nazi savages, thieves and murderers, as not America's way to US arriving coppers, should we therefore arrest ourselves wrongly for undermining freedom for the suffering World? Like the Bushmob wants to do in stealing monies from those who speak such truths for Justice on behalf of our Humanity?

Armed robbery is the most serious of offenses outside of rape or murder, and deserve seriously termed prison sentences for the convicted, [of which I'm not convinced Foster is guilty of either despite his guilty plea] however, Repuglicons ROB from America hundreds of billions with earmarks by threat of false accusation by gun toting bushite loyalists, and no Texas Prosecutors are calling for the arrests of those that "voted" so, let alone warranting their death sentences for not acting sooner. The Prosecutor's "no brainer" insistence that Foster is guilty of murder, apparently, doesn't however apply under his conditions to the two remaining others present. Unless the Prosecutor believes someone here is going to get away with capital murder... That's of course if we buy the State's interpretation of a sleeper's dream.

Foster's Legal Council "These circumstances deprived Foster of a fair trial every bit as much as if their testimony were suppressed by the State,"

King Johnny Wizard Proclaims:

Kenneth Foster is declared innocent on the charge of murder.

Rick Perry, the TRAITOR, will be tried and executed for Capital Murder in this specific case if Foster is not acquitted by his State party. Under Texas law, those who willingly participated in what would be a state sponsored first degree murder, would also be guilty. 'Law of Parties'?

Please, as an American, defend your freedom as if your life depended on it.

The Law Man,
Johnny America

Just what were they there for? I don't buy it. This is not believable. An Investigation is needed here. \ \ ALL PAID CASH to "vote" also..

I said that years ago, but the bushmob isn't listening, because, hey, happy George Norry don't care, and CBC, CNN, and FOXNEWS isn't taking our calls either man.

American soldier: Your enemy is TRULY LIAR happy George Norry. Pro-mass murderer war criminal Kristol once again, speaking freely to Jon Stewart unchallenged internationally on Our TVs as "Two Jews" stated..

"We don't believe in original sin."

Colbert half an hour later, "Are you calling Jesus a liar?"

Now, that's funny..

See? Jon Stewart isn't Jewish, for he's not black, and he speaks no words in defense of the innocent robbed and murdered in his "Jewish" name. A Zionist! He wants to sound our public voice silent where a Hitler or Kristol marches innocent others into gas chambers by calling ourselves terrorists without a thread of evidence to thieve from as unworthy. Few know, Hitler was a staunch Zionist too. The excuse would be, but G-D is worse.. because, as the "Two [atheist] Jews", they can commit no sin against Christ by trumpeting demon evil lies as if, we have no stronger indivisible arguments present in OUR defense ever for Just causes. AND, he's near the best our American national TV media has to offer!

Did you see Jon Stewart whore himself to Albright TOO!, the physco nazi witch who holds no regret in the murder of more than 500,000 CHILDREN? I believe, Jon Stewart suffers from the ignorance of Celebrity more so, than a genuine hatred for Humanity.. as that is the fault of most TVed Americans. Nothing more greater than getting on the boob tube, to really make your mark on this fleeting world as they sell their life away for nothing but the privilege to be recognized at a gala swarray.. fed on the victimized innocent of Humanity left robbed as worthless their grand stage. His show is often quite bright however, and leastly, reminds people, that CNN, CBC, and FOXNEWS isn't the be all and end all of respect for US caring viewers.

but looksee.. EVIL is real though -

THINK of how Truly evil a person would be to lie for CNN on this issue.. a "Jew"? would do this?..
A "Jew"?

/ / The inflammatory words MEMRI blasted the US media with were when the young caller "Sanable" was supposed to have said "we will annihilate the Jews" were not even mentioned by the caller or by anyone else in that clip. \ \

SEE! A ZIONIST SAID, "we will annihilate the Jews"

http://www.frontpagemag.com/Articles/ReadArticle.asp?ID=25994

/ / When hundreds of millions are calling for the extermination of the Jews of Israel this is more than a lie; it is a blood libel. \ \ This is like satanic neo-nazi EVIL no?

See? Zionists are nazi betrayers to GOD ALMIGHTLY, for they believe we do not have any power great being Loving for others. You WILL see how GREAT we destroy the bushite, then you'll know what joy love for god as innocence is. And then You'll know for sure, how WE truly are as Just and Free.
And, kinda scary Being all godly and such..

Demon evil enemy neocon George Norry is a naked traitor to History:

You, George Norry are a demon because you purposefully broadcast to my America the need for neoconned soldiers to die for the lawless demon antichrist, knowing full well, you work

There is no found honor in a thiefs paradise of neocon plunder my friends, no honor.

Have you seen the documented murders of INNOCENT MEN trying to defend their community from lawless nazi dope pushing fundamentalist savages?, just recently released by those who fly in the antichrist's apaches? Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!
http://youtube.com/watch?v=nu4GBnxi3wc

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president,

Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

Perl of wisdum 'yeah so? 911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow

US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Ron Paul Loves Ron Paul!
http://youtube.com/watch?v=eAvt7BdvJiM

"If you happen to be working for a big company, or the government, you get health benefits dirt cheap.[?] But if your trying to make it on your own, and you don't have insurance, you might be charged two or three time more than the government will pay!"

Almost. PBS showed a man who fell from a ladder, broke a rib, and was bankrupt from his near $250,000+ bill for, for private "free market" health care. Money demanded that doesn't go to the doctors, nurses, or "public" hospitals. So what is Ron Paul saying about Ron Paul? I'd wager, he doesn't know himself, and fears like FOXNEWS from open debate of those who try to teach US to walk through his own argument, (or follow the money (al-Qaida=Ahmad)) and find the fault of all proud blind Libertarians. Look, don't you want the best service possible for the dollars expended? Why give your BASIC health care treatment dollars to a do nothing shareholder, or hedge

fund CEOer for procedures, who's success is not made better by needlessly increasing the costs for nothing but selfish sicko greed by bribe payers. Again, rarely are those that "earn" billions in public health care, care givers, but takers. Someone ask Dr. Ron Paul, or Ross Perot, why those with leverage, are able to negotiate better deals through intelligent design, leaving others as single payers, (poor unrepresented pension people,) to flip their expenses? Do we want to publicly sanction screwing over the poor with ignorance, to feed the pay no taxes either, talentless as lowly, highest ranking rich? I suppose if it means radiation treatments.. anti-psychotics or, the play time of genetically altered vaccine strains of true quackery, as has to be done trustingly religious on someone for our money. Money lost as investment on privilege in the market equation of lowering the human capital available to maximize the de-profiting of our shares for nothing but money grubbers. Again, Americans pay TWICE as much as Canadians per-capita, where for those dollars Canadians get full coverage, while Americans are then expected to go out and buy insurance now. TWICE. (Did you know that DO NOTHING hedge fund managers can "earn" as much as 1.7 billion per year in salaries by nickel and dooming everything? And, it's only an elite small few who are 'lawed' to do so? Now, who would want that in a free to be me democracy?)

traffic light for commies, traffic light for commies

A dying waged - by the painfully wealthy status-quo ignoramuses "this is the first step to socialized medicine!!" ahhh!!! caring doctors with calculators are connecting for better prices to improve care.. We'll take less and they'll be free to think.. FOR THEMSELVES! AHHH!!! bare ass and run for cover!! embarrass for. a caring Doctor with math skills and Law is a comin' round, play smart stupid. "What do we do again"?, play smart stupid. . (`_`)

To fix this we must decide what this issue that encompasses the "Health Care Industry", is passing ourselves away off as. Politicians who promote pushing the power of pill popping to purchase your placated peace of mind is perturbed.,

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny

Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

A reminder: Peres, the Devil demon LIAR, sounds as sweet as any little old man could, but for the fact that he LIES about targeting innocent godly people for murder! While playing ignorance, as if, he doesn't faith G-D as a real Jew would from Israel. Zionists are atheists who lie as neocons who sacrifice all for ill gotten money stolen from US as the blind foolished already with G-D from the Ol? Testament, all on how this Life suspends storied belief as Divine, to say finally, out loud, "hey wait a minute, who's in charge here?", is really something of a miracle. At least when I say it.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save

the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of tragedy?

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Intelcenter.com = alqaida videos you can get nowhere else!

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TVs. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

BUSHITE AMERKA CLAIMS THIS DOESN'T WARRANT THE DEATH SENTENCE?

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of GOD. Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured

to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

[Option B: More Dead U.S. Generals And Fewer Dead U.S. Troops ?] \ \

If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth something. When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Just look at that my friends of Earth just look at that. Americans speak only contempt for the value of human life. Every day, INNOCENT Iraqis die by the criminal actions of the demonic neocon enemy forces of EVIL, and our deaths as the god loving mean nothing. A small few die in a bridge ACCIDENT, and every corporate channel devotes the entire day's news as it. Allawi confesses to killing children for "CIA" money, and there, as with the soldiers who braggingly, beat innocent children to death for sexual pleasure, bomb people indiscriminately, or steal all the humanitarian aid, don't command your slightest concern as impartial paying for it TV viewers. They say, US people who aren't "Americans", do not deserve due process, the freedoms they claim to own exclusively, of which WE, are granted nothing of. See?, by not using evidence to from your guilty verdicts, how can it be therefore possible, to know, you've arrested, tried, then executed a mass murdering NEOCON war criminal? I don't think Americans could possibly be more disrespectful to God and country, Johnny and Justice right now, do You?

Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is
this not a treasonous act - for Bush to close criminal
investigations, immediately after the terrorist crimes
of 911? Shouldn't the demon enemy be put to arrest
for that godless act alone in this forsaken dying world?
A world left instead suffering further the tyrannies
of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to
lie to the Public for cheating and stealing by murder of
US as proxied, innocent peoples purposefully enslaved by a made
ignorantly entranced TV audience that is repeatedly reminded,
we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently,
but just lie and tell US they do. Look to see, almost all
political internet traffic condemns Bush straight to hell
well he rightly belongs, but the polls still say no - WE,
seeking for Just cause, are the minority.. just roll over

DEMON MURDERER PETER POWER TRIES TO LIE HIS SOCKS OFF
ABOUT HOW HE MURDERS LONDONERS AS A FOR REAL TERRORIST
RECRUITER

[letter written as signed by Peter Power to MSNBC et al.]

/ /It is confirmed that a short number of 'walk through'
scenarios planed [sic] well in advance had commenced
that morning for a private company in London (as part
of a wider project that remains confidential) and that
two scenarios related directly to terrorist bombs at
the same time as the ones that actually detonated with
such tragic results. \ \

Homeland Security Committee Chairman Bennie G. Thompson

IT LOOKS like they are going to attempt making the move of BLATANTLY TREASONOUS war criminals acting to measurably now destroy yOur Freedoms in godless America. The Satanic neocon's 'faith', is in that YOU as an American, will watch the same corporate drivel that offers next to nothing to empower YOURSELF to speak Justly for a dying America. AMERICA HATES BUSHITE

Nationally broadcasted every day across America, Mr. George Norry publicly supports the murder of innocent Arab children, and I'm beginning to really hate a silent dying America for it. Speak to defend the innocent in this world American, or die yourself from self contempt.

Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man.

/ / "They can try to have their votes of no confidence," the president said, "but it's not going to determine - make the determination - who serves in my government."

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Brig. General David Fraser - former nazi commander of NATO who 'okayed' the bombing of defenseless innocent Afghan women and children for the Satanic enemies of Man, stated on CBC, he liked killing police officers, along with innocent women and children, (deliberately targeted for the pleasures of the demon antichrist) because, Afghanistan's children hope to learn. See? The bushite 'will' murder all our children and teachers on hope that we will never learn the Taliban, led by "Omar the Just", were loyal to Christ as REAL American Freedom, when publicly demanding evidence to form your conclusions. Thus is why the ENEMY to LIFE neocon state on YOUR TV and radio, WE must never be allowed to speak openly with the Taliban regarding the FACTS. Because if we did, neocon pension thievers would be hunted down in the streets for public trial, and then gloriously put to death by Christian values committed to TRUE freedom from lawless godless zionist LIAR tyrannies against Mankind - YOU included.

George Norry and Art Bell are the most evil of bushite, who as betrayers of the Human race, deny soldiers to know: General Ahmad funded Atta. They will both support the murder of Your American Son or Daughter for further zionist evils, before allowing true open line communications, to defend ourselves from the lawless demon enemies of Man. Do something about it, or don't. Let TRUTH set US free.

Instead of making an easy phone call today for your dying brothers and sisters, die as Satanic bad guy enemies of Life on Earth, sacrificed in cowardice to the real demon antichrist, and see if we, the true, strong, and free, care. The Son of Man SCREAMS before coming home to GOD'S America: We are coming to destroy Satanically lawless bushite enemies, all for the love of God, we shall succeed my friends, we shall succeed. I will not willingly live in a forsaken world with LIAR zionist war criminals conning US to believe, God is not Great, True, Strong and Just.

Die bushite die!

Neocon Soldier

Bushites who war as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

The Haditha perpetrators, if convicted, are looking at serving, maybe, a couple of years, for freely confessing to the targeting MURDER, of innocent women, men, and infants.

To, with a Love in your Heart for GOD, kill such contempt for Human life, is to serve American freedom to the last bushite neocon breathing. Death to the neocon soldier, death to the enemies of Man. - The Son of Man, as the Man of Men,

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and
that's why he irrationally started this war against God
conflict. Impeach him, then have him PUNISHED for high
treason against a further dying as truly unheard from America
- for that lie alone - we ALL could/should stand together as
equals demanding re-dress for the innocent murder victims
who've suffered for such contempt, and belligerence for the
basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation
proudly with repeatedly committing aggravated felons, and
South African death squad goons, all to war Love for the
neocon god haters. Who, as peenacking atheists, as their very
own documents stress, would murder anyone of US for a stolen
nickel.

Our Mr. Bush Jnr. "The war is for you or for us [neoCONS] to
win. If we [neoCONS] win it, it means your defeat and
disgrace forever."

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to
take away all your guns, and is a communist, but, Alex as
sometimes, is terrified of those who seek the requirements to
defend freedom directly, as more specific. (Example: NWO
isn't the name of the specific guy who financed 911 to murder
America.) So, as a consequence, he gets near ridiculous with
labels applicable to generalizations only dummies could
believe blindly. With Kucinich campaigning on ACCOUNTABILITY,
Alex Jones looks quite foolish. But, he's still trying.
Thank god for that. Thank god for that. Talk radio in
America should take open line calls on our ideas about how to
actually plan to defeat these, found factually to be, traitors
to God and Country.

Bush Successful at Permanent Legalization of Torture
http://www.prisonplanet.com/articles/march2006/070306Torture.htm

/ / The truth is that the Bush Administration has used the McCain anti-torture bill to codify a policy of torture that is now embedded in our legal system for perpetuity. \ \

WE'D be hunting down those bushite liars who
torture innocent people to death for their satanic pleasures.
For, you know it does warrant the Death Sentence in America,

right? (You can thank Reagan for that...)

/ / In a move that hardly indicates that he was a terrorist plotting to attack a US government installation Tatar then went to the Philadelphia police department to complain that he was being pressured by someone into getting a map of Fort Dix and that he thought this had something to do with a terrorist plot. \ \

Didn't see this on our TV news either did You?

/ / On CBS' "Face the Nation," she claimed that intelligence errors before the war were "worldwide" even though the International Atomic Energy Agency's Mohamed ElBaradei publicly stated there was "no evidence" of an Iraqi nuclear program \ \

That from the 911 witch, who forbade a stop to hostilities IN AMERICA'S NAME against the innocent in Lebanon. Nazi Israel ADMITS to the targeting MURDER of any innocent persons who drive in a truck. Perhaps Americans. Who cares? Not CBC or CNN they'll tell you consistently absent from the crimes scene.

Pill popping American GI teens are becoming.. CRACKHEADS!

American grunts get FREE all the Dexedrine they can shoot

Do you know how a crackhead finds itself? Lost by indifference to the ultimate, only goal, more dope. Freedom Fighter? or crackhead WHORE, who hopes to find a dollar 'somewhere' to stave off it's crackmaster, the "American People", led by the un-elected demon dictator, our criminal Mr. bush Jr., as the true enemies of all Mankind. Bushites are on serious dope to be so dumb as cowardly accomplices to a traitor of themselves, that they would die as, before actually defending God's America - that they gave an Oath to.

I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist demon enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater

than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

Death to the zionist bushite enemy forces

/ / After it was revealed by the Plaid Cymru MP Adam Price that British trained policemen had tortured prisoners to death with drills, we discovered, through the New York Times (!!), that American intelligence officers had been working alongside them at the Jamiyat police station \ \

Death to the zionist bushite enemy forces, death to the ungodly enemies of Man who torture innocent people to death for fun - expecting Johnny's America will not raise a word in defense for the Human race, or our guns to defend our loyal brothers to the cause of Justice. Death to the bushite, death to God's enemies who lie cheat and steal from Humanity to assist in the escape of those responsible for 911.

Bushite War LIFE Itself - and - They Couldn't Care Less

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide distribution and production of heroin, tells of murdering innocent farmers, that would never raise a gun in anger, are those they openly confess to target for first degree murder as labeled the, second tier Taliban. That's when not defending American Pension thiever ENRON'S pipeline managed under their extremist Muslim fundamentalist regime of intolerance for public communications, as the continuing thieving of 80 percent the Humanitarian Aid given by Canada to feed the STARVING, and school our children of the impoverished Afghanistan, as so reported. / / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous

bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. As US State Attorneys?, whom have the most serious of American Justice Department Motions of Defense for REAL Freedom?, he's not concerned directly with?, nor would "like" democratic Peoples to be allowed to care either?. IF he gets HIS way he says - as minding for the criminal master. True, Americans are generally, extremely cowardly as Bush's freely giving PAYERS, led for more ungodly sacrifices in fascistic silence, but this continuing charade of incompetence gathering against our entire Humanity, is going way beyond acceptable to everyone concerning. Johnny Wizard conceivers and otherwise non-believers state together:

The Iraq war against Christ has no true justifiable cause.
Torture is against the law warranting immediate death sentences
The Zionist AIR FORCE bomb people indiscriminately as Satanic
The bushmob stole all the Development Funds for Iraq
The bushmob are stealing ALL of Iraq's oil
The bushmob stole 100s of billions from censored AMERICANS, while George W. Bush personally stole 50 billion from America in the first four months of stealing the initial election.

/ / "I grabbed her
little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children pratically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE

enemies of Humanity to save the lives of our precious loved ones.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but

CONNED by their demonic hatred for US freely communicated.
How do I know this? I made the effort of making the phone

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're

going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

I know, it's seems odd that I am, at the same time, offering
answers to any question on the science of God as is pertains
to Justice measured, but this is just who I am to be conscious
man. So, if we can get over the shock of me being so
especially normal, maybe we can then realize, I have some
simple good old ideas that transcend through time by rational
understanding communicable between any two people. I am not a
"miracle worker" to all those I advise to not eat Aspartame
because it's a poison that also makes your body crave
un-needed carbs, that will likely convert to more unless fat.
So, it slowly kills you, while making you fatter than you need
be along the dead end journey faithing in "the system". So,
why do some do it religiously? Who cares (for now) but to
say, our governments are failing US miserably. I spoke
personally with one of the head scientists in Canada at
"Health Food and Safety", and he told me the scientific
analysis done by reputable scientists I found freely available
repeatedly on the internet years ago, was completely true.
(It breaks down to formaldehyde, and methanol (a slow lethal
poison), among other shockers. Poison. P-o-i-s-o-n-s in our
food stuffs. Poisons.) However, he could take no action to
defend Canadians "officially" because we, Canadians, have our
corporate interest news departments completely refusing to
defend ourselves from corporate exploitation anywhere, and as
natural consequence, we, as the dying world, would together
unrepresented, probably lose a law suit from mutant Monsanto
through the self inflicted bounds of OUR censored WTO program.
- instituted through the top secretly mastered puppet people
persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: Greenspan STOLE
Look: Lotteries everywhere in North America are running the same PROVEN criminal scams that cost US ALL billions and billions of public dollars that, without question, (as MATHEMATICAL FACT), regressively destroy our dying communities. CRIMINAL. [Solution: 100 percent cash payouts.]

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW

eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Powers, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of

Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

-

Again, my friends, Art Bell and George Norry have thousands of bushite dumfuk in America that will phone them to tell US how greatly they are to have no care for dying freedoms in America. While when the humans call, Art Bell for example, between breaks, when privately screening his calls, just hangs up on anyone he fears might articulate things like Ahmad funded 911's Atta, according to the FBI, in defense of America. I say, we at LEAST, talk about putting them both to death for treasons against Your Life dying teen soldier, wannabe Patriot. Make sense?

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying lives my friend. Please? Make the call, be a man to defend our women. Be a man to protect our children.

Support our call to be heard my brother.

/ / State Department spokesman on 24 January, "that Iranian agents are involved in these networks and that they are working with individuals and groups in Iraq and are being sent there by the Iranian government." \ \

We all know Iran has been trying to help Iraqis openly, so then, what does such willful contempt for your life grant this 'spokesman'? Or, how about when Bush stated Iranians in Iraq deserved to be murdered? (Later, the demon re-worded himself in attempt to conceal HIS true evil identity.)

Remember the Bathists actually warred to kill and won against al-CIA-duh forces that were caught hiding in Kurdish territory. Killed "bin Laden"/bushite forces! Now, bushite tell US Sunni is in kahoots with Laden. (In otherwords, Kill a cowardly enemy of Life bushite for America to defend Iraqis as a godly act.) Death to the bushite, death to our enemies.

Light and Shadow

We need to publicly devise some real-world strategies to defeat the ungodly enemy, the bushite neocon zionist traitors to Life.

-

Great words from the lawyer of the thieving bushite child killers of Haditha

/ / "There were Harriers dropping 500lb bombs on buildings. If they're dropping 500lb bombs without knocking on the door first, how can you argue the troops on the ground did anything wrong?" \ \

5000lbs of radio-active toxic waste that will murder for years more like, while after, then striking again to get the god helpers and screaming children, then even, as in Fallujah, going house to house to murder every one, young and old as the truly Satanic. Just obeying lawless orders to thieve from Humanity as bushite for neocon zionist traitors of G-D doesn't fly in the big book. When anyone kills a bushite, all humanity benefits truly from the defense. You defend a real suffering God by ending a soulless bushite threat against our species.

Bill Sattler.

-

http://www.informationliberation.com/?id=19646

/ / to think that these could have been just dumb ideas or incompetence. \ \

Bushite TRAITORS got rid of the ORHA plan.

-

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

-

/ / she told The Nation. "If I contribute to the Army's prosecution of Lieutenant Watada on speech-related charges, I will have colluded in suppression of speech. What could be more hostile to the ideas of a free press than that?" \ \

Again, a Patriot Soldier whos only crime is that he refuses to commit a crime in Your name. Do something about it.

Real Americans are those of US as humanity that believe in liberty as Justice for all. Demon bushite nazi whores, don't like those principles of freedom through evidentiary findings though, for their false deity, George W. bush Jr, wouldn't be stealing from the honest

hard working blokes who live for a better day that way.

/ / Four US oil companies, namely Conoco, Chevron, Amoco and Philips have concessions in nearly two thirds of Somalia. This quartet of oil conglomerates was granted these contracts in the final days of Somalia's deposed dictator, Siad Barre. The US first military engagement in Somalia was fully supported by Conoco. \ \

In the new world, these soulless bomber bushite of the air force, responsible for blatant first degree acts of murder against the innocent, would be hunted down by Humans, tried, then executed gloriously in the defense of our living justly.

-

/ / Al-Maliki has promised he will no longer block action against the Mahdi Army militia \ \

So, is the block head saying American soldiers so far have died for lawless tyranny? Kill a bushite, to protect the lives of us as innocent victims in other words, right?

-

How Bush misled the world

http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

/ / Once the document was declassified after the war it became known that it contained 40 caveats - including 15 uses of "probably", all of which had been removed from the previously published version. Tenet further ingratiated himself by remaining silent about the OSP. "That's totally unacceptable for a CIA director," said Thielman. \ \

Thielman meant "totally unacceptable" as in HIGH TREASON. Could it be any higher? Deliberately caught misleading whore-dumb Congress to wage his immoral neocon 'escape' with a unjustified criminal brutality against God as all of our Humanity. A great deal more than a million innocent people have been victims to the 'targeted' Zionist killings of the irrational bushite enemy. Lawless enemies to Creation, spreading their toxic waste who thieve, rape and murder without reprimand from corporate news america, shall, I pray daily, die justly in vengeances by the will of a real undying Love for our victimized innocent family. Justice for Humanity.

Please, help US.

Let US demand open radio communications on the mathimatical facts to save our own selves further victimhood to their personal contempt for the true value of YOUR life. Thanks.

Can you help us speak this outrage to your local media outlets?

Griffey spams this board to no end and sells a paltry amount of crap.
Jay on the other hand stays quiet whilst producing a quality product and
the orders pour in. You are right Vinnie, Business 101 ;)

The Voice max is just a audio compressor, nothing else. Prevents clipping the final amplifiers and audio stages.
Maintains modulation at or close to 100% when speaking low or loud. Noise gate sucks on that chip though. Most cbers like to drive the shit out of their radio's to sound LOUD and SHITTY. The more echo and shitty sound they have the better.

Let me get this right...
Modulation without swing... the carrier is AM modulated,
without any "swing" in the output?

No swing, a constant output level. Yet you have AM
modulation... output level swing.

Any CB - even FM CB radios, such as those here in the UK?

How does the VoiceMax recognise 100% modulation?
Does it not simply hold it at whatever maximum the person with
the screwdriver sets the radio to? You know, the guy who you
told to crank thre radio up when fitting the VoiceMax.

Do you make that clear on your Web site? Do you tell
customers that these are made and sold as a hobby?

People considering buying your products, believing them
to be professionally made, may be interested to know
that they are simply the product of a CB hobbyist.

Business 101 suggests offering a product that IS profitable
and in demand.

Your version seems to be getting in at the final stage of
the life cycle, where few are buying and prices have
fallen through the floor. Oh yes, and aiming at the
expensive "quality" end of this dying market.

I must have missed that lesson.

Brian has made it all very clear, you just need to learn
the language of Telspam talk.
Here, I'll help you out...

There are now 17 units in the field
17 units sold, on trial, given away or in some other way
disposed of. I even threw one in the back of a passing
pick-up, it may be in Texas by now.

Not all 17 were sold via ebay.
Not all 17 were sold.

one reported problem that was caused by improper
installation.
The other problems were for some other reason.

Sales are steadily increasing.
Bugger, it's hard work shifting these things.

Make that nine... just sold another.
Hey, I'll soon hit double figures.

I'm forcasting sales for September of 30 units.
Don't knock it, Double figures sound like a dream
come true to someone in my position.

Why do you think that sustaining 100% modulation
will render the signal unintelligible?
Don't ask me, you're the one who understands
these things.

As I have said many times... this is not my vocation. Can
you say "hobby"?
Stop asking me technical questions, I am not really a
professional engineer.

They'll know that I have a very small company.
Oops, I forgot about this when I posted the above.
Business, hobby, profession, company - whatever
suits me at the time.

Of course I'm basing my forecast on one month of
sales... that's all the data I have up until now!

Stop asking me business questions, I am not really
running a professional business.

Are you really an idiot... or just acting like an idiot to get a
laugh out here?
Aw, stoppit... my Mom cannot carry cups of coffee
while she's laughing.

Rocket surgeon???... It's rocket scientist Frank.
Sorry, but humour just goes over my head.

Hellllllllloooooooo...
Aaauuuuudiiiiooooo....

Released to production:
They are made by someone else and I sell them
as my own work.

Regards,
Peter.

As far as historical data goes, that is all he has to go on.

Really, forecasting on a new product or business can be
mostly guesswork. However, you should have figures
before you even start.
So his reply does NOT really answer the question... how
did he have forecasts before spending time and money
on the product?

One way to get figures may be to contact Lou franklin
and ask him for sales data for his processors... explaining
that you want it so you can take his customers from him.

Actually, there is another way. But I guess you wanted to
see Brian give that, rather than him just admit to guessing.

Absolutely.
He is getting in at the end of the life cycle, when prices
are through the floor. Worse than that, he is trying to
market something as a "quality" product by selling it in
a bargain basement.

The problem is that those shopping in the $ stores are not
looking for "quality", they are looking for cheap. Those
looking for quality, seeing it in the $ store, will not soil
their hands on the product.

Peter.

Earth shattering news... 5 whole units sent to the UK.
However, from a previous post, it would appear that
these are just to test them.

Some UK shops can now find out how this wonder
product can "double the power" of FM CB radios.

I'll bet you didn't know that you can double the power
of an FM transmitter with a speech processor, huh?

Well,
it looks like Blind Boi (and favored asshole of this and many other groups)
Eric Oyen may have bitten off more than he can chew. I was about to drive
by his house when the local sheriff's dept. closed off the street and a
swat team rushed a house (right where he lives).

gee, I wonder if he threatened the wrong person?

And if your were indeed an engineer you would know that a speech
compressor can't double the power of a Double Sideband Amplitude
Modulated signal with full carrier.

Carrier always remains constant in DSB-AM large carrier signals.
Modulation only increases the power in the sidbands. Once you hit 100%
modulation on the peaks you will have the maximum power in the
sidebands. After that all modulating power above that is in the
harmonics of the sidebands. Therefore increasing transmitted
bandwidth.

You should have learned that in Analysis of Linear Systems along with
studying the Fourier Transform either in Linear Systems or
Differential Equations class or both clases.

Poor Roger. He asked for a "vote" and nobody responded. So much for that failed endeavor, eh?

Of course this lack of response is due to the fact that Roger is recognized as being just as much of a crackpot as Mark. Both Mark and Roger seem to enjoy one of those odd, symbiotic relationships that often occure in nature...not unlike a Dung Beetle and the necessary pile of dung. The problem here is in determining which of the two is which.

Stop lying, The truth is you steal everyone eles's quotes off of
Usenet and put them on your blog. Then you claim someone is quoting
what you wrote, when in fact they are quoting the same text that you
stole. You've never had an original thought in your entire pathetic

My beef with Truckers is that they have been doing virtually NOTHING over the last 3 years to STOP ILLEGAL IMMIGRATION, ENFORCE existing laws against hiring illegals, deport CRIMINAL illegal aliens, and SECURE THE BORDER - when it is THEY who have the most to lose. WAKE UP YOU FOOLS! You are losing your country! ... and soon you will lose your jobs... but, what do you care? You have your job for a few more years... enough to retire... you don't give a DAMN about your country - only yourselves... for GOD'S SAKE people, FIGHT! If not for yourselves, for your country, and your children's future... Don't you care ANYTHING about your country's future? Is it ONLY about YOU, YOU, YOU?

The Truckers rely on their traitorous/sellout union leaders to do something - and what do they do? APPEAL to the 9th "Circus" court... the MOST LIBERAL in the land! The union leaders KNEW they were going to lose! The unionworkers have been SOLD OUT! The union leaders simply want more ILLEGALS, so they can have more uneducated DUES PAYING MEMBERS, and continue to DO NOTHING but collect their 6-figure salaries!

Stop dodging the question...
It will hold it at whatever maximum modulation level the
"screwdriver expert" has set the radio at, right?
The 100% is only if the person has correctly adjusted the
radio to give 100% maximum, right?

If - due to lack of equipment, knowledge, or both - the
person sets the radio to over-modulate or splatter, the
voicmax will ensure a constant over-deviation or
splattering. No let-up.

Not only is it possible for a radio to overmodulate with
your product installed but, with the lack of technical
knowledge and proper test equipment that is common
with CB, it is extremely likely.

As you appear to have ducked this one, I have to assume that
either the question went over your head or you didn't want
to admit to something.
In case it was the first reason, I will try dumbing it down...

Amplitude Modulation... The output level "swings" above
and below the carrier level.

Get it yet?

If the output level does not swing, then you have a constant
amplitude... no amplitude modulation.

No amplitude modulation = no audio. Unless, of course,
you are using FM.

Peter.

The claims are not aimed at you and I, they are aimed
at CB enthusiasts without technical knowledge or
experience to know the truth.

By making "double your power" claims of "any CB", without
clearly stating that it will not apply to FM CB, you are
misleading the British consumer.
The only possible reason you could have for making those
claims within the UK, or not telling UK consumers that it
does not apply to their CB, is to purposely mislead in an
attempt to boost sales on a false promise.

Naturally, I would hope that I could convince either you
or the shops to drop the false claims within the UK, making
it clear that there is no power gain for FM.
But if not, do the words "Trading Standards" or "Ofcom"
mean anything to you?

> However, don't discount the fact that VoiceMax can
> increase the usable range of an FM transmitter as well...

And we cannot discount the fact that FM CB is not the
same as broadcast radio. The 10KHz spacing was never
intended for high quality sound, and will not allow it
without splatter.

UK FM CBs are designed, made and tested to do the best
within the available bandwidth. This includes receiver
specifications.
You cannot polish a turd. FM with just 10KHz spacing
is very much a turd.

Like I keep telling you, we have had FM CB for 25 years. We
have had the amps and processors... and the splatter that
goes with them.
I have also worked on many UK CB radios over the years,

and have never needed a speech processor to get better
modulation over distance.

Peter.

Not totally quiet.
He has been known to break his silence to post CB
topic messages, and gererally act the good guy.

There is a CB shop in this country who use the UK CB
newsgroup. They even promote it on their site.
They post the odd message to announce the release
of their newsletter, but otherwise say little.
One time someone went at them, accusing them of ripping
someone off. The owner simply stated his case, explaining
why he could not give a full refund on the specific item, and
left it at that.
At no time did he belittle the customer or any other person on
the group, even when the person in question started saying how
he "looked like a gay rapist" (whatever one looks like).
He gained nothing but respect for his reasoned reply and restraint.

I feel that Brian's problem may be a lack of technical expertise
in the relevant field. Rather than give facts, he has to resort to
trying to discredit those who doubt his claims about the product.

Tell me something, Jim... In the US of A, is an Electrical Engineer
qualified in the field of electronics, audio, sound theory and radio?
Only, over here, there is a big difference between electrical and
electronic qualifications.
I am not saying that one is lower than the other, just different.

There is intelligence on this newsgroup - but not as we know it, Jim.

Peter.

I don't know about American job titles but, on this side
of the pond, we see a big difference between electrical
and electronic.

An *electrical* engineer is not qualified to design, build,
repair or even tech. talk about radio circuits or theory.

In the same way, an electronic engineer is not qualified
to wire up a house... he does not necessarily know the
wiring standards and hazards for that specific field of
work.

Even among electronic engineers, there are different
fields of expertise. A job vacancy advertisement will
often specify which area of electronics you need to
have the knowledge and experience in.

>whether or not my products are designed as a hobby
> should be of no importance to my customers.

Rubbish.
Do American consumers not get statutory rights? And do
the rights or level of protection not depend upon whether
the item was purchased from a professional business rather
than someone simply making a buck here or there?

If I buy a product from my local store, they have legal
obligations and I have statutory rights. For example,
electrical items offered for sale must be safety tested.
If I buy the same item from some Joe down the street,
who is just selling as a hobby or private sale, those rights
and resposibilities are out the window.

Another point of law in the UK, anyone advertising a
product for sale as part of a business must declare it.
To allow people to believe it is a private sale is illegal.

Apart from that, there is the question of experience, track record and attitude. Someone who sees it as a hobby, just some extra little income, is unlikely to be as committed to the customer as someone who's whole income and future could depend upon generating and keeping a good reputation.

I would say that it matters a great deal whether I have full protection, and whether the person is professional or hobby.

The fact that we have laws in place that recognise the differences, and that consumers need to be made aware of the vendor status, shows that our government also believe that it matters.
So does the fact that you only seem to make it clear when backed into a corner over some issue, and it suits you to use the "hobby" label.

Regards,
Peter.

Every day people are buying products or services that
do not work, then giving positive reports.

Magnetic supports, bands, etc claiming health
benefits. Then there are the cups and devices to
clamp around water pipes, claiming to make water
better for you. Another that, if clamped to your fuel
pipe claims to give your car more miles to the gallon.
Some claims include curing illness and diseases.

How about the "mediums" and ghost hunters who claim
to talk to your dead relatives? Their methods have
been publicly exposed, and they have been proved on
TV to be faking.

Many more products have been suggested as hoaxes,
fakes and scams, in spite of the fact that people claim
that they worked for them.

The craziest one of all has to be the water scam...
Some years back, in an episode of the hit Brit comedy, Only
Fools And Horses, they bottled tap water and sold it as
mineral water.
The British people found this extremely funny... until a large
American drinks company pulled that same scam on the British
public.
They bottled English tap water, gave it labels claiming health
benefits, and sold it at a pound a small bottle... probably the
highest priced "mineral water" in the country.

In spite of public exposure of deception, people continue to
believe in and even recommend such products with reports of
how they worked for them.
Some people are so desperate to believe, they only see what
they want to see - even if it is not really there.

Even if he gets it, do you think that it's in his favor to accept
the facts? His only product would become pointless, and any
money and time invested will be lost.

The problem is that this subject involves more than
electronics. Human speech, hearing and interpretation
is much more than simple decibel level.

Do you really have the spare time to explain everything
to him? If so, do you really want to be faced with legal
action when his brain implodes?

Maybe I really could take some lessons from The Griffter.

I have spent years giving people good honest advice,
rather than tell them whatever they need to hear
to part with more cash.

And where has it got me?
I have been refused a job with a retailer, on the basis I
was too honest. As the advert said, they wanted an
"amateur actor" to BS customers.
And then there was the retailer who said that I was
"over-qualified", they were hoping for someone a little
more dumb.

I could even have been an Amateur... but I went and
admitted to having a father.

Speaking of Father; he can lie, cheat, bend reality and
scam his way into anything. I believe that it against his
religion to tell the truth on an application form.
He was once caught out lying in a job application but,
as it was at an estate agents, the unabashed use of the
above methods convinced them that he was the man
for the job.

If only I could be a little more like The Griffter,
maybe I could also live his wonderful lifestyle.
Mmmmm, cheese toasties.

Please, Brian, don't try telling a granny how to suck eggs.

We have had FM CB here for many years. So, I talk
not just from the theory, but from knowledge and
experience of FM CB in use and the legal situation
in this country.

Let's make this very simple for you...

Our CBs have a maximum LEGAL deviation.
This maximum is set to stop adjacent channel
interference - which DID occur on a grand
scale when the limit was higher.

UK CB radios are adjusted, and government
tested, to meet that standard.
This includes both deviation and, as the law
requires, the receiver bandwidth.

As these radios are tested before approval,
adding any internal board that alters the power,
frequencies, deviation or any other tested
specification may invalidate the approval and
make the complete radio illegal for use on
the CB band.

> I suggest you review
> http://en.wikipedia.org/wiki/Frequency_modulation#Modulation_index
> for details.

This coming from someone who, by his own admission,
cannot see how modifying the waveform suggests that
there will be distortion.
lol... lmfao.

I know about FM, modulation index, Bessel function and
sidebands.
I may not flaunt my training, qualifications and experience,
but some of us understand that this is a CB group and leave
such things at the door.

May I suggest that *you* learn a little theory? Maybe a
little on FM sidebands, so that you can see how precarious
the balance is between your notional "talk power" and the
available bandwidth of UK CB channels.

While you are at it, if you intend to target the UK
market, I would suggest that you read up on the
rules and standards.

> Bottom line... if you can hold the optimum deviation
> level on FM... you will get out better without splattering.

No, the bottom line is that, not only has the cheap method
worked much better on FM CB than a speech processor, it
has long been used in broadcast radio and even sound
recording.

> This is extremely effective in a mobile environment.

Did you know that, here in the UK, the worst offenders
for splatter are often the truck drivers? But this could
be about to change, as CADS becomes widespread.

CADS allows the broadcast of any material - including
chanting, singing and music - on the Citizens Band. That,
with it's wide range, high frequencies, etc. is expected
to have quite an impact on splatter.

Giving either of these groups of people one of your
toys can only make matters worse. But what do you
care beyond making a fast Buck? You will not be
the one clearing up any of the mess.

Regards,
Peter.

** NOTE:
The above is not intended as an insult to any
customers or groups. CB enthusiasts only use what
some "rig doctor" or shop sells them.
The blame is clearly with those giving them bad
advice or a "supertune" just to get their money.

One answer you will hear is it's better this way than having an "unstable
state", civil-war type of revolution, in a country on our southern border.
They figure as corrupt as the Mexican government is as least there is some
authority in charge down there so they don't want to do anything to upset
the status quo.

If they "go commie", at least we will have a clear enemy... the way the elite are allowing our country to be "pussified" and integrated with a LEFTIST Mexico is outrageous. I have no idea why George Bush kisses Mexico's ass, unless, like Charles Bash said: "Bush is being blackmailed". The Bush family was very close to Carlos Salinas and his brother Raul, who was into the drug trade.

Raï¿½l Salinas de Gortari (b. August or September, 1946) is a Mexican businessman.

Raï¿½l Salinas is the brother of former President of Mexico Carlos Salinas. He is best known for being convicted of masterminding the killing of Josï¿½ Francisco Ruiz Massieu, former brother-in-law, though he was acquitted upon appeal in 2005. His alleged money laundering of millions of dollars, involvement in the drug trade, and playboy lifestyle make him one of Mexico's most villainized personalities. His legendary corruption made him influential in the shift toward democracy, as Mexicans looked for political reform that would eliminate the potential for similar abuses of power.

I agree w/Stewart. I don't buy Hoffa's bullshit spin. I think Hoffa knew
he had to make it look like he was doing something even as he, in reality,
did nothing. It reminds me of Bush's recent push for "enforcement" of

I was responding to Charles Bash, not to you. I find it incredibly naive at
this late stage of the game that Charles would entertain the notion that
writing "your senator or representative" would stop the White House from

ignoring the rubber stamp congress with regard to allowing Mexican trucks on U.S. highways. Congress gave up its power when they passed the Patriot Act, NAFTA, the Military Commissions Act, CAFTA, and gave a pass for Alberto Gonzales to become AG.

There is the snake oil. You can't hold the modulation at 100%, the RF
envelope has to vary or you have no modulation.

However we know that cbers are like audiophools, they will buy into
snake oil that they think will give them that "big signal".

You, quite obviously, have never heard a, good, real speech compressor
in actual action--under adverse conditions ...

It is even possible to pick up a guys compete audio when his signal
won't even register on your meter ...

On equal signals producing a heterodyne--you'll hear the guy with the
speech compressor ...

I have heard many speech processors. Most were either of poor design
or mis-used by the operator so the audio sounded like crap. A good
speech processor, properly adjusted can enhance the signal, but none
can "hold the modulation at 100 percent" as the snake oil salesman
claims.

With all that, the dang thing is nothng more than a fancy speech

Now don't get me wrong,I couldn't give a shit less about "voice max". It
sounds like a sillier idea than a lot lizard at a truck stop with a

Cmdr cunt, you should save your smug hammie comments for your fellow

Wrong

Unless you are using a peak reading wattmeter the power remians
constant with modulation in a DSB-AM Large Carrier signal. IF you were
to do a Fourier Transform of the AM signal under modulatioin you will
see a carrier frequency, the upper sideband frequencies, and the lower
sideband frequencies. The power in the upper and lower sidebands vary
with the power of the modulating signal. With an averaging wattmeter
you should see little or no movement of the power.

"A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed."

"I ask, sir, what is the militia? It is the whole people, except for few public officials." (George Mason, 3 Elliot, Debates at 425-426)

"To preserve liberty, it is essential that the whole body of people always possess arms, and be taught alike especially when young, how to use them." (Richard Henry Lee, 1788, Initiator of the Declaration of Independence, and member of the first Senate, which passed the Bill of Rights, Walter Bennett, ed., Letters from the Federal Farmer to the Republican, at 21,22,124 (Univ. of Alabama Press,1975)..)

"And what country can preserve its liberties, if its rulers are not warned from time to time that this people preserve the spirit of resistance? Let them take arms....The tree of liberty must be refreshed from time to time, with the blood of patriots and tyrants" (Thomas Jefferson in a letter to William S. Smith in 1787. Taken from Jefferson, On Democracy 20, S. Padover ed., 1939)

"Guard with jealous attention the public liberty. Suspect everyone who approaches that jewel. Unfortunately, nothing will preserve it but downright force. Whenever you give up that force, you are inevitably ruined" (Patrick Henry, 3 J. Elliot, Debates in the Several State Conventions 45, 2d ed. Philadelphia, 1836)

"The strongest reason for people to retain the right to keep and bear arms is, as a last resort, to protect themselves against tyranny in government." -- (Thomas Jefferson)

"The supposed quietude of a good man allures the ruffian; while on the other hand, arms like laws discourage and keep the invader and the plunderer in awe, and preserve order in the world as well as property. The same balance would be preserved were all the world destitute of arms, for all would be alike; but since some will not, others dare not lay them aside...Horrid mischief would ensue were one half the world deprived of the use of them..." (Thomas Paine, I Writings of Thomas Paine at 56 [1894])

"Those, who have the command of the arms in a country are masters of the state, and have it in their power to make what revolutions they please. [Thus,] there is no end to observations on the difference between the measures likely to be pursued by a minister backed by a

standing army, and those of a court awed by the fear of an armed people." (Aristotle, as quoted by John Trenchard and Water Moyle, An Argument Shewing, That a Standing Army Is Inconsistent with a Free Government, and Absolutely Destructive to the Constitution of the English Monarchy [London, 1697])

"No kingdom can be secured otherwise than by arming the people. The possession of arms is the distinction between a freeman and a slave. He, who has nothing, and who himself belongs to another, must be defended by him, whose property he is, and needs no arms. But he, who thinks he is his own master, and has what he can call his own, ought to have arms to defend himself, and what he possesses; else he lives precariously, and at discretion." (James Burgh, Political Disquisitions: Or, an Enquiry into Public Errors, Defects, and Abuses [London, 1774-1775])

"Men that are above all Fear, soon grow above all Shame." (John Trenchard and Thomas Gordon, Cato's Letters: Or, Essays on Liberty, Civil and Religious, and Other Important Subjects [London, 1755])

"The difficulty here has been to persuade the citizens to keep arms, not to prevent them from being employed for violent purposes." (Dwight, Travels in New England)

"What country can preserve it's liberties if their rulers are not warned from time to time that their people preserve the spirit of resistance. Let them take arms." (Thomas Jefferson to James Madison, Dec. 20, 1787, in Papers of Jefferson, ed. Boyd et al.)

"You must understand, therefore, that there are two ways of fighting: by law or by force. The first way is natural to men, and the second to beasts. But as the first way often proves inadequate one must needs have recourse to the second." (Niccolo Machiavelli in "The Prince")

laws that protect consumers in the case of personal injuries. There
are also statutes that help a consumer against fraud, an dsome other
items. But for third party addons to radio equiptment there really is
not that much.

Over here the owner of the equiptment is responsible for any
modifications to OEM equiptment that do not meet FCC specifications.
In the case of Brian's compressor, he is legal to sell it anyone who
is willing to buy it. The person installing it into their radio is
required to ensure that their equiptment still meets FCC regualtions.
By FCC regualtions, any modification of the transmitter is to be done
by a properly qualified professional. In the case of Brian's
compressor, if the compressor unit is not properly installed and
causes TVI, then the person has no statutory relief from Brian. They
suffer the burden on their own. Now if Brian installed it into their
radio, that could be a different story.

Afternoon Peter. I have been following the UK.rec.radio.cb ng since its inception as I was one of the original petitioners for its founding. Its a rather mellow version of this place.
The definition of an electrical engineer i guess would be what the IEEE determines what one is. I was given the position of senior engineer by my employer at the time (Lockheed Martin) but it didn't really mean anything to me.

moparhoLICK pissed off in his business dealings. Amazing how things

"And what country can preserve its liberties, if its rulers are not
warned from time to time that this people preserve the spirit of
resistance? Let them take arms....The tree of liberty must be
refreshed from time to time, with the blood of patriots and
tyrants" (Thomas Jefferson in a letter to William S. Smith in 1787.

He owns you, fatass hypocrite. You get up log on first thing and drool
with anticipation at seeing his posts. Since you are too stupid to
use a killfile, you have to respond to tham like one of Pavlov's dogs.

Nobody is afraid of you, hypocrite. Try laying a hand on me, you'll

You should follow your own advice. Maybe you can figure out how to use

Yes, and what about you? Oh, that's right the only friend you have is
your gay lover Bert.

No, I recognize it as a day that myself and others do since you were

A law is not unjust just because a few unionistas (Teamsters, etc) say
it is. If the Teamsters start anything, I hope they get their asses

Wrong buckwheat. I want the illegals booted back across the border. I also want the criminals in the unions booted into prison. And I'm not worried about any union members. They are too scared of their own shadows these days. Say 'boo' and they whine about being intimidated by companies.

That's pretty funny coming from a union slug who never worked an honest
day in his life and who spends his days defending the union bosses that
are selling out the workers

You haven't got me figured out either. Figures though, since the unions

Well, since I'm reading this on alt.society.labor-unions, The discussion should be about unions and their faults and failures. It's not a newsgroup for postings about Bush, Iraq, Mexican truckers who are crossing the border legally, or any other topic that the stupid union slugs post about.

> He probably lost his job to some educated union worker or got his scabby

Hardly. My company has never been unionized. There's been a handful of pussies who claim to be organizing a union, but the best they have ever been able to do is get something less than 1% of the workers even interested in a union. Maybe if they had people actually organizing a union rather than hiding out on some Internet chat boards pretending to organize a union, they might have some success. They might have even more success if when they picket, they picket the company they are trying to organize rather than picketing a Starbucks.

The probability of two signals being identically equal in amplitude
over a period of time is very remote. IF you understood electronics

But, that doesn't really matter. Since the IBM wanks
also like to block engineers from unionizing.
But it's still IBM invented chess and engineers
invented lasers and robots, so we're still two up

Please give some facts about how you can hold the modulation at a
constant 100%. To have AM the modulated envelope must vary in strength
otherwise you have no audio, just carrier. Your claims are just snake

Maybe you would like to point out which part of the directive
regulates Web design. I'll help you out, name the group...
Large household appliances
Small household appliances
IT &Telecommunications equipment
Consumer equipment
Lighting equipment
Electrical and electronic tools
Toys leisure and sports equipment
Medical devices
Monitoring and control instruments
Automatic dispensers

Then, maybe you could point out which part of the directive
applies to Web masters. Again, I'll help you out... name the
group:
Producers
Retailers and Distributors
Local authorities
Waste management industry
Exporters and reprocessors
Businesses and other non-household users of EEE

Reference:
http://www.dti.gov.uk/innovation/sustainability/rohs/page29048.html

Also, in answering the above, you need to understand that the
WEEE is just a directive. Each member state can make their
own laws based on the suggestions within it.

Although it clearly does not apply to me, you had better
give it a real good look over. If you plan to export to the EU,
your products must conform to the standards as applied in the
member state to which you export.

> After all you are part of the European directive. You
> better get with the program...

Although it is only a directive, and clearly does NOT regulate
Web design, I am not an unreasonable man. So I am willing
to offer you a deal...

You stop chanting CB voodoo and false claims, and stop trying
to sell your SplatterMax here in the UK, and I will do my best to
ensure that all future pages are manufactured using RoHS
compatible pixels and ozone-friendly CSS.

Sound reasonable to you?

Regards,
Peter.

And I suggest that you learn the theory, rather than relying
on Wikipedia to try outwitting techs.
Some important things to note...
1. Wikipedia is only as accurate and complete as the
information put in by the public.
2. Wikipedia is no substitute for proper training.
3. One line or paragraph does not explain everything.
4. The real clue may be in the text - "approximately".

Your linked reference suggests that when the modulation
index is below 1, the bandwidth is approximately twice the
modulating frequency.
Bandwidth = 2Fm

If you are relying on such a simple, crude and innacurate
approximation, it only serves to show that you have neither
true technical knowledge or experience of FM CB.

If only you had read a little further, you would have
spotted another approximation that appears to dispute
the above method:
Bandwidth = 2 (Fd + Fm)

Note that the first approximation method does not include
deviation, and does not appear to define bandwidth.
As the sidebands are infinite, using the term bandwidth
without defining a level is like using dB without a reference
or level.
The second method includes both deviation and modulating
freqency, and does define bandwidth within the text.

But those are only approximations, a better idea of bandwidth
may be obtained from real figures...

With the CB audio bandwidth, the second sideband spreads to
over half way to the next channel, while the third sideband
spreads out to just below the adjacent channel carrier frequency.
A receiver cannot block these without blocking the wanted signal.
So while we can ignore the first sideband, anything above that
should be kept to insignificant levels.

At a modulation index of 1:
Second sideband = 11.5%
Third sideband = 2%
At a modulation index of 0.8:
Second sideband = 7.6%
Third sideband = 1%

These are NOT insignificant levels. Here in the UK, because of legal restrictions of the day, many people once run on just 10% (400mW) total power - and got decent distances on it.

> Bottom line...

Bottom line is that you are only interested in sales, and you will say whatever it takes to get those sales.

Some of us, who have had FM CB from the beginning in 1981, have already seen the sales tactics used. The deception, selective facts, bending of reality and outright lies used to make a sale.

Peter.

I missed that one.

But I was looking for a serious answer. I know that

It may seem strange, looking up to someone who does that,

Once again you appear to have misread my statement,
making it appear that we disagree.

Before going on, read the quote (above) and note that:
I said output... NOT carrier.
I did NOT say that average power changes.

> Unless you are using a peak reading wattmeter the power
> remians constant

The power is not affected by the type of meter, all that
changes is the type reading that you take.

> with modulation in a DSB-AM Large Carrier signal. IF you were
> to do a Fourier Transform of the AM signal under modulatioin

There is no dispute that extra power is now in the sidebands,
but the output is varying over time, as an oscilloscope would
show.
The total power is varying with the modulating signal but,
as it should be swinging about the carrier level, the
average should be constant.

Surely we agree: the peak output (not carrier or average)
is varying over time, while the average power is constant.
At least is should be, if all is well and nobody has been
fekkin about inside the radio.

> With an averaging wattmeter you should see little
> or no movement of the power.

Of course not, the meter is intentionally ignoring them.
By averaging the reading, you are removing the short term
variations... but that does not mean they are not there.

Just like a business looking at average sales - the seasonal
fluctuations are ignored, but they still exist.

Hey, how about a new CB voodoo term...
Seasonally Adjusted Power.
No? How about:
Seasonally Adjusted Bird Watts.

I quote your message:

"Amplitude Modulation... The output level "swings" above
and below the carrier level."

This is incorrect. The output does not swing above and below the
carrier. The output of an AM signal is the carrier and the two
sidebands.

Also power meters are not, per se, frequency specific. There are
tricks that allow psuedo peak reading to see the "swing" that comes
with modulation. Usually this is done by using larger value capacitors
in rectified output of the RF detectors. The problem is all RF is
rectified to a time varying DC level that corresponds somewhat to the
varying amplitudes of the RF signals being sampled.

Wonder who that guy was at Dayton with my callsign T-shirt on, then.
We know it wasnt you because your chicken ass wouldnt even tell us
where you were camping...remember? LOL Remember, we offered to be on
the blue dot frequency?? Maybe you were too busy at the rest stop
toilets on I -75! LOL!

moparhoLICK...you are the puppet of the AKC. We use you like kleenex
and then let you yap to amuse us. Maybe you should get a ham license
yourself, that way you can coo and moan for hams the same way you do
for truckers on channel 19.

Work that groundwave, moparhoLICK....that way you can get on the road
to OTHER truckstop toilets while rover stays home and has his way!

|the 100% level? The answer: you can!

One frequency or five thousand frequencies, if they are all at the
same amplitude the resultant modulated signal is still unintelligable.

You simple can't transmit intelligence with a constant 100% modulated
AM carrier.

Now if you compressor was advertised at giving a average of 50%
modulation, then I would not have as much issues. On average an AM
signal will be about 33% average modulation with peaks at about 100%.
The human voice generally lies between 3 to 1 and 5 to 1 peak to
average power.

So, if I inject a 1KC continuous tone into an AM transmitter, it will be

All you will hear is a 1 kHz tone, nothing more, so what's the purpose
of that unless you are intent on transmitting MCW. If you push all
peaks of the audio waveform to 100% modulation then all you have is

tons of distortion. The claim is pure snake oil.

Now rethink YOUR argument again, Yo Mamma

Human natures are fine tuned for gene pool survival.

The way we evolve in the gene pool is that when we're not at war, we're in a race.

Peace and freedom means competition. Some people are uncompetitive. So they don't want to compete. Those people demand slavery.More...

Those who demand slavery are not necessarily poorer or richer, superior or inferior. Those are people that somehow do not like competition.

The farm owning farmers in southern US, for example, do not want to compete with the higher salary the industrial north has, so they demand slavery. This happens despite the fact that the landlords are already way richer than their slaves.

Uncompetitive businesses also do not want customers to be free to choose the best products. They demand enslavements of consumers by restricting consumers choice to choose better products.

As time goes by and consensual productive means to aquire wealth become available, those who oppose competition tends to be the one inferior.

When we're not at war, we're in a race. So in a sense, some part of life is a zero-sum game. The happiness of some superior competitors correlate with gene pool survival of such people. This correlate with the extinction of inferior people and this make inferior people unhappy....page...

For example, women prefer rich smart males and normal males prefer as many females as possible. Actually poor males prefer more money rather than more women, but that's later.

If rich smart males get more females, then rich smart alpha males will survive better in the gene pool. That means, the other males do not get any. Hence, the lesser males will not be happy. They will then come up with monogamy to ration females in equal share for everyone.

Those who are uncompetitive are not going to say honestly that they are disgruntled competitors. They're going to come up with some religious unscientific fairy tales to come up with pretext that freedom, such as free sex is wrong.

In short, whenever someone is happy, whenever something gives pleasure, happiness, and money, you can count that someone, somewhere, somehow, will come up with some fairy tales of who knows what that

somehow it's wrong, bad, and should be prohibited.

The preference to snuff of happiness earned by others are called envy. In a sense, those who want to be happy are meant to kill each other with those who are envious.

Unless those who run the fastest also hit the hardest, success is simply a bridge to a gas chamber. Deviation from free fair competition turns life into some form of gun fight.

Not everyone can be appeased in a gun fight. Envy is simply unappeasable. The way to keep pursuing our happiness and still be alive is either to kill, or threaten to kill, those who are envious of us that it's not to their best interests to kill or prosecute us....page...

That's why I strongly support death penalty. Without it, all succesful people will be slaughtered by bigots that don't mind going to jail for it.

It's also the same reason why many ugly women oppose porn. That's because those women are envy bigots.

Think of it this way. Pretty women can just show some skin and make millions of dollars. Ugly women has to sexually serve poor males and get knocked up for much less money.

If this keeps going, pretty women can pick the best males with the best genes and provide their sons with better education, opportunity, and more initial start up capital.

The pretty genes will survive better in the gene pool and the ugly will be outcompeted, like in Europe or Japan. All thanks to porn.

Obviously, pretty porn stars are way better of then ugly wife. Becoming a porn star or prostitute is then one of the best job ever in this world.

However, out of envy, ugly women will want to prevent that. What's their justification? By saying that all the good jobs are so bad that it can't possibly consensual, and hence has to be prohibited.

They said that porn should be prohibited to protect women. Which women? Not the consenting one of course. How in the earth people get protected from consensual offers anyway. It's there to protect disgruntled envy competitors.

|While you are correct that increasing your audio level alone won't do

Brian, have you been tipping the bottle a bit too much
lately???????????

Sorry Brian. Increasing the power density in the audio spectrum of a
NBFM signal will do jack for transmission range. Simply to put it, to
incease range, you need to increase carrier power. To put it simply,
at the reception end the NBFM signal needs to be 20 dB carrier to
noise ratio or about 12dB SINAD to obtain near full quieting.

All audio power does is increase deviation. Using a compressor on FM
just increase average deviation.

|Exactly, and I claim that having that increased average deviation is

Incerased deviation does not necessarily translate into farther
transmission range. Which is what you are hyping. Transmision range
depends far more on other variables than just the transmitter. That is
the problem with most CBers. They think more transmitter power or
audio will increase range.

Keep beleiveing in your snake oil and patent medicene.

Increasing deviation will decrease range as most will swing outside the passband of the receivers.
Kinda like stuffing 10 pounds of shit into a 5 pound bag. I figured Most CBers will understand this lingo.

1046. As Reported on Lou Dobbs Today: TEAMSTER Union Leader SELLOUT their members, right under the noses of local media, at Otay Mesa this Morning

Hearing about the Teamster protest against allowing Mexican Trucks free reign on the USA Highways, I got up early this morning (Thursday, September 6th, 2007), and showed up at the Otay Mesa truck inspection station on Enrico Fermi Rd. I saw fellow Minuteman Ken there, and he was the only other person with an American flag, besides me.

Wondering what WE THE PEOPLE could do to stop this nonsense, I was hopeful when I heard the Teamsters were finally going to do something, and hold a protest at the inspections station this morning at 6:00am. When I got there to join them, I saw about 5 police/CHP crusiers and 30 union people carrying small signs complaining about the safety of the Mexican trucks, and giving numerous interviews to all the media (Fox11, 600AM, 8-CBS, etc.). When I started to discuss with some of the union people the fact that ALL American workers were being sold out, and that we all need to stick together (I'm an Engineer who has been affected by the H1-B Visa insourcing), they really didn't have any comments at that point... but then, I noticed Ken down on the corner, and walked that way. Shortly thereafter, Ken noticed one of the Union Leaders distributing flyers to the Mexican Truckers, away from all the cameras - he was distributing APPLICATIONS to join the TEAMSTERS! Ken was incensed! When I saw this, I became disgusted and immediately rolled up my flag, and started walking to my truck to leave... as I went by the crowd of "union picketers" at the inspection station exit, I yelled out that one of their union leaders was handing out flyers trying to organize the Mexican Truckers down the street, and they basically ignored me, or gave annoying little "we are so smart that we are pulling the wool over everybody's eyes" smiles - all except for one big fat guy that threatened to "knock me out", and said that he "didn't care if he went to prison"... I stood up to him, and basically told him I wasn't interested in hanging around with traitors, and then left.

It is all too clear to me that this "protest" was simply an act by the TEAMSTER leaders to attempt to appease their members into thinking they are trying to do something (all the while trying to organize the Mexican Truckers right under the noses of the lazy media, and behind the backs of the rank and file trucker union members). Remember that the TEAMSTER leaders appealed last week to the 9th "Circus" court of appeals, the MOST LIBERAL in the land - because they obviously wanted to lose! These leaders are a bunch of FAKES! Also remember that the AFL-CIO leadership appealed last week (and won!) a stay of the DHS informing employers of tough new policies regarding SSNs and hiring of ILLEGAL workers. Something must be done to REALLY organize the

truckers and people to stop this wholesale sellout of our country by the current administration, socialist judges, greedy big business, lazy media, and sellout union leadership.

It appears that others found some humor in the cartoon. Since it was about
you it is understandable that you dislike it.
But you don't count and the cartoons will continue.

When you stop flaming, I'll stop cartooning. (you missed the one on flame

Compressing the audio will not increase range
in an FM Xmiter, but it will make you sound louder.
FM Rock radio stations do it all the time.

Yes, you will screw the radio up. Clipping diodes to increase Modulation is
a thing Hicks, or CB shops do for a fast buck.

Get a real Audio processor,
One is a Audio compressor,

here : http://www.telstar-electronics.com:80/:

and the other is a Audio clipper.

I though you folks were only opposed to ILLEGAl immigration? It's so
cute when you KKK Kreeps are busted in another lie. Sorry, Americans
don't support your racist anti-immigration agenda, and please quit
lying about it being just about illegal immigration.

I really like both combinations, a little compression to maintain the voice p-p levels , then a small amount of clipping to cut off the peaks.
Sounds Just right on the other end.

Sure I like the sound of clipping to a small amount.
As you know all Commercial, and Ham FM radios since the begging, has had a CLIPPER built in followed by a Low pass filter (Motorola used to call it a splitter filter) . This goes to a Deviation adjustment to feed the modulator. Does a good job at two things. It holds the deviation (Modulation) to a fixed point and also clips off some of the Voice P-P levels to help increase the average voice level.

So it Seems to sound OK to all the other FM radio users.
If I needed a Broadcast Radio quality sound then Sure I would use a Compressor throughout the system.
Looking at your board it looks like you are using a somewhat fast Audio agc which is OK and the noise gate is then even more important.

If the modulation system used in a FM radio was used in a AM CB radio (without using all the audio feedback crappy AGC systems they use now) the audio could be adjusted to 100% and then what ever mic was used the radio would not overmodulate. Doing so it could be too loud with all the background noise coming up if the mic had too much gain.
So like I said I like a little of both. Similar to adding a Compressor to a FM transmitter driving it using the mic gain to a little of clipping.

They are not trying to fit their transmission within a
10KHz channel spacing, they have far more bandwidth
to play with.

Also, it's not the only trick used. Something much more
basic is used to extend the range of an FM broadcast.

Analyze it a little more...
Rock stations.

Now, what makes rock music better... intelligibility
or just pure decibels?

Let's face it, you can't understand a word they are
shouting about anyway, and certainly not over the
sound of garbage cans being physically abused.

The quality of Rock and Heavy Metal music is
measured by the number of brain cells remaining
after 1 hour of listening and headbanging while
playing the air guitar.

> The short answer... they wouldn't bother.

The music industry relies heavily on this belief... tell the
public it's number 1, and they will all go out and make
it so.
Fashion takes it one step further - they can tell the
customer that everyone WILL be buying it, and they
will do.

But you know this, which is why you keep spamming the
group with "hey, everyone has one" type messages... you
see us a a bunch of lemmings.

Many businesses lose out to poor advertizing with the
same line... if it didn't work, they wouldn't bother.
The truth is that some salesman spun a convincing, if rather
misleading, yarn. One or two fell for it, and the others
simply follow them. The more fall into the trap, the
more follow them in.

Business 101... Never follow purely on the basis that the
leader must know the way.
Use such beliefs to sucker customers in, but never
fall for them yourself.

Peter.

So? How are the sidebands excluded from "output level" in
my statement which you quote, but change (twice missing out
the word 'level') within your reply text?

Is this your problem, you only see the words you want to?
Then, considering output as being output frequency, rather
than output level, you see an incorrect statement.

Now, going back to my original statement, that output
level (amplitude) "swings" (varies) above and below the
carrier level (the amplitude of the unmodulated carrier)...

I made no mention of readings on a specific meter, just
the actual output. Whatever you read on a meter does
NOT change what the transmitter is actually putting out.

Just like the last time, you appear to be either getting
ahead of yourself or totally changing the topic.
I am still unsure whether you are doing this on purpose,
just for the sake of arguing, or have been snorting something.

> The problem is all RF is rectified to a time varying
> DC level

What you do with a signal, once you receive it, makes
no difference to what is actually being transmitted.

> that corresponds somewhat to the varying amplitudes
> of the RF signals being sampled.

What varying amplitudes, you said it doesn't... and
you can prove it by measuring the average.

I really am having a hard time taking you seriously. Not
only do you start ranting about things that have nothing
to do with the issue (also commented on by someone else
on the group), but you then go back on your whole
argument.

I really do have to consider the possibility that you are
simply trying to wind people up and, like the Griffter,
you will say anything that you believe will achieve your
goal.

Peter.

No, Griffter can only give stock, salesman type replies.
You want facts, here you go...

The UK CB system, which we have used for 25 years, has:
10KHz spacing
3KHz typical audio bandwidth
2.5KHz deviation on old sets.
2KHz deviation on recent sets.
The list of UK and EU CB frequencies are here:
http://www.citizensband.radiouk.com/radio/freq/index.php
http://www.citizensband.radiouk.com/radio/freq/eufreq.php

Using Griffter's own reference to prove his lies, Carson's
Rule makes the bandwidth:
11KHz for old spec. sets.
10KHz for new spec. sets.
You can also check this using the Bessel functions...
http://en.wikipedia.org/wiki/Frequency_modulation
http://en.wikipedia.org/wiki/Carson_bandwidth_rule

As is obvious, that takes your sidebands clear into the
next channel. The only reason that this is acceptable is
because this is the peak bandwidth, occuring at peaks in
deviation.

The odd short burst of interference caused by a peak can
go unnoticed but, if the whole signal is sat at maximum
deviation, a constant 100% deviation will make it take
that bandwidth constantly.

By increasing the average deviation, he is increasing the
average power contained in the sidebands which fall

within adjacent channels - wiping those channels out.

To receive the signal clearly, it must remain within your receiver bandwidth - that falling outside will be lost. Just like with the splatter, you can stand a small amount of loss on the peaks without too much trouble. Increasing the average deviation can increase the amount of signal going beyond this passband, increasing the audio distortion.

His 1% distortion claim goes out the window. Whatever distortion that increased audio causes within the transmitter and receiver are additional, add them all together.

In order to stop the continuous problems of adjacent channel splatter that we suffered, the UK government had to make changes to the CB specifications...
Deviation reduced.
Receive bandwidth legal requirement.
Unfortunately, this narrow RX bandwidth requirement also made it easier to get your audio distorted by the receiver.

The Griffter is one of two things:
A fake: Knowing no real facts, simply chanting whatever he thinks will make the sale.
A lying, cheating scammer: Knowing the true facts, but purposely lying to make sales.

Personally, I believe he is just a fake, a salesman who will say anything to sell his outdated product. He picks up the odd word or phrase, like modulation index or RoHS, and just chants it in the hope of impressing the living shyte out of most CB users.
He doesn't really understand the words, theory or how it all works - he just shouts words to sound like he does. Come back at him with real facts, and he goes into his standard spam message as a reply.

Regards,
Peter.

It appears that our curmudgeon, Roger Wiseman, has elicited responses from you. Roger often posts to rec.radio.amateur.policy but also crossposts to your and other groups in hopes of causing problems.
Those who know of Wiseman and know what a Pink Panther he is also know of his antics and strip the added groups from our responses.
Sadly, when Roger Wiseman (of Glendale, West Virginia) responds he once again crossposts to your groups out of sheer meanness.
For more information concerning Mr. Wiseman, Google has a wealth of information concerning him. Mr. Wiseman is an Amateur Radio operator with a call sign of AB8MQ and a previous call sign of KC8JBO. A Google search of his callsigns will prove interesting reading.
One such tidbit is as follows:
GLENDALE, WV: The FCC sent a Warning Notice November 9, 1999, to General licensee Roger L. Wiseman, KC8JBO, citing evidence that the licensee had been "deliberately and maliciously interfering with the radio operations of other licensed amateurs" on 20 meters. "This interference has occurred at various times in the last several months and includes broadcasting music and other unidentified transmissions," said a letter from FCC Special Counsel for Amateur Radio Enforcement Riley Hollingsworth. Hollingsworth warned that continued operation of the type described could result in a fine or license revocation proceeding, and he requested that the licensee contact him to discuss the allegations.

We are all ashamed of Mr. Wiseman and there is not a single one of us who claim him as a friend.

The obvious solution is to bring in Mahatma Gandhi Indians, Filipinos,
Koreans and Southeast Asians to do the work now done by Hispanicks. I
don;t give a shit if a person is illegal or not. I do care when we

Japan is way ahead of us. And no matter how much it costs it beats
the hell out turning ones country over to foreigners.

Don't count on the Democrats to restore sanity. If anything they're
more gungho to pander to the one race only. Check this out:

That's right. English is now the SECOND language to these candidates.

Disgusting!

What Hispanicks want more than anything else if a country of their own that rules the world. A country where everyone else in the world follows their lead, listens and dances to their music and wants to speak their language and give their lkids Spanish names out of respect for Hispanicks. Macho Hispanick pride demands no less. But the only problem is they are not genetically capable of creating successful countries that they can use to promote their language and culutre. So the only option left is to steal the USA from the Anglos and call it their own, making Spanish our one and only official language, renaming all out cities and streets with full Spanish names. All those peopla know is theft. They are descended from Spanish thieves who only came to the America to steal gold from the Inidans. Hispanicks are pigs, that's why their countries are totoal failures. But they all want to blame the USA/"Anglos" for all the problems in Latin America. They think they would have sent a man to the moon in 1576 if not for "Anglo interference" in their region.

Provide us with what? Hispanics are prospering because of their work ethic.
The overwhelming majority of poor people and welfare recipients in this
country are white. The US trained and supported dictators to run our countries, which is the only reason there is so much misery in our countries, and the only reason immigrants have to come here to find work.

Most Americans are not instructed in what our forefathers intended, what abuses they suffered under illegal government and what freedoms they dreamed of possessing for themselves and all their decedents, sad, but true. When you view the greed, corruption, loss of rights, loss of democracy, etc. which has worked as a slow and sinister disease on America, it is frightening:

http://www.constitution.org/jm/jm_quotes.htm

I fear Romney is only more of the same. Since the 1970's I have seen few improvements for the majority of Americans. This fact transcends democans vs. republicrats. It smacks of a force behind the puppets of governments and hidden from our view ... gays, illegal aliens, perverts, psychopaths, rich, corporations, etc. seem to gain larger and larger footholds in having "special laws/rules/regulations" crafted by a corrupt government for their benefits.

Since Nixon we have grown to accept the nature of our public servants is one of corruption. We have none left which truly represent the people, now we only have "leaders"--as this title "leaders" suggests, they only serve themselves and minorities who the benefit from serving. :-(

It is time we ask, "how much longer we can allow this with out resorting to open and determined rebellion against those who have usurped the peoples will and powers?"

All of these depict an AM signal in the time dommain. This is not the actual representation of the modulated signal. What you are seeing is a complex addition of the three components of the AM signal versus time. Anyone with an engineering degree from an accredited university would know that. What your are seeing is not the frequency compents of the AM signal itself. To see that properly requires a spectrum analyzer. That will display the Fourier Transform of the many links you have posted. In the frequency domain you will see that the carrier remains canstant while the sideband amplitudes will varying as speech varies. In the frequency domain you will see power versus frequency. This is what your receiver sees, power versus frequency.

Oscilloscope representations are usefull in determining modulation levels and not actually what is happening with the AM signal. To truel see that requires a spectrum ananlyzer.

|the word 'level') within your reply text?
|
|Is this your problem, you only see the words you want to?
|Then, considering output as being output frequency, rather
|than output level, you see an incorrect statement.
|
|Now, going back to my original statement, that output

|
|What varying amplitudes, you said it doesn't... and
|you can prove it by measuring the average.
|
|I really am having a hard time taking you seriously. Not
|only do you start ranting about things that have nothing
|to do with the issue (also commented on by someone else

They don't get all the perks the Latinos get when they come here.
They don't get bilingual education, affirmative action/preferential hiring
programs and hundreds of organizations already here to help
them out when they come. They have to do it on their own.

I don't even know why they would WANT to come at this point.

The FCC issued an Order of Dismissal and Termination against Jack R. Sharples of Florida concerning his application for a new Amateur Radio license. Sharples is a convicted felon and registered sexual offender. His conviction raises questions as to whether he possesses the proper character qualifications to be a Commission licensee. Sharples had 20 days to respond to the hearing designation order. He ultimately withdrew his application.

Great.

We deny him any diversion from his perversions. A sure way to guarantee
no rehabilitation takes place.

But then, hams are a mixed bunch. I strongly suspect there are just as
many criminals and perverts in our ranks as exists in the general

It may be that you are getting short propagation events from the
ionized tails of meteors reflecting distant signals .
There have been long-haul comm systems built to utilize this effect,
they sound for a path and send a data burst when there is an open
path.

I can see meteor ionization working for short time duration at VHF
frequencies down to about 50MHz but was unaware that effect worked
down around 28 MHz. Then again if the atmosphere is quiet enough it
could be possible.

I know that one can get sporadic E for periods between 10 seconds to
on hour range.

Hi Jay

That 100 mile mark makes it fun, I like it more than DX mostly because you
can usually carry on a qso with the guy much longer than a skip contact.

It's a better test of your gear too, imo.

Hello Phil:

No I don't think its meteors, but some kind of skip happening maybe the attmosphere wants to work but for a short while. This happens a few times an hour, then the skip stations come in solid for say 20 mins or so.

I believe I was using some sort of meteor a few years back, as I was talking to guy about 150 miles away, the signal level came up then quickly died, but we where able to exchange locations and call signs on 11 meters.

Please show where I call your product "insignificant", back
up your claim.

The fact is that it is very significant. For FM CB this
significance is similar to the significance of a bomb up
your ass.
Not very good and extremely messy, but certainly
significant in the damage caused. Very few people
would want to be stood in an adjacent space and
experience the splatter.

And, if it is not RoHS compliant, UK dealers may find people
like Trading Standards appearing on their doorstep to be
rather significant.
Is it compliant?

I'll bet you wish you had not mentioned RoHS now.

> Doesn't make much sense...

That's because you do not understand FM CB, and
clearly have not the experience of it that us Brits
have of it.
Otherwise, you would not need telling about the
problems of NBFM CB with just 10KHz channel spacing.

> it's innovative and unique.

There is nothing "innovative and unique" about splattering
adjacent channels with a speech processor on NBFM CB.
We have been doing it for decades, unfortunately.

We still have the same splatter problem right now. Only
yesterday I was listening to two people on 19.
Each were splattering the adjacent channels.
But, here's the thing... the one doing the most splattering
was NOT the one who sounded loudest.
So, why did one sound louder with less deviation... especially

when he was NOT the one using a speech processor?

When you understand why one person, with a lower peak
and average deviation, can be louder than the other - then
you can start to see what is really needed for FM CB.

> I see your role as one of "spoiler" or should we
> say "unbeknownst shill".

I don't doubt your distorted view of reality.

The reality is that we, here in the UK, have over 26
years of experience with NBFM CB radio in everyday
use, as the only legal CB system.
The experience backs up the bandwidth theory, as
shown on the linked Wiki pages and in books (including
the advanced engineering mathematics book I have sat
here).

There is also the problem of you not having experience
of specific UK radios. Some have very quiet sounding
audio and, no matter how much you try to turn it up, it
will always sound quiet.

Only a couple of days back, I was speaking to someone
who was sold a speech processor as the answer to her
modulation problems... only to find it did nothing except
distort.
The reason was the poor design of the radio, which a
speech processor or power microphone will not cure.

> Evidently, they were not swayed by your passionate works...

I have NEVER said that a speech processor is not useful
on AM or SSB. In fact, look back through my posts and
you may find suggestions that they are useful for those
modes.

Please, feel free to push speech processing for use on
AM, SSB or wideband FM... but UK FM CB is none of
those and is unsuitable for such devices.

Read the above carefully... UK FM CB is unsuitable for
your device. NBFM CB is not good enough for such
techniques.

> You are certainly one of the more colorful people out here.

Now I get it... you mean that I know too much for your
own good. Your best try is to attempt to make me look
like a "character", so that people will not notice that
you dodge questions and fail to give real answers.

Maybe I should make my position clearer, and you can quote this to your customers... as long as you quote it entirely and do so equally to those wanting the product for AM, SSB and FM CB:
A good speech processor can be extremely useful for AM and SSB. It's use on FM, however, requires a system with sufficient bandwith. FM CB does NOT have sufficient bandwidth - so they should not be used on those systems.
I have not tested the VoiceMax, so can neither recommend it as "good" or state the opposite - but radio and electronic theory, and the 26 years experience of UK NBFM CB, show that NO speech processor should be used on NBFM CB systems with just 10KHz channel spacing.
This applies equally to the competitor's products.

How's that, clear enough?

Regards,
Peter.

Is your product RoHS compliant, to the requirements of the UK?

Oh, wait a minute...

>>SSM2188S is not RoHS compliant.

Is that not the part you use? Does that not make your
product illegal to place on the market within the
United Kingdom?

You had better check all the parts used in manufacture. Dealers
could be extremely unhappy if they found their stock seized
and used as evidence before being destroyed.
But it may not quite be that bad, Trading Standards often offer
the chance to disown the items, allowing them to just go
straight to the destruction stage.

As you were so keen to ensure my Web site met the standards,
I am sure that you would want to be sure of the legal position
of your product.

In case you wondered, according to UK law, Lou's speech
processor is exempt but your VoiceMax must comply with the
regulations.
I suspect that, if any non-compliant products have been sold,
those "in the field" would need to be recalled.

That could be quite embarassing.

Peter.

What you have to remember is that other FM users have much
more bandwidth to play with than CB users. The broadcast
stations have shed-loads of bandwidth to play with.

If you are using AM or SSB CB, I would certainly recommend
speech processing. But I would recommend that you avoid it
with FM CB, the 10KHz between channels is not really enough
for FM.

With a multi-mode set, I would fit one and disable it for
FM mode. I believe that would be better than lowering the
maximum deviation to allow for the increased average.

But, speaking of broadcast stations, do you know the other
trick used to get greater distance on FM broadcast? It
works a treat on FM CB, without the adjacent channel
splatter of other devices.

> If I needed a Broadcast Radio quality sound then Sure
> I would use a Compressor throughout the system.

Unfortunately, to get broadcast quality FM, you would need
FM broadcast bandwidth. One channel would take up most
of the CB band.

If you want a Pint, you must first get a Pint container.
But you will never get quality while the barman is giving
you the dregs and slops.

> If the modulation system used in a FM radio was used in

AM, FM and SSB each have their good and bad points. One
big problem with FM is that the bandwidth requirement
really doesn't suit the small CB channel spacing.
Here in the UK, we have had FM CB for over 26 years... and
the splatter has been hell. It's still going on now, even after
the government reduced the maximum allowed deviation.

I have just been listening to someone giving me a signal
of just 7 on his channel... and jumping to 6 on each of the
adjacent channels with every sound he makes.
Oh yes, and he sounds crap on the channel he is supposed
to be on. So much of his signal is going outside of the
receiver bandwidth, that the needle bounces about like
a yo-yo and far too much of his audio is lost.

> So like I said I like a little of both.

The choice over which of the two systems to use really
comes down to price and either proven long-term reliability
or trust in the name.

Lou's product is reasonably priced and has proved itself
over a long time but, let's face it, it is only a basic circuit
designed to meet the needs of the majority of CB users... cheap
but effective.
Telstar's product may cost a little more and boasts better
quality**, but it is a new product without the years of
tests in the real world.

Even large manufacturers find problems with their design after
batches have gone out. I have spent many hours fixing design
errors so that a batch of products could leave by the deadline.

> Similar to adding a Compressor to a FM transmitter driving
> it using the mic gain to a little of clipping.

All FM transmitters are NOT born equal. What works on
one FM system may not be suitable on another.
Speech compression is fine for broadcast FM, but not for
CB FM with only 10KHz channel spacing.

Regards,
Peter.

** I have only had Lou's product on the bench. I have never
tested the Telstar product, so cannot comment on whether
it really is worth any extra cost.

Actually they don't have loads of bandwidth to play with. In most
cases 15KHz is the highest frequency respone that they can have
without exceeding the peak diviation with Stereo FM. About 10% of the
modulating power is reserved for the 19KHz pilot carrier for stereo
FM. Commercial FM broadcast stations need the bandwidth for
transmitting higher fidelity music. Here in the US they are limited to
75KHz peak deviation. Besides tranmitting stereo music with FM is far
more complex than that of voice with FM.

Lou has been marketing this one for years (bought a few here when he still
lived in Phoenix). had fun with them, they ended up going with the last
radios I had for CB back about a decade ago. its a lot easier to install
them inside the radio than the hand mic and fairly easy to shield too.

I've built one or 2 of these units. even built add-on bass and treble
variable gain amps for them (easy enough to do with an op amp design)

a number of "small" problems with your unit (it is a good design, but needs substantial improvement):
1. no power line bypassing (you will need this if you are running in an "rf hot" environment - typically found inside the radio or shack depending on external setup)
2. requires the use of expensive equipment (O-scope) to properly calibrate to your radio - how many people actually have this? also, no cb or pro radio shop will touch your radio after this device is installed (citing fcc regulations about type acceptance, etc)
3. may require technical knowhow that most cb operators do not have (most are, after all, appliance users).
4. fcc requires that anyone working on transmitters be certified under the General Radio/telephone commercial license program (with endorsements)

now. I have not tested your unit.

I have most of the above (technical skill and equipment).
I also have a ham license, which would allow me to work on part 97 accepted gear.

now, if you are willing to send me a unit (gratis), I might be willing to run it through all the tests per the SINAD protocol and we'll see what we see.

I would also make the same request of Lou Franklin (oh Lou, you still on here?) and run some real time side-by-side actual comparisons.

I can tell you right now though, I know Lou's product and can attest it performs as advertised.

until I see your product in action, I cannot take your word for it.

I believed all these points have been made to Brian especially that of
item #4. If he offered it as an external unit then he would have not
issues with FFC acceptance as the OEM transmitter has not been
altered. Again I think any audio speech compression and/or clipping is
not all that much value added. But then put a black box inline with
any mic that does nothing and most CBers will think the world of it.

The list of UK and EU CB frequencies are here:
http://www.citizensband.radiouk.com/radio/freq/index.php
http://www.citizensband.radiouk.com/radio/freq/eufreq.php
What, my word not good enough? Try the official Ofcom
list here:
http://www.ofcom.org.uk/radiocomms/ifi/licensing/classes/citizen/information/cbinfosheet.p
df
The MPT1382 UK CB legal specifications are here:

http://64.233.183.104/search?q=cache:EyoSsPgq-uUJ:www.ofcom.org.uk/static/archive/ra/publi
cation/mpt
/mpt_docs/1382newh.doc+MPT+1382&hl=en&ct=clnk&cd=1&gl=uk

FM, bandwidth and Bessel functions are here:
http://en.wikipedia.org/wiki/Frequency_modulation
An easy, rough guide bandwidth calculation is here:
http://en.wikipedia.org/wiki/Carson_bandwidth_rule

The evidence is there, simply use the above to calculate
the bandwidth of UK FM CB.
It's not rocket surgery, Brian. If you really are the
tech. you claim to be, the problems with speech processing
on NBFM CB radio should be damn obvious.

I'll give you a clue, using Carson's rule...
FM Bandwidth = 2(Fd+Fm):
= 2(2.5KHz + 3KHz)
= 2(5.5KHz)
= 11KHz bandwidth requirement.

Now look at the frequency charts (or the MPT1382 spec)...
11KHz takes your signal right through each adjacent
channel bandwidth.

As the 2KHz deviation is the maximum allowed (the old
spec radios, MPT1320, are 2.5KHz), this is only the
bandwidth at your audio peaks.
But, according to you, your product is designed to hold
the modulation at this peak level - so that bandwidth
will be required continuously.

Now consider the receive bandwidth of a UK FM CB (legal
requirement, stated in the MPT1382 link above)... 60dB adjacent
channel rejection.
Those sidebands, while directly in the bandwidth of anyone
on the adjacent channel, should be greatly attenuated by a
legal specification UK CB.
That explains both the distortion and splatter that can be
heard on a regular basis on UK FM CB.

So, how about the legal position of your product within
the UK?
First of all, you have still not confirmed whether it
complies with our RoHS requirements. If not, then
it is illegal to place it on the market here.

Now, use on CB:
The legal requirements, MPT1382 (link above), state that:
5.2.5 Adjacent channel power
The adjacent channel power shall not exceed
a value of 20 microwatts.

The adjacent channel power is defined in section 8.5.2.
This states 5.75KHz from the carrier, making the it
(for legal purposes) the average power contained in
the top end of the 2nd sideband plus all the power
in the sidebands above that.

By increasing the average audio, you increase the
average power in the sidebands. This is basic stuff.
This guy states it in his sales pitch...
http://www.spectrumcomms.co.uk/cbkits.htm#SP1000
Notice, also, that he states SSB and AM use - he does
NOT promote it for FM CM use. If he considered it
suitable for UK FM CB, he would say so - he has been
selling to UK CBers and CB dealers for years.

Your product can take a UK FM CB beyond the legal
specification, making it illegal to use and possibly
subject to seizure by Ofcom. There may also now
be on-the-spot fines.

There are reasons for this average adjacent power
specification, and I already gave them... occasional
short bursts onto the adjacent channel may go
unnoticed, but a high average or constant 3rd and
4th sideband content can cause serious problems.

> I, on the other hand have a tangible product with
> many positive feedback entries on ebay.

Sure, Acorah can speak to the dead, Blaine can fly,
and Angel can take a woman and pull her in half... all
proved by the feedback of witnesses.
Oh yes, and strap a magnet to your car fuel-line, and
your fuel consumption will be greatly reduced.
How about magnetic cups, proved to cure diseases my
"charging" the water particles.

Clearly, feedback is not reliable enough to be considered
"proof". How about some scientific facts? How about
proving that the last 26 years of UK FM CB never really
happened.

> and the whole world's wrong...

That, like all your other posts, is a load of misleading
bull droppings. You do NOT have "the whole world"
agreeing with you. The "whole world" has not tried
your SplatterMax on FM CB.

Someone only has to look at the messages in this group
to see that many disagree. It wasn't me who called your
product "garbage" or made suggestions about basket
weaving. I only state that your product is not suitable
for FM CB... many other people are rather more critical
of you and your product.

Everyone who has used FM CB in the UK for some years
will know that distortion and adjacent channel splatter
are a real problem.
Those using the products may not realize, they cannot
hear the crap they are putting out.

Peter.

James,

That is AUDIO bandwidth of the input signal, not the
bandwidth allowed for the transmitted radio signal.
For CB, the audio bandwidth is just 3KHz.

I'll bet you would consider that ratio significant if
it was applied to a pay-rise... and I bet you would find a
way to spend 5-times the income :~)
We are greedy creatures. Give us more and we will manage
to use it, wonder how we ever managed, and demand
another increase.

> Here in the US they are limited to 75KHz peak

Now we are getting closer... that is much better than the
2KHz deviation now allowed for UK FM CB.

Broadcast station deviation is the same here, 75KHz.
With an audio bandwidth of 15KHz, the total bandwidth
required for a basic mono signal of that quality is around
120KHz.

12 CB channels in each direction just to match the quality
of the mono signal.

The CB channels, and the 10KHz spacing, were set back in
the days of AM. But then we in Europe took this spacing
and decided to put an FM signal in there.
It took some squeezing and some careful balancing tricks,
we even had to reduce the deviation from the original
2.5KHz down to 2KHz.

Peter.

Speech compression is NOT suitable for FM CB - there are
only 10KHz between channels.
Compression works on broadcast FM because they do have
the bandwidth - equal to 30 CB channels for one transmission.

If you want broadcast quality FM, you require broadcast
quality bandwidth. This would make the whole Citizens'
Band just one single channel.

You cannot put a Pint in a 1/2 Pint jug. Those who tell you

Do you think they just don't want to sell their product, or
that they are simply not willing to mislead people just to
make a sale?

Except in the case of FM (NBFM) CB, where it makes it
possible to fit your transmission on a single channel.
Increasing average audio on an FM CB transmission increases
the average adjacent channel power. This is then picked up
by people on the next channel, but clipped by those trying
to listen to you on your channel.

Fuzzy at best, large amounts of clipping cause severe
distortion and difficulty undestanding the person.
This is a common problem when people try to increase
their peak or average deviation on FM CB.

This does not apply to FM.
The output amplitude of an FM transmitter is constant,
extra deviation will NOT boost your signal above
the "traffic".

Another issue with FM CB, is that they use very little audio
power to modulate the transmitter. There is not a UK FM CB
made that does not have all it needs to give far more audio
than required... without additional add-on devices.

my point is this: there is some question as to the use of a trademark.

also, you seem to have over 10,000 hits on google just for your newsgroup postings (in non-radio-related groups at that) and very few actual hits for a company name "Telstar Electronics".

in any case, you do have a problem with your product (read my other posting). if you really want it to be credible, have it certified by an IEEE certified lab or perhaps something similar to Underwriters Labs.

I've seen your particular design. its not new. its a basic design that gets used in hundreds of other audio related products (mic gain amps in devices such as the iPOD, iPHONE, other portable audio recording devices, etc)..

you might find that because there is prior art, a patent would be a little hard to get.

anyway. the point has been made. you have a legal question to answer.

Is the tower hinged for easy access, or maybe not? Is it a one shot -up-
deal with the antenna choices?

If that's the case I'd start with a ground plane as high as you can get it
up in the air and with as much ground as you can pound. I run two eight
foot copper ground rods right below Jay's antenna, and wonder it it's
enough.

Ever think of trying a wire antenna in those trees?

The neighbor down the road about a half mile away has one of those FM Broadcast Transmitters, hooked up to his XM Satellite Radio, and he has old 1940 and 1950 records also, he plays all this old stuff, and really sounds good. Thats all I am hearing except when a Los Angles station takes him out.

Steveo, don't know if you've seen this one, but it's shortly after Hughie left Skynerd to reform the Outlaws.

Do they have the sole right to use the name, or just the trade
mark designed for their company?

Here in the UK, many businesses use the same name. You
would not need to register a business such as TelSpam.
However, you do need to register Limited companies and
their company names - and that name then becomes
protected.
Small businesses, who are not registered Limited companies,
have no protection with their name.

But if you think that other Telstar have sole rights to the
name, and may be able to bust his balls over it, you know
what to do.
Don't be put off by the idea that this entire group love
Griffter and want to have his babies.

Hey, does America have laws prohibiting the export of
goods to a country where they are illegal, or some other
way in which they can be stopped?
For the last 20 years, UK CB dealers have made sure all
the goods they sell are legal, I would hate for them to get
stung because their supplier never told them what they
needed to know.

Peter.

Exactly, amplitude variations over time... modulation (AM).

Exactly... modulation (AM) levels.

Several teeth, without anaesthetic.

> and not actually what is happening with the AM signal. To
> truel see that requires a spectrum ananlyzer.

Wrong.

The instrument of choice depends upon exactly what it
is you want to know about the signal. The spectrum analyzer
does not tell you everything you may wish to know. Otherwise,
all other instuments would now be obsolete.

As you stated above, the oscilloscope IS useful for
determining modulation... which is what this was all about.
That was, until you decided to whine on about what the
sidebands are doing.

The spectrum analyzer will show you the sidebands, but if
you want to see the modulation (AM) then the oscilloscope
is the tool for the job.

Different tools for different purposes.

Come on James, this has to be a game you are playing. I really
don't have time for such games - do you?

Regards,
Peter.

It can also legally be sold in the UK, as it is exempt from the
RoHS standard under the UK laws.

Brian's product must comply, or it is illegal to offer for sale
here. He appears unwilling to discuss the legality of his product,
but a previous thread suggest it is NOT compliant with RoHS
laws - and he is fully aware of that fact.

If people or businesses in the UK find themselves in bother,
with items snatched and crushed or big fines, I wonder if
the Griffter is willing to pay full compensation.

Peter.

Hello Steveo:

Having the tower to hinge over using a winch or power winch is something I use almost every day. Guy who don't have a tower that can hinge down usually have to rent a bucket to get to the antenna or climb the tower. My small tower is a crank up/down and tilt over using power winches. But there are days when the tower will be raised and lowered 10 times a day.

I have had reported back to me two Interceptor 10K Antennas struck by lightening. In both cases the radios and coaxes where toast, the antenna survived. But the users did not properly ground the coaxes as per the instructions. I see many commercial installations have the coax wound in a 2 to 3 foot coil, and the shield of the coax grounded to a ground rod, before leaving the tower and entering the untility room where the radio is. The thinking here I am told is the lightening doesn't like to go thru a coil but would prefere a direct path to ground. But who really knows if you get a little shot or a main burst of natures furry?!?!??

Just because the chip is used in other equiptment does not mean your
implementation in CB radios is "great". There are legitamate uses for
compression of the audio. DSB-LC and SSB-SC is in my opinion not one
of those applications. For the money invested there is not that much
value added.

If you can keep the antenna about 3 wavelengths from the trees then
you wont have much issues with signal absorbtion and/or reflections on
transmit. Within one wavelength or less then you will have some
issues.

most firms here often use their name as part of (or in whole) their name. As such, that generally means that one cannot go around and call ones small store "radioshack" because another company "RadioShack" owns the name and the trademarks thereto. There have been cases where a company has sued another because use of trademark would dilute the good name of the company whose trademark was used/abused.

well, I'd have to talk with a lawyer on it. However, its not really my affair. I'd rather just make the point that someone here has a legally questionable position and they should consider the consequences.

yep. especially if such products contain technologies the Federal government deems or "national Security" importance (such as crypto-capable equipment).

very true. Hence my suggestion that he See an FCC Engineer or consult an IEEE accredited lab.

Now, the circuit by itself is not, in any way, illegal. However, when implanted in a "type accepted" piece of electronic gear, it may present a situation where it violates type acceptance. In that case, it because legally questionable (this is my understanding based on a lot of reading of the Code of Federal Regulations and various other related rulings and supporting documentation).

I see. so Lou took the time and effort to make sure his products met proper
specifications as called for by local law.

That in and of itself does not cannote intent to violate the law. However,
that, coupled with his reticence to cooperate, AND to continue to sell in a
country where his product would be considered illegal.... I'd say that he
might find himself in legal trouble here if the Government of Great Britain
were to sue in US court (they can and have done so previously in other
non-related cases). He may also be in violation here if his design creates
interference (or by design flaw causes a type accepted device to create
interference in violation of regulations and federal laws) and can thus be
fined by the government. Again, he SHOULD have his device properly tested
at a known facility in the presence of a duly qualified Engineer.

ouch. that can run well into the low millions if enough people are affected.
you would think this sort of financial threat would be more than enough
incentive to make him make sure his device is compliant.

AM is a complex signal made up of many sinusoidal waveforms that can only be seen in their individual components with a spectrum analyzer. IF you know how to use one it will yield far more information about your AM signal than an osscilloscope could ever yield. IF you know how to use a spectrum analyzer, you can determine percentage of modulation, ie modulation index, as well as the power of all three components. Not hardly capable with an oscilloscope. The oscillocope is best for those less technically inclined to depict what is happening with an AM signal.

You have no time for games? Then why bother with this group?

1285. Voicemax Sept forecast and Business 101

Newsgroup: rec.radio.cb
Date: 2007-09-18 15:43:09 UTC
From: "Vinnie S." <none@coldmail.com>
Message-ID: <mrrve3d0d2r8lpc3ilkj8u2vm83vr8vh7a@4ax.com>
Source record: 234206

Brain forecasted 30 sales for Sept, while giving me a Business 101 lesson. So I figured I would follow up.:

Here are his sales thru today 9-18-07:

http://tinyurl.com/2eju5o

http://search.ebay.com/search/search.dll?sofocus=bs&sbrftog=1&guest=1&from=R10&_trksid=m37&satitle=voicemax&sacat=-1%26catref%3DC6&sargn=-1%26saslc%3D2&sadis=200&fpos=08085&sabfmts=1&saobfmts=insif&ftrt=1&ftrv=1&saprclo=&saprchi=&fsop=1%26fsoo%3D2

(note, you will have to log into ebay to view past 30 days sales)

So, what have I found? Brain as sold a whopping 2 units in Sept, both on the 5th. If my math skills are up to speed, I think that is behind forecast. I think he would have to sell 28 units in the next 11 days, to equal 30 for the month. I think that is what Brian called, " based on statistical data" !

As far as more Business 101 info, every time Biran lists a Voicemax, he is charged $1.40, even for the non-sold units. That is one hell of a business model. Paying for not selling !

Keep up the great work !

Vinnie S.
